Liberating Sanctuary Jane Lamm Carroll,Joanne Cavallaro,Sharon Doherty,2011-12-01 One hundred years ago the Sisters of St Joseph of Carondelet founded a college designed to unite women s intellectual and spiritual development The College of St Catherine now St Catherine s University Is such an institution a women built and women led Catholic college an anachronism today How has a century of changes in the Catholic Church and women s roles affected St Catherine s Addressing these and other questions in a scholarly and engaging manner Liberating Sanctuary 100 Years of Women s

Education at the College of St Catherine challenges prevailing assumptions about the history of women's education. The essays in this book edited by Jane Lamm Carroll, Joanne Cavallaro and Sharon Doherty examine key figures, decisions and ideas over the College's 100 year history linking the story through a central theme: the paradox of institutional goals that seek both to liberate and constrain women. Since its founding, St Catherine's has promoted women's leadership and autonomy sometimes by design, sometimes by accident, sometimes despite stated aims. Already Doing It Michael Gill, 2015-03-27

Why is the sexuality of people with intellectual disabilities often deemed risky or inappropriate by teachers, parents, support staff, medical professionals, judges and the media? Should sexual citizenship depend on IQ? Confronting such questions head on, Already Doing It exposes the sexual ableism that denies the reality of individuals who, despite the restrictions they face, actively make decisions about their sexual lives. Tracing the history of efforts in the United States to limit the sexual freedoms of such persons using methods such as forced sterilization, invasive birth control and gender segregated living arrangements, Michael Gill demonstrates that these widespread practices stemmed from dominant views of disabled sexuality, not least the notion that intellectually disabled women are excessively sexual and fertile while their male counterparts are sexually predatory. Analyzing legal discourses, sex education materials and news stories going back to the 1970s, he shows, for example, that the intense focus on stranger danger in sex education for intellectually disabled individuals disregards their ability to independently choose activities and sexual partners, including nonheterosexual ones who are frequently treated with heightened suspicion. He also examines ethical issues surrounding masturbation training that aims to regulate individuals' sexual lives, challenges the perception that those whose sexuality is controlled or rejected should not reproduce and proposes recognition of the right to become parents for adults with intellectual disabilities. A powerfully argued call for sexual and reproductive justice for people with intellectual disabilities, Already Doing It urges a shift away from the compulsion to manage deviance, better known today as harm reduction, because the right to pleasure and intellectual disability are not mutually exclusive. In so doing, it represents a vital new contribution to the ongoing debate over who in the United States should be allowed to have sex, reproduce, marry and raise children. The Decisions of the Court of Session Scotland. Court of Session, William Maxwell Morison, 1804. The Victorian Law Reports Victoria. Supreme Court, 1906. *An Autobiography. The Story of the Lord's Dealings With Mrs. Amanda Smith: The Colored Evangelist; Containing an Account of Her Life, Work of Faith, and Her Travels in America, England, Ireland, Scotland, India, and Africa, as an Independent Missionary* Amanda Smith, Bishop Thoburn, 2017-11-23

For a number of years many of my friends have said to me, "You ought to write out an account of your life and let it be known how God has led you out into His work." Some time before that wonderful man of God, John S. Inskip, passed away, he said, "Amanda, you ought to write and he kindly offered to assist me in getting the items together. Many other friends in America have said the same and I have replied, 'I could not do it for I don't know how to go about it and so would not entertain the thought.' Time passed on and after I was in England a while the

friends there began to say the same thing and as an inducement to commence told me that it might be done much cheaper there than in America A Classic Collection on Prayer (eBook) ,2013-10-15 A CLASSIC COLLECTION ON PRAYER is a compilation of three of the finest titles on prayer ever published It intends to familiarize Christians with the source of power available to them through prayer THE KNEELING CHRISTIAN is a classic book on prayer that answers the most basic questions Christians have about prayer How shall I pray What is prayer and Does God always answer prayer In A SHORT METHOD OF PRAYER Madame Guyon teaches this simple truth Pray from your heart and not your head She also shares the great difference between praying to God and experiencing God through prayer HOW TO PRAY by R A Torrey covers a number of prayer topics such as prayer and obedience praying in the Spirit praying according to God s will prayer with thanksgiving when to pray prayer and revival and much more These powerful titles have stood the test of time all the while pointing the way toward communion with God as well as the life changing benefits that spring from it Out of the Shuffle Sabrina Irene Found,2014-10-03 I wrote this book to try to help someone who has gone or is going through a similar situation You have to get help It will work out It may be hard at times but the pain is worth the outcome I have been sober for fourteen years Im making many breakthroughs I must take things one day at a time **Agree to Agree** Peter W. Smith,Johannes Mursell,Katharina Hartmann,2020-02-17 Agreement is a pervasive phenomenon across natural languages Depending on one s definition of what constitutes agreement it is either found in virtually every natural language that we know of or it is at least found in a great many Either way it seems to be a core part of the system that underpins our syntactic knowledge Since the introduction of the operation of Agree in Chomsky 2000 agreement phenomena and the mechanism that underlies agreement have garnered a lot of attention in the Minimalist literature and have received different theoretical treatments at different stages Since then many different phenomena involving dependencies between elements in syntax including movement or not have been accounted for using Agree The mechanism of Agree thus provides a powerful tool to model dependencies between syntactic elements far beyond feature agreement The articles collected in this volume further explore these topics and contribute to the ongoing debates surrounding agreement The authors gathered in this book are internationally reknown experts in the field of Agreement
