*Ou-Yang Hsiu, an Eleventh-century Neo-Confucianist* James T. C. Liu, 1967      *The Literary Works of Ou-yang Hsui* (1007-72) Ronald C. Egan, 2009-01-09 The book is a literary study of one of the greatest of Chinese writers Ou yang Hsiu He was a major writer in each of several genres prose poetry rhapsodies and tz u songs The striking diversity of his work presents an opportunity to investigate how one man s literary talent is manifested in different genres Ou yang Hsiu s achievements in each genre are examined and set in the context of his age Topics include the broad shift between T ang and Sung dynasty prose styles that Ou yang Hsiu helped to effect his contributions to the new poetic values of the Northern Sung and his place in the evolution of Sung dynasty songs together with a reconsideration of a group of supposedly spurious songs An appendix provides additional translations of Ou yang Hsiu s prose      *Love and Time* Xiu Ouyang, 1989      **The Tz'u Poetry of Ou-yang Hsiu** Patricia Ann Wetzel, 1977      *The "Tz'u" of Ou-Yang Hsiu* Ruth W. Adler, 1969      **The Illustrated Encyclopedia of Confucianism: N-Z** Rodney Leon Taylor, Howard Yuen Fung Choy, 2005 Covers topics related to the understanding of Chinese Confucianism Includes entries in the following categories arts architecture and iconography astrology cosmology and mythology biographical entries ceremonies practices and rituals concepts dynasties official titles and rulers geography and historical events groups and schools literature language and symbols and texts      **The Art of the Personal Essay** Phillip Lopate, 1997-01-15 For more than four hundred years the personal essay has been one of the richest and most vibrant of all literary forms Distinguished from the detached formal essay by its friendly conversational tone its loose structure and its drive toward candor and self disclosure the personal essay seizes on the minutiae of daily life vanities fashions foibles oddballs seasonal rituals love and disappointment the pleasures of solitude reading taking a walk to offer insight into the human condition and the great social and political issues of the day The Art of the Personal Essay is the first anthology to celebrate this fertile genre By presenting more than seventy five personal essays including influential forerunners from ancient Greece Rome and the Far East masterpieces from the dawn of the personal essay in the sixteenth century and a wealth of the finest personal essays from the last four centuries editor Phillip Lopate himself an acclaimed essayist displays the tradition of the personal essay in all its historical grandeur depth and diversity      **The Early Life of Ou-yang Hsiu and His Relation to the Rise of the Ku-wen Movement of the Sung Dynasty** Marjorie Abbott Locke, 1951 The purpose of this thesis is twofold to provide a preliminary study for a complete biography of the Sung writer and official Ou yang Hsiu a subject which has so far been neglected by Chinese and European scholars alike and to investigate his relation to the establishment of Han Yu as China s greatest prose writer and the development of the ku wen movement again a matter which has been for the most part neglected and where considered at all presented in a very false perspective This thesis is accordingly divided into two sections 1 Biographical This contains details of the Ou yang clan and of Hsiu s family in particular the circumstances of his childhood youth and early career up to and including his thirtieth year

when he was dismissed from the capital to spend a period of exile in the provinces The general historical and administrative background details of the incident which led to his dismissal and biographical details of his contemporaries are included only in so far as they affect Hsiu himself 2 Literary The beginning of Hsiu's official career raises the question of his position in the field of literature which is reviewed in this section A brief survey is given of the nature and development of the ku wen movement up to the beginning of the Sung dynasty Technical matter has been omitted as this is to be the subject of a separate article now in the course of preparation This is followed by a consideration of the Sung ku wen writers prior to Ou yang Hsiu Thereafter the position of Ou yang Hsiu is considered in relation to this background Both the biographical and the literary sections extend to the year 1036 at which point the first period of Hsiu's career is brought to a close by his banishment A thesis which covers as this does an extensive and neglected field inevitably raises many problems which fall outside its scope Some of these are set out briefly in a final chapter with suggestions of the lines along which further research into them might be pursued The Dramatic Oeuvre of Chu Yu-Tun (1379-1439) Wilt Idema, 2021-09-13

Mair, 2010-02-22 Comprehensive yet portable this account of the development of Chinese literature from the very beginning up to the present brings the riches of this august literary tradition into focus for the general reader Organized chronologically with thematic chapters interspersed the fifty-five original chapters by leading specialists cover all genres and periods of poetry prose fiction and drama with a special focus on such subjects as popular culture the impact of religion upon literature the role of women and relationships with non Sinitic languages and peoples **Neo-Confucian Education** Wm. Theodore de Bary, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1989 *The Recluse of Loyang* Don J. Wyatt, 1996-01-01 Few thinkers have stood as squarely at both the center and the periphery of an intellectual movement as has Shao Yung 1011-1077 Ethical model and eccentric socialite and eremite Shao Yung is perhaps not only the greatest enigma of early Neo Confucianism but also one of its undisputed giants In this impressive life and thought study Don J Wyatt painstakingly sifts through all available evidence relating to Shao Yung and his scholarship to provide a portrait that fully exposes the moral center of the man and his work Drawing on the abundant store of letters and accounts by Shao's contemporaries and his own much neglected poetry Wyatt has assembled a study that intimately relates Shao's life to his thought He challenges the assumptions of previous Western scholarship by persuasively

arguing against the acceptance of works traditionally ascribed to Shao specifically the Kuan wu wai p ien Outer Chapters on Observing Things the Yu ch iao wen ta Fisherman and Woodcutter Dialogue and the cryptic quasi autobiographical essay Wu ming kung chuan Biography of the Nameless Lord Shao is presented as an independent thinker whose philosophical lexicon functioned according to a profound interdependence that was unique among the systems of his peers His metaphysical concepts which appear impervious to and beyond the scope of human influence namely his ching shih world ordering kuan wu observing things and I Ching derived hsien t ien before Heaven methodologies are essentially the products of a morally reflective life Wyatt s discoveries therefore refute the common assertion of Shao Yung s moral indifference Moreover by meticulously integrating the progress of this Neo Confucian s thought into the course of his life the author has produced one of the most textured and accessible works on a philosopher of the Sung era BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
