**A History of Irish Autobiography** Liam Harte, 2018-03-01 A History of Irish Autobiography is the first ever critical survey of autobiographical self representation in Ireland from its recoverable beginnings to the twenty first century The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the English and Irish languages Beginning with a comprehensive overview of autobiography theory and criticism in Ireland the History guides the reader through seventeen centuries of Irish achievement in autobiography a category that incorporates diverse literary forms from religious tracts and travelogues to letters diaries and online journals This ambitious book is rich in insight Chapters are structured around key subgenres themes texts and practitioners each featuring a guide to recommended further reading The volume s extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era the first of its kind to be published *Modern Irish*

*Autobiography* L. Harte, 2007-04-12 Modern Irish Autobiography provides the first comprehensive critical analysis of the Irish autobiographical tradition from the early nineteenth century to the present day This pioneering collection offers readers a stimulating and provocative introduction to the principal themes modes and narrative strategies of Irish autobiographers

**Jack Lynch, A Biography** Dermot Keogh, 2009-09-04 Jack Lynch is one of the most important and perhaps most underrated Irish political leaders of the twentieth century A sportsman who won six All Ireland medals in a row with Cork he was also a civil servant and a barrister before being elected to D il ireann in 1948 During his thirty one years as a parliamentarian he held the ministries of Education Industry and Commerce and Finance before succeeding Se n Lemass as Taoiseach in 1966 Lynch held office during the critical years of the late 1960s and early 1970s when Northern Ireland disintegrated and civil unrest swept through Belfast Derry and other towns This precipitated one of the worst crises in the history of the Irish state Jack Lynch upheld the parliamentary democratic tradition at great personal and political cost even to the point of fracturing the unity of his government and his party If you want to know what happened during those terrible years read this book [The Midnight Court / Cúirt an Mheán Oíche](#) Brian Merriman, 2011-10-18 Banned and beloved in

equal measure The Midnight Court is a canonical eighteenth century text widely considered to be one of the greatest comic Irish poems Despite its simple storyline Merriman s poem addresses a wide range of themes from its satirical treatment of sexuality to its biting social commentary This volume the first critical edition offers readers a fluid translation and five essays that contextualize the poem making it an ideal text for any student of the poem and eighteenth century Irish literature

**Migration and the Making of Ireland** Bryan Fanning, 2021-11-02 Ireland has been shaped by centuries of emigration as millions escaped poverty famine religious persecution and war But what happens when we reconsider this well worn history by exploring the ways Ireland has also been shaped by immigration From slave markets in Viking Dublin to social media use by modern asylum seekers Migration and the Making of Ireland identifies the political religious and cultural

factors that have influenced immigration to Ireland over the span of four centuries A senior scholar of migration and social policy Bryan Fanning offers a rich understanding of the lived experiences of immigrants Using firsthand accounts of those who navigate citizenship entitlements gender rights and religious and cultural differences in Ireland Fanning reveals a key yet understudied aspect of Irish history Engaging and eloquent *Migration and the Making of Ireland* provides long overdue consideration to those who made new lives in Ireland even as they made Ireland new *Irish Questions and Jewish Questions* Aidan Beatty, Dan O'Brien, 2018-08-01 The Irish and the Jews are two of the classic outliers of modern Europe Both struggled with their lack of formal political sovereignty in the nineteenth century Simultaneously European and not European both endured a bifurcated status perceived as racially inferior and yet also seen as a natural part of the European landscape Both sought to deal with their subaltern status through nationalism both had a tangled ambiguous and sometimes violent relationship with Britain and the British Empire and both sought to revive ancient languages as part of their drive to create a new identity The career of Irish politician Robert Briscoe and the travails of Leopold Bloom are just two examples of the delicate balancing of Irish and Jewish identities in the first half of the twentieth century *Irish Questions and Jewish Questions* explores these shared histories covering several centuries of the Jewish experience in Ireland as well as events in Israel Palestine and North America The authors examine the leading figures of both national movements to reveal how each had an active interest in the successes and failures of the other Bringing together leading and emerging scholars from the fields of Irish studies and Jewish studies this volume captures the most recent scholarship on their comparative history with nuance and remarkable insight *A Short History of Ireland's Writers* Prof. A. Norman Jeffares, 2014-09-01 An introduction to all the leading Irish writers and some of the lesser known playwrights novelists short story writers poets placing them in context and providing a list of their works Commentaries give brief but telling insights into their work The story of Irish writing is followed beginning with Swift and working through playwrights Synge and O Casey to Beckett and Friel from nineteenth century poetry through Yeats to Seamus Heaney and Paul Durcan in novels from Maria Edgeworth through Joyce Elizabeth Bowen Kate O'Brien Flann O'Brien to contemporaries Julia O Faolain Roddy Doyle and Anne Enright *Irish Periodical Culture, 1937-1972* M. Ballin, 2016-04-30 This book examines periodical production in the context of post revolutionary Ireland employing the unique lens of genre theory in detailed comparisons between Irish English Welsh and Scottish magazines **Jewish Ireland in the Age of Joyce** Cormac Ó Gráda, 2016-06-28 James Joyce's Leopold Bloom the atheistic Everyman of Ulysses son of a Hungarian Jewish father and an Irish Protestant mother may have turned the world's literary eyes on Dublin but those who look to him for history should think again He could hardly have been a product of the city's bona fide Jewish community where intermarriage with outsiders was rare and piety was pronounced In *Jewish Ireland in the Age of Joyce* a leading economic historian tells the real story of how Jewish Ireland and Dublin's Little Jerusalem in particular made ends meet from the 1870s when the first Lithuanian Jewish immigrants landed in Dublin to the late 1940s just before

the community began its dramatic decline In 1866 the year Bloom was born Dublin's Jewish population hardly existed and on the eve of World War I it numbered barely three thousand But this small group of people quickly found an economic niche in an era of depression and developed a surprisingly vibrant web of institutions In a richly detailed elegantly written blend of historical economic and demographic analysis Cormac Gr da examines the challenges this community faced He asks how its patterns of child rearing schooling and cultural and religious behavior influenced its marital fertility and infant mortality rates He argues that the community's small size shaped its occupational profile and influenced its acculturation it also compromised its viability in the long run Jewish Ireland in the Age of Joyce presents a fascinating portrait of a group of people in an unlikely location who though small in number comprised Ireland's most resilient immigrant community until the Celtic Tiger's immigration surge of the 1990s The Jewish Year Book 2002 Stephen W. Massil,2002 The Jewish Year Book 2002 provides an impressive and up to date record of the organisations people and events in the contemporary Jewish world

The Irish Literary Periodical, 1923-1958 Frank Shovlin,2003 Table of contents **Dublin Nazi No. 1** Gerry Mullins,2013-04-15 In the 1930s Dr Adolf Mahr was head of the National Museum of Ireland where he earned the title the father of Irish archaeology He was also the head of the Nazi Party in Ireland and was dubbed Dublin Nazi No 1 Under pressure from Irish and British military intelligence he left for Germany shortly before the outbreak of war in 1939 never to return To this day he is considered in some circles to have been a spy who used his position at the museum to help prepare Germany's invasion plan of Ireland During the war he became director of Irland Redaktion the German propaganda radio service that broadcast into neutral Ireland He was later arrested and tortured by the British and upon his release tried to return to Ireland but to no avail He remains one of the most controversial figures in twentieth century Irish history
