Otherwise Engaged And Other Plays Methuen Modern Plays:

Otherwise Engaged Grand Theatre Collection (University of Guelph), Donald Davis, Simon Gray, Theatre London, du Maurier Council for the Performing Arts, 1979 *Six Contemporary Dramatists* Duncan Wu, 1996-12-18 A most illuminating study John Bayley *Six Contemporary Dramatists* explores in a straightforward manner the central concerns of six of the most important contemporary dramatists It demonstrates how the work of Alan Bennett Dennis Potter Simon Gray Howard Brenton David Hare and Alan Ayckbourn is essentially moral and relates their aspirations to the British romantic tradition of the last century At the same time Duncan Wu explores how each writer has responded to the changes that took place in personal and public ethics during the 1980s as a result of Thatcherism He also includes an interview with Alan Ayckbourn published here for the first time in which the volume's themes are focused and summarised For the paperback edition a substantial preface discussing Tom Stoppard's *Arcadia* David Hare's *Skylight* and David Edgar's *Pentecost* has been added This is an essential and readable guide to televised and theatrical drama for students and theatregoers alike *Modern Dramatists* Kimball King, 2013-04-03 This comprehensive collection gathers critical essays on the major works of the foremost American and British playwrights of the 20th century written by leading figures in drama performance studies *The Drama Scholars' Index to Plays and Filmscripts* Gordon Samples, 1974 The book can be a goldmine James Leverett Theatre Communications **Plays and Players**, 1987 **Contemporary Dramatists**, 1993 **Stage Right** John Bull, 1994-05-24 *Stage Right* is a refreshingly abrasive account of the state of British theatre since 1979 offering an account of the development of a new mainstream formed in conscious opposition to the work of the politically committed dramatists of the 70s and an analysis of the plays of the most successful playwrights of the new mainstream Nichols Gray Frayn Bennett Ayckbourn and Stoppard **English Corpus Linguistics** Karin Aijmer, Bengt Altenberg, 2014-01-14 This collection of articles form a tribute to Jan Svartvik and his pioneering work in the field Covers corpus studies problematic grammar institution based and observation based grammars and the design and development of spoken and written text corpora in different varieties of English Pinter's Comic Play Elin Diamond, 1985 Examines the basis of Harold Pinter's tense comedy and how it functions in his plays as well as covering the major drama from *The Room* to *Other Places* Diamond argues that the metaphysical fear and emptiness so characteristic of the Pinter situation are inseparable from his use and abuse of literary and popular comic traditions The Methuen Drama Dictionary of the Theatre Jonathan Law, 2013-12-16 The *Methuen Drama Dictionary of the Theatre* is an essential reference tool and companion for anyone interested in the theatre and theatre going Containing over 2500 entries it covers the international spectrum of theatre with particular emphasis on the UK and USA With biographical information on playwrights actors and directors entries on theatres and theatre companies explanation of technical terms and theatrical genres and synopses of major plays this is an authoritative trustworthy and comprehensive compendium Included are synopses of 500 major plays biographical entries on hundreds of

playwrights actors directors and producers definitions of nearly 200 genres and movements entries on over 100 key characters from plays information about more than 250 theatres and companies Unlike similar products The Methuen Drama Dictionary of the Theatre avoids a dry technical approach with its sprinkling of anecdotal asides and fascinating trivia such as how Michael Gambon gave his name to a corner of a racing track following an incident on BBC's Top Gear programme and under advice to actors the sage words of Alec Guinness First wipe your nose and check your flies and the equally wise guidance from the master of his art Noël Coward Just know your lines and don't bump into the furniture As a companion to everything from the main stage to the fringes of theatrical fact and folklore this will prove an irresistible book to all fans of the theatre
