Blazer, 2007 *I Am Otherwise* The Romance between Poetry and Theory after the Death of the Subject examines the contemporary poet's relationship with language in the age of theory As the book works through close readings and interpretations of Adrienne Rich and Harold Bloom John Ashbery and Paul de Man Jorie Graham and Maurice Blanchot and Barrett Watten and Jacques Lacan it shows how the main psychological modes of contemporary poetry and the postmodern poet are anxiety irony abjection and destitution The book ultimately concludes that the new theoretical poetry self consciously renders the effect of critical theory in its own construction Whereas poets of the past tarried with nature self or philosophy poets of our time unite lyric feeling with literary theory itself **A Study Guide for Jane Kenyon's "Having it out with Melancholy"** Gale, Cengage Learning, 2016 A Study Guide for Jane Kenyon's *Having it out with Melancholy* excerpted from Gale's acclaimed *Poetry for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Poetry for Students* for all of your research needs *Heresy and the Ideal* David Baker, 2000-04-02 *Heresy and the Ideal* is a powerful collection of essays and essay reviews which David Baker wrote and published throughout the 1990s He thoroughly discusses the work of more than fifty contemporary poets including T R Hummer Miller Williams Albert Goldbarth Jane Kenyon Galway Kinnell Charles Simic Ted Kooser David Wojahn Alice Fulton Louise Glück and Charles Wright He takes as his models some of the great critical books of the past three decades especially Richard Howard's masterpiece *Alone with*

America and Helen Vendler's *Part of Nature Part of Us* as well as other works by Laurence Lieberman Majorie Perloff Carol Muske and Mary Kinzie *At its center Heresy and the Ideal* is based on Baker's sense of Romantic poetics especially on how contemporary poets have applied altered or rejected certain Romantic principles He uses the Romantic trope to measure the tension between passion and reason and between the problems of literary transcendence and the obligations of social engagement The result is a welcome variety of enlightening practical criticism devoid of exclusionary jargon and based on persistent attention to an individual poem or book of poems Utilizing the essay review Baker considers each poet's purposes and achievements He blends the strategies of explanation analysis and evaluation clarifying each poet's work instead of complaining or condemning *Heresy and the Ideal* addresses a wide and diverse range of contemporary poetry and should take a deserved place both as a critical introduction to the work of many important poets and as a work that documents and explores the shape of poetry at the end of the millennium

Ellis,2019-03-05 A beautifully written and elegantly wise book that takes us inside the world of centenarians and invites us to learn from them firsthand the art of living well for an exceptionally long period of time Neenah Ellis always wanted to live to 100 and her fascination led her to interview centenarians from all over the US about what life was like at the very beginning of the century and how things have changed over time Ellis a producer for National Public Radio spent an unforgettable year traveling with her tape recorder and listening to the stories of America s oldest men and women She met a couple who courted by horse and sleigh in Vermont during the winter of 1918 and she spent a week with the oldest living black lesbian in America She visited a nationally known expert on dyslexia who published a book at 96 and whose great great grandfather was a colonel in Washington s army and she met Anna Wilmot the row boating centenarian from New England who captured the hearts of thousands of NPR listeners with her confession that she swims in the buff only when it s foggy and there s no fisherman around Originally conceived as an American history project Ellis s year of interviews became much more a personal journey of growth and transformation After two decades of acting as the reporter and inquisitor Ellis finally shifted gears and was able in the process of these conversations to start really listening Once she had put away the exigencies of her cusp of the millennium life her deadlines the intense focus on current events the endless e mail and ringing phones she began to learn the kinds of things that we do from much older people She started to connect in her conversations with them and to see the virtue of looking forward as the centenarians did not backward They reminded her that the moment this very moment that we re in right now is precious and fine And that the true richness of life is to be found in each other in our marriages and friendships in the intellectual life that we share with each other and in the ways that we become connected Their stories add up to a course in living well with lessons and inspiration for all of us      *The Undertaking: Life Studies from the Dismal Trade* Thomas Lynch,2010-03-01 A National Book Award Finalist One of the most life affirming books I have read

in a long time brims with humanity irreverence and invigorating candor Tom Vanderbilt Every year I bury a couple hundred of my townspeople So opens this singular and wise testimony Like all poets inspired by death Thomas Lynch is unlike others also hired to bury the dead or to cremate them and to tend to their families in a small Michigan town where he serves as the funeral director In the conduct of these duties he has kept his eyes open his ear tuned to the indispensable vernaculars of love and grief In these twelve pieces his is the voice of both witness and functionary Here Lynch poet to the dying names the hurts and whispers the condolences and shapes the questions posed by this familiar mystery So here is homage to parents who have died and to children who shouldn t have Here are golfers tripping over grave markers gourmands and hypochondriacs lovers and suicides These are the lessons for life our mortality teaches us      **The Last Gift of Time**

Carolyn G. Heilbrun,2011-07-20 From the author of *Writing a Woman s Life* comes an inspirational reflection on aging and the gift of life in your 70s and beyond When she was young distinguished author and critic Carolyn Heilbrun solemnly vowed to end her life when she turned seventy But on the advent of that fateful birthday she realized that her golden years had been

full of unforeseen pleasures Now the astute and ever insightful Heilbrun muses on the emotional and intellectual insights that brought her to choose each day for now to live There are reflections on her new house and her sturdy comfortable marriage sweet solitude and the pleasures of sex at an advanced age the fascination with e mail and the joy of discovering unexpected friends Even the encroachments of loss pain and sadness that come with age cannot spoil Heilbrun s moveable feast They are merely the price of bountiful living      *The Wounded Body* Dennis Patrick Slattery, 2000-01-01 Explores the wounded body in literature from Homer to Toni Morrison examining how it functions archetypally as both a cultural metaphor and a poetic image
