End-Time Prophecies Revelation Jimmy Poon, 2022-08-15 What happened in 2020 is just the beginning of a series of wakeup calls God is sending to mankind regarding the impending tribulations and judgments prophesied about in the Bible which will precede Jesus Christ's return to Jerusalem he mysteries of raptures and jubilee cycles the seventy sevens in Daniel 9 have been unsealed The final seven years of this age foretold in Daniel 9 will begin in 2025 when the Antichrist will sign a seven year covenant with Israel The fourth seal in Revelation 6 predicting massive death by war violence pestilence and famine involving a quarter of the earth is beginning to open This book will open your eyes to biblical prophecies to see what has been sealed up until now Following sound hermeneutic principles Dr Poon has decoded all the symbols and metaphors used in the books of Revelation and Daniel so that the events which will happen between now and 2032 have been written in plain language for all to understand Through a Jewish perspective he explains how Old Testament prophecies are fulfilled in Revelation even digging into the original text on certain key words This is a must read for our generation

The Kingdom of God Austin R. Dayal, 2018-11-20 After proclaiming that God's Kingdom had come near Jesus died on the cross This is hard to reconcile with what Jesus announced at the start of his ministry It can only be understood when we realize the relationship between the Kingdom of God and his death Jesus said flesh and blood can't inherit the Kingdom of God but only those who are born of the Spirit and for this reason Jesus had to die on the cross Jesus explained this to Nicodemus that only those who are born of the Holy Spirit can enter into the Kingdom of God He came into the world to make it happen because without the cross of Jesus there is no fulfillment of the Kingdom The proclamation of Jesus his works and his life have strong bearing on his mission Jesus proclaimed that the Kingdom of God had come near He healed the sick fed the hungry and gave hope to the poor He lived a very basic life with his disciples and had no earthly possessions This was the Kingdom that Jesus proclaimed It gave the power back to the people it gave them dignity and a life of joy and contentment It was about the wellbeing of the whole community and where the leaders served others Jesus explained the mysteries of his Kingdom through many parables which turned the whole concept of the kingdom on its head and only a few were able to understand it then as it is now It was a new and unique concept for the disciples to grasp but after his resurrection when he was with them for forty days Jesus explained everything to them as recorded in the book of Acts He instructed them to remain in Jerusalem till they were baptized by the Holy Spirit Their empowerment which is usually understood in terms of Peter's bold preaching of the gospel was in fact more than that It was to give them the courage to leave their earthly possessions and relationships and accept the other believers as their new family where God lived with them and looked after their daily needs spiritual as well as material This was a very

bold step for them to take It was more daring than standing up to preach before a large crowd on the day of the Pentecost The first church in Jerusalem became a place where God s Kingdom had come They rejoiced together as they shared everything and God did mighty works among them This would not have been possible if they hadn t left their own families and possession to join the new community of God s people The church lost the initial impetus that the early Christians had in the way they lived and preached the good news of the Kingdom especially during the post Constantine period when the church leaders were seduced by the wealth that came from the state treasury The way Jesus the apostles and the early Christians had lived was completely forgotten or overlooked The sixteenth century reformation tried to recover some of the important aspect the Christianity but it did not go far enough At present the church has become its own worst enemy Some churches are trying to destroy the very foundation of our salvation by denying the existence of historical Jesus In others the faith in Jesus has failed to translate into a living reality It judges the world harshly and does not reflect the values of God s Kingdom in its daily life We need to reaffirm the apostolic faith and the community life of the early church And become a community of God s redeemed people who follow the principles of his Kingdom This is the true life and witness of the church

Are We Living in the Time of the End? United Church of God, 2010-09-16 What does Bible prophecy tell us about the time of the end Are we living in the end time When will be the end of the world For thousands of years people have been fascinated with predictions of the end of the world If we look into the inspired writings of the biblical prophets and apostles we find many prophecies that refer to the time of the end Should we take them seriously Are world conditions such that these prophecies could be fulfilled in our day Jesus Christ Himself talked of a future time so horrendous that no human lives would be spared unless those days were shortened Matthew 24 22 Did He have our time in mind Many biblical warnings leave us in no doubt that increasingly cataclysmic events will occur before God's direct intervention in human affairs These terrifying prophecies will see their fulfillment at some future time The crucial question is when This eye opening Bible study aid booklet Are We Living in the Time of the End examines exactly what Jesus His apostles and the biblical prophets really said about the intriguing days they referred to as the time of the end You need this vital information Chapters in this ebook Are We Living in the Time of the End What Is the Time of the End A World in Perpetual Crisis Noah and Our Time A Sobering Parallel The End of the Age The Time of the End The End of What Biblical Terms for the Coming End of Man's Age Jesus Christ's Olivet Prophecy Where Are We Now Did Jesus Christ Foretell Devastating Storms This

Generation Will Not Pass The End Time in the Book of Revelation The Population Explosion and Prophecy God s Framework for End Time Prophecy Preparing for the End Time What Can You Do Inside this Bible Study Aid ebook But we should remember that Jesus made it clear that no one could know the exact time of His return Of that day and hour no one knows not even the angels of heaven but My Father only Matthew 24 36 Some think the subject of the end time in the Bible is mainly confined to the New Testament But beginning in Genesis the first book of the Bible the Scriptures look beyond our present evil age to the time of the establishing of God s Kingdom Old Testament scriptures have much to say about events that take place during the end of this age and the following world to come When Scripture mentions the time of the end or the end of the age it is referring to the coming end of the present evil age This age in reality the age of Satan will draw to an end replaced by the age of God s rule over and guidance of all of humanity Revelation is a book written to reveal the future and Jesus Christ is the One who does the revealing Here is the theme of Revelation the time of the end of the age and the return of Jesus Christ to establish God s Kingdom on earth How should we view prophecy Can it provide spiritual benefits The apostle Peter mentioned that prophecy should serve to strengthen our hope and faith in the future 2 Peter 1 19

Surveying for Settlers William Crosley,1922 *End-Time Prophecy* Børge Beck,2023-03-09 Along with a correct understanding of the Bible as the God breathed Word a correct interpretation is crucial Basically there are only two methods of interpretation 1 the non literal allegorical or spiritualizing method or 2 the literal so called grammatical historical method The latter if employed consistently gives the only correct understanding of what God originally intended to reveal about the salvation of mankind The first part of this book demonstrates the advantage of the literal interpretation over the allegorical or spiritualizing method which must be avoided at all costs unless the text demands a shift from a literal to a figurative interpretation of a word or phrase bearing in mind that figurative language still reveals literal truths The second part of the book applies the teaching of the first part to Biblical prophecy which must be interpreted in the exact same way as any other text in the Word of God If employed consistently the literal reading leads to Premillennialism Christ returns to earth before and in order to establish the Millennial Kingdom Pretribulationism the Church is raptured to heaven before the Tribulation and Dispensationalism God s dealings with man in seven consecutive dispensations or stewardships Besides 2 Thessalonians 2 3 is explained on the basis of the Greek text so as to be a conclusive defense of the pretribulation Rapture of the Church

An End-Time Church Manifesto Fred London,2013-03 Both the wine and the wineskin are equally critical to the Church in order to provide the corporate delivery system which will be required at the end of the age Therefore I would submit that the

Church of the 21st Century is in desperate need of a restoration to become the instrument which was is and will be required by God to accomplish His purposes in the last days Yes It is incumbent upon the Church to gain the necessary insight from the Scriptures in order to fulfill her prophetic calling to the Jew during the Time of Jacob s Trouble But that is the conceptual part of the whole counsel of God At some point the time comes when we are brought to the place where we should be compelled to say OK I get it Now brethren what must we do Indeed What must we do This little book attempts to address this all important question
