Other Dreams:

Dreams, Illusion, and Other Realities Wendy Doniger O'Flaherty, 2015-05-14 Wendy Doniger O'Flaherty weaves a brilliant analysis of the complex role of dreams and dreaming in Indian religion philosophy literature and art In her creative hands enchanting Indian myths and stories illuminate and are illuminated by authors as different as Aeschylus Plato Freud Jung Kurl G del Thomas Kuhn Borges Picasso Sir Ernst Gombrich and many others This richly suggestive book challenges many of our fundamental assumptions about ourselves and our world Mark C Taylor New York Times Book Review Dazzling analysis The book is firm and convincing once you appreciate its central point which is that in traditional Hindu thought the dream isn't an accident or byway of experience but rather the locus of epistemology In its willful confusion of categories its teasing readiness to blur the line between the imagined and the real the dream actually embodies the whole problem of knowledge O'Flaherty wants to make your mental flesh creep and she succeeds Mark Caldwell Village Voice

G. Jung,2016-12-06 Jung s landmark seminar sessions on dream interpretation and its history From 1936 to 1941 C G Jung gave a four part seminar series in Zurich on children s dreams and the historical literature on dream interpretation

This book completes the two part publication of this landmark seminar presenting the sessions devoted to dream interpretation and its history Here we witness Jung as both clinician and teacher impatient and sometimes authoritarian but also witty wise and intellectually daring a man who though brilliant could be vulnerable uncertain and humbled by life s mysteries These sessions open a window on Jungian dream interpretation in practice as Jung examines a long dream series from the Renaissance physician Girolamo Cardano They also provide the best example of group supervision by Jung the educator Presented here in an inspired English translation commissioned by the Philemon Foundation these sessions reveal Jung as an impassioned teacher in dialogue with his students as he developed and refined the discipline of analytical psychology An invaluable document of perhaps the most important psychologist of the twentieth century at work this splendid book is the fullest representation of Jung s interpretations of dream literatures filling a critical gap in his collected works

Dreams and Dreaming in the Roman Empire Juliette Harrisson,2013-07-04 The history and literature of the Roman Empire is full of reports of dream prophecies dream ghosts and dream gods This volume offers a fresh approach to the study of ancient dreams by asking not what the ancients dreamed or how they experienced dreaming but why the Romans considered dreams to be important and worthy of recording Dream reports from historical and imaginative literature from the high point of the Roman Empire the first two centuries AD are analysed as objects of cultural memory records of events of cultural significance that contribute to the formation of a group s cultural identity The book also introduces the term cultural imagination as a tool for thinking about ancient myth and religion and avoiding the question of belief which arises mainly from creed based religions The book s conclusion compares dream reports in the Classical world with modern attitudes towards dreams and dreaming identifying distinctive features of both the world of the Romans and our own culture

Renaissance Dream Cultures Alessandro Arcangeli,2024-07-31 This volume explores the dream cultures of the European long sixteenth century with a focus on Italian sources reflections and debates on the nature and value of dreams and frameworks of interpretation The chapters examine a variety of oneiric experiences since distinctions such as that between dreams and visions are themselves culturally specific and variable Several developments of the period are relevant and consequently considered from the introduction of the printing press and the humanist rediscovery of ancient texts to the religious reforms and the cultural encounters at the time of the first globalisation At the centre of the narrative is the exceptional case of Girolamo Cardano heterodox physician mathematician astrologer autobiographer dreamer and key dream theorist of the epoch The Italian peninsula produced the first printed editions of many classical and medieval treatises and particularly between the 1560s and the 1610s was also especially active in the writing of texts both Latin and vernacular fascinated by the oneiric experience and investigating it Given the role of the visual in dreaming images are also analysed This book will be a recommended reading for scholars students and non specialist readers of cultural history Renaissance studies and dream cultures
