God Had Other Plans Cindy McPherson, 2015-05-06 I remember just sitting there so scared and so angry I wanted to scream at him for what he had just done to me but knew I couldn't for fear of what else he might do Successful Fortune 500 businesswoman and mentor Cindy McPherson hasn't always been the woman she is today Raised in an abusive and dysfunctional home as the youngest of 4 children she married right out of high school divorced and supported herself and her daughter as a single mom with just a high school education Later in life her own wrong choices threatened to destroy her family and career In God Had Other Plans Cindy shares 15 simple yet powerful truths she has learned that will motivate inspire and challenge those seeking to move beyond their past Every person who struggles with seeing the bright side in the midst of difficulties whether self induced or not will be challenged and encouraged to get back up and keep going Join Cindy as she shares her heart in God Had Other Plans How I Overcame My Past with the One Who Holds My Future Future Has Other Plans Jon Kohl, Steve McCool, 2016-12-01 Crisis has enveloped the more than 200 000 nationally and regionally protected natural and cultural heritage sites around the world Heritage managers those who manage natural sites such as national parks wilderness areas and biosphere reserves as well as those who manage cultural sites including historic monuments battlefields heritage cities and ancient rock art sites face an urgent need to confront this crisis and each day that they don't more of our planet's common heritage disappears Although heritage management and implementation suffer from a lack of money time personnel information and political will The Future Has Other Plans argues that deeper causes to current problems lurk in the discipline itself Drawing on decades of practical experience in global heritage management and case studies from around the world Jon Kohl and Steve McCool provide an innovative solution for conserving these valuable protected areas Merging interdisciplinary and evolving management paradigms the authors introduce a new kind of holistic planning approach that integrates the practice of heritage management and conservation with operational realities God Had Other Plans Heather D. Nelson, 2011-02 After years of trying for a baby Heather Nelson and her husband Kevin were still unable to have a child They tried multiple infertility treatments and endured countless medical procedures but still had no luck Finally with the crushing loss of Peanut they began to see that God was with them in their journey Although angry and emotional Heather learned that despite all of her careful plans God had Other Plans Heather's struggle induced not only an acute understanding of herself but a deeper appreciation of her husband their marriage his faith and overall the love and forgiveness that God had so freely given her but she had yet to accept Join Heather Nelson as she shares her personal struggle of fertility difficulties and pregnancy loss to help other couples who are also struggling to start a family Learn how to cope with the emotional and physical stress and how to depend on God's plans Laugh as she shares some sage advice for your friends and family too on the crucial Do's and Don'ts of infertility support Heather Nelson is a stay at home wife and mother She spends her free time volunteering at her church and scrapbooking her family's special moments Heather hails
