Publishing Record ,2005 **Advent of the Heart** Alfred Delp,2010-06-07 Fr Alfred Delp S J was a heroic German Jesuit priest who was imprisoned and martyred by the Nazis in a Nazi death camp in 1945 At the time of his arrest he was the Rector of St Georg Church in Munich and had a reputation for being a gripping dynamic preacher and one who was an outspoken critic of the Nazi regime He was an important figure in the Resistance movement against Nazism Accused of conspiring against the Nazi government he was arrested in 1944 tortured imprisoned and executed on Feb 2 1945 While in prison Fr Delp was able to write a few meditations found in this book which also includes his powerful reflections from prison during the Advent season about the profound spiritual meaning and lessons of Advent as well as his sermons he gave on the season of Advent at his parish in Munich These meditations were smuggled out of Berlin and read by friends and parishioners of St Georg in Munich His approach to Advent the season that prepares us for Christmas is what Fr Delp called an Advent of the heart More than just preparing us for Christmas it is a spiritual program a way of life He proclaimed that our personal social and historical circumstances even suffering offer us entry into the true Advent our personal journey toward a meeting and dialogue with God Indeed his own life and great sufferings illustrated the true Advent he preached and wrote about From his very prison cell he presented a timeless spiritual message and in an extreme situation his deep faith gave him the courage

to draw closer to God and to witness to the truth even at the cost of his own life These meditations will challenge and inspire all Christians to embark upon that same spiritual journey toward union with God a journey that will transform our lives As one of the last witnesses who knew Fr Alfred Delp personally I am very pleased this book will make him better known in America The more one reads his writings the more one clearly recognizes the prophetic message for our times Like his contemporary Dietrich Bonhoeffer Delp ranks among the great prophets who endured the horror of Nazism and handed down a powerful message for our times Karl Kreuser S J from the Foreword
