The Bonhoeffer Phenomenon Stephen R. Haynes, 2004. Stephen Haynes's provocative study articulates the many motives and agendas that readers and scholars have brought to their study of Bonhoeffer, making it difficult to assess objectively the relationship of his political and religious commitments, the real meaning of his theology and his words and actions on behalf of Jews. Reading Haynes's book helps us learn not only what Bonhoeffer has to teach us but also what it is we most desire to learn.

Bonhoeffer's Christocentric Theology and Fundamental Debates in Environmental Ethics Steven C. van den Heuvel, 2017-05-04. There is widespread understanding of the close connection between religion and the ecological crisis and that in order to amend this crisis theological resources are needed. This monograph seeks to contribute to this endeavor by engaging the theology of Dietrich Bonhoeffer. His theology is particularly suitable in this context due to its open-ended nature and to the prophetic and radical nature of the questions he was prepared to ask that is why there are many other attempts to contextualize Bonhoeffer's theology in areas that he himself has not directly written about. In this monograph Steven van den Heuvel first of all addresses the question of how to translate Bonhoeffer's theology in a methodologically sound way. He settles on a modified form of the general method of correlation. Then secondly van den Heuvel sets out to describe five major concepts in Bonhoeffer's work bringing these into critical interplay with discussions in environmental ethics and eco-theology. In making the correlations he thoroughly describes each concept situating it in the historic and intellectual background of Bonhoeffer's time. He then transposes these concepts to contemporary environmental ethics describing what contribution Bonhoeffer's theology can make.

Bonhoeffer Petra Brown, 2019-01-04. Theologian, Conspirator, Martyr: Saint Dietrich Bonhoeffer was killed in the waning days of World War II having been implicated in the July 20th assassination attempt on Hitler. Since his death Bonhoeffer's life and writings have inspired contradictory responses. He is often seen as a model for Christian pacifist resistance and more recently for violent direct political action. Bonhoeffer's name has been invoked by violent anti-abortion protestors as well as political leaders calling for support on a war on terror in the aftermath of 9/11. Petra Brown critically analyses Bonhoeffer's writing preceding and during his conspiracy involvement, particularly his recurring concept of the extraordinary. Brown examines this idea in light of the state of exception, a concept coined by the one-time Nazi jurist and political theorist Carl Schmitt. She also draws on the existentialist philosopher Sren Kierkegaard to consider what happens when discipleship is understood as obedience to a divine command. This book aims to complicate an unreflective admiration of Bonhoeffer's decision for conspiracy and

draws attention to the potentially dangerous implications of his emerging political theology **Bonhoeffer Abridged** Eric Metaxas,2014-10-07 From the New York Times best selling author Eric Metaxas an abridged version of the groundbreaking biography of Dietrich Bonhoeffer one of the greatest heroes of the twentieth century a man who stood up to Hitler A definitive deeply moving narrative Bonhoeffer is a story of moral courage in the face of monstrous evil As Adolf Hitler and the Nazis seduced a nation bullied a continent and attempted to exterminate the Jews of Europe a young pastor named Dietrich Bonhoeffer became one of the first to speak out against Hitler In this compelling book you will learn about Bonhoeffer s life as a double agent who joined the plot to assassinate the F hrer His story of courage and determination to do the will of God Facts about Adolf Hitler and their plan to exterminate the Jewish population Bonhoeffer was hanged in the Flossenbergr concentration camp at age thirty nine Since his death Bonhoeffer has grown to be one of the most fascinating complex figures of the twentieth century Bonhoeffer brings you face to face with a man determined to do the will of God radically courageously and joyfully even to the point of death It is the story of a life framed by a passion for truth and a commitment to justice on behalf of those who face implacable evil *Ethics* Dietrich Bonhoeffer,2005 Based on careful reconstruction of the manuscripts freshly and expertly translated and annotated this crown jewel of Bonhoeffer s body of work is the culmination of his theological and personal odyssey **The Reluctant Revolutionary** John A. Moses,2009-04-01 Dietrich Bonhoeffer was a uniquely reluctant and distinctly German Lutheran revolutionary In this volume the author an Anglican priest and historian argues that Bonhoeffer s powerful critique of Germany s moral derailment needs to be understood as the expression of a devout Lutheran Protestant Bonhoeffer gradually recognized the ways in which the intellectual and religious traditions of his own class the Bildungsb rgertum were enabling Nazi evil In response he offered a religiously inspired call to political opposition and Christian witness which cost him his life The author investigates Bonhoeffer s stance in terms of his confrontation with the legacy of Hegelianism and Neo Rankeanism and by highlighting Bonhoeffer s intellectual and spiritual journey shows how his endeavor to politically reeducate the German people must be examined in theological terms **The Journey of Modern Theology** Roger E. Olson,2013-11-01 In this major revision and expansion of the classic 20th Century Theology 1992 coauthored with Stanley J Grenz Roger Olson tells the full story of modern theology from Descartes to Caputo from the Kantian revolution to postmodernism now recast in terms of how theologians have accommodated or rejected modernity **Protestant Pentecostalism in Latin America** Karl-Wilhelm Westmeier,1999 This book is a theological missiological study on the intercultural communication of Faith drawing heavily from anthropological sociological and historical sources The book is helpful to church workers in Latin America to colleagues who teach both on college and seminary levels to scholars who research the phenomenon of Latin American Protestantism to students to Latin American studies and in religion and culture in general **Preaching Hebrews** Douglas D. Webster,2017-10-09 Hebrews is a powerful meditation on the gospel It is a sixty minute sermon delivered to a worshipping congregation The spiraling impact of

theological exposition and pastoral exhortation is impressive Hebrews weans us away from our preoccupation with the start of the Christian life and focuses our attention on the perseverance of faith Life is not a sprint it s a marathon Faithfulness to the end affirms faith from the beginning If we let the word of God have its way with us Hebrews will deepen our faith in Christ and strengthen our faithfulness Like Jesus in the Gospels Hebrews sees the fundamental difference between apostasy and faithfulness as the difference between a religion about God and a Christ centered relationship with God Any form of Christianity that competes like other religions for the attention of its adherents through its rituals practices pastors traditions and sacred spaces has fallen back into an obsolete and worldly strategy The pastor calls for a decisive end to religion even the best religion ever conceived The flow of reasoned argument for Christ and against religion along with the pulsating emotional intensity of ultimate issues laid bare and heart felt warnings against complacency and unbelief deliver a powerful and timely message

Text Message Ian Stackhouse, Oliver D. Crisp, 2014-03-10 Preaching has fallen on hard times with many questioning its relevance and even its validity as a New Testament practice This symposium of specially commissioned essays draws together an international team of thirteen scholars and pastors to address the importance of textual preaching in the history and life of the early church the historic church and the contemporary church Contributions include essays on Old Testament preaching preaching in Hebrews gender sensitive preaching preaching in the theology of Jonathan Edwards Charles Spurgeon Dietrich Bonhoeffer and in Eastern Orthodoxy It also includes essays on a range of homiletical challenges that textual preaching raises for the contemporary preacher including genre preaching without notes inhabiting the text and preaching without platitudes A final reflection by Dave Hansen on the state of textual preaching rounds out the collection The preaching of the gospel stands at the heart of Christian praxis These essays make a vital contribution to the recovery of the importance of preaching focused on the text of Scripture Written with an eye to the pastor and practitioner as well as those in the pews and in the classroom this is a book that should appeal to a wide range of readers

the war and its literature **Deliver Us from Evil** Richard H. Bell, 2007 My initial goal was to write a book on the defeat of Satan in New Testament theology covering all the witnesses of the New Testament using a title such as falling like lightning But it became evident that although the defeat of Satan is central to the exorcisms of the synoptic gospels many authors of the New Testament simply do not speak explicitly about a defeat of Satan For example Paul Ephesians and Colossians if they explicitly speak of the devil or allude to him speak instead of nbeing redeemed from the dominion of Satan I therefore moved more in the direction of considering how the human being is redeemed from the effects of Satan Preface
