The Witch's Book of Simples Melusine Draco, 2022-03-25 Keep it Simple A Simple is a philtre derived from a single herb and was an important element among the natural resources of the parish pump witch wise women and cunning folk Simples are common kitchen stuff that have been handed down through generations of country people in the form of family cures for everyday ailments Or as William Fernie wrote in his Herbal Simples 1897 The art of Simpling is as old with us as our British hills It aims at curing common ailments with simple remedies culled from the soil or got from home resources near at hand These were no fancy recipes with magical formulae and often given as a tisane the woman of the household was able to use the remedies to treat common ailments suffered by her family And this elementary form of domestic plant medicine can be as simple as a cup of chamomile tea made from flowers picked fresh from our own garden to aid sleep This was the most elementary way to use medicinal plants since no fancy recipes or scientific acumen was needed But this element of traditional witchcraft has long been in the shadows

Folk Jacob McArthur Mooney, 2013-11-26 The two sections in Jacob McArthur Mooney's virtuoso collection one rural in orientation one urban open an intricate conversation Taking as its inciting incident the 1998 crash of Swissair Flight 111 off the coast of Nova Scotia before moving to the neighbourhoods around Toronto's Pearson International Airport Folk is an elaborately composed inquiry into the human need for frames edges borders and a passionate probe of contemporary challenges to identity whether of individual neighbourhood city or nation Mooney examines the fraught desire to align where we live with who we are and asks how we can be at home on the compromised earth This is poetry that poses crucial questions and refuses easy answers as it builds a shimmering verbal structure that ventures beyond ownership or thought Mooney's distinctive voice is seriously unsettling deeply appealing and answerable to our difficult times
