INTRODUCTION BY ANDREA J. RITCHIE

REVISED AND UPDATED REVISED AND UPDATED REV

Our Enemies In Blue

Howard Thomas

Our Enemies In Blue:

Our Enemies in Blue Kristian Williams, 2015-08-03 Let's begin with the basics violence is an inherent part of policing The police represent the most direct means by which the state imposes its will on the citizenry They are armed trained and authorized to use force Like the possibility of arrest the threat of violence is implicit in every police encounter Violence as well as the law is what they represent Using media reports alone the Cato Institute's last annual study listed nearly seven thousand victims of police misconduct in the United States But such stories of police brutality only scratch the surface of a national epidemic Every year tens of thousands are framed blackmailed beaten sexually assaulted or killed by cops Hundreds of millions of dollars are spent on civil judgments and settlements annually Individual lives families and communities are destroyed In this extensively revised and updated edition of his seminal study of policing in the United States Kristian Williams shows that police brutality isn't an anomaly but is built into the very meaning of law enforcement in the United States From antebellum slave patrols to today's unarmed youth being gunned down in the streets peace keepers have always used force to shape behavior repress dissent and defend the powerful **Our Enemies in Blue** is a well researched page turner that both makes historical sense of this legalized social pathology and maps out possible alternatives

A World Without Police Geo Maher, 2021-08-24 If police are the problem what's the solution Tens of millions of people poured onto the streets for Black Lives Matter bringing with them a wholly new idea of public safety common security and the delivery of justice communicating that vision in the fiery vernacular of riot rebellion and protest **A World Without Police** transcribes these new ideas written in slogans and chants over occupied bridges and hastily assembled barricades into a compelling must read manifesto for police abolition Compellingly argued and lyrically charged **A World Without Police** offers concrete strategies for confronting and breaking police power as a first step toward building community alternatives that make the police obsolete Surveying the post protest landscape in Minneapolis Philadelphia Chicago and Oakland as well as the people who have experimented with policing alternatives at a mass scale in Latin America Maher details the institutions we can count on to deliver security without the disorganizing interventions of cops neighborhood response networks community based restorative justice practices democratically organized self defense projects and well resourced social services **A World Without Police** argues that abolition is not a distant dream or an unreachable horizon but an attainable reality In communities around the world we are beginning to glimpse a real lasting justice in which we keep us safe

In Defense of Looting Vicky Osterweil, 2020-08-25 A fresh argument for rioting and looting as our most powerful tools for dismantling white supremacy Looting a crowd of people publicly openly and directly seizing goods is one of the more extreme actions that can take place in the midst of social unrest Even self identified radicals distance themselves from looters fearing that violent tactics reflect badly on the broader movement But Vicky Osterweil argues that stealing goods and destroying property are direct pragmatic strategies of wealth redistribution and improving life for the working class not to mention the brazen

messages these methods send to the police and the state All our beliefs about the innate righteousness of property and ownership Osterweil explains are built on the history of anti Black anti Indigenous oppression From slave revolts to labor strikes to the modern day movements for climate change Black lives and police abolition Osterweil makes a convincing case for rioting and looting as weapons that bludgeon the status quo while uplifting the poor and marginalized In Defense of Looting is a history of violent protest sparking social change a compelling reframing of revolutionary activism and a practical vision for a dramatically restructured society White Property, Black Trespass Andrew Krinks,2024-08-20 Uncovers the inherently religious structure of the criminalization of Black Indigenous and dispossessed peoples Most popular critical accounts of mass criminalization interpret police and prisons as purely social or political phenomena While such accounts have been indispensable in moving millions into collective action and resistance the carceral state remains as pervasive as ever White Property Black Trespass argues that understanding why we have police and prisons and building a world of safety and abundance beyond them requires that we acknowledge the inherently religious function that criminalization fulfills for a colonial and racial capitalist order that puts its faith in cops and cages to save it from the existential threat of disorder that its own structural violence creates The story of criminalization Krinks shows begins with the eurochristian aspiration to become God at the expense of all others an aspiration that gives rise to the pseudo sacred powers of whiteness and property and by extension the police power that exists to serve and protect them Tracing the historical continuity and religiosity of the color line the property line and the thin blue line Krinks reveals police power as the pseudo divine power to exile nonwhite and dispossessed trespassers to carceral hell At once incisive and expansive this groundbreaking work deepens understanding of racial capitalism and mass criminalization by illuminating the religious mythologies that animate them It concludes with thoughts on what might be entailed in a religion rooted in rejection of the religious idolatry of mass criminalization a religion of abolition *Gang Politics* Kristian Williams,2022-06-28 In three taut essays Kristian Williams examines our society s understanding of social and political violence what gets romanticized misunderstood or muddled He explores the complex intersections between gangs of all sorts cops and criminals Proud Boys and antifa Panthers and skinheads arguing that government and criminality are intimately related often sharing critical features As society becomes more polarized and the conviction that things are only going to get worse and more violent grows William s analysis is a crucial corrective to our simple unquestioned ideas about the role violence might or should play in our social struggles

Four Brothers in Blue, Or, Sunshine and Shadows of the War of the Rebellion Robert Goldthwaite Carter,1999 These letters collected and transcribed by Captain Robert Goldthwaite Carter in the 1870s are among the finest primary sources on the daily life of the Union soldier in the Civil War Robert and his three brothers all saw action with the Army of the Potomac under its various commanders Generals McClellan Burnside Hooker Meade and Grant At times in pairs but often in neighboring units they fought on the battlefields of Bull Run Antietam Fredericksburg Chancellorsville Gettysburg the

Wilderness and Petersburg **Maven in Blue Jeans** Steven L. Jacobs,2009 This collection of academic essays have been written in tribute to Professor Zev Garber and are divided to reflect the areas in which Professor Garber has devoted his teaching and writing energies the Holocaust Jewish Christian relations philosophy and theology history and biblical interpretation **International Journal of Religious Education** ,1939 **A Boy in Blue 1862~1865 (Expanded, Annotated)** Henry Murray Calvert,2016-11-21 Henry Calvert s warmly funny and heartbreaking memoir of his time in the American Civil War is sometimes a typical soldier story but more often a highly entertaining tale He interwove his experiences in the army with his pursuit of the love of his life who was already promised to another soldier He and his best friend enlisted in Scott s 900 Regiment of Cavalry For a time they were bodyguards to Abraham Lincoln and Calvert s stories of that time is here as well His heart broken he nevertheless accepts his love s request to find her betrothed and present him with her locket He finally found his rival after the war explained his mission and got an unexpected surprise Along the way he fought a war and commanded other soldiers Every memoir of the American Civil War provides us with another view of the catastrophe that changed the country forever For the first time this long out of print volume is available as an affordable well formatted book for e readers tablets and smartphones Be sure to LOOK INSIDE by clicking the cover above or download a sample Reminiscences of a Boy in Blue, 1862-1865 Henry Murray Calvert,1920 In Blue and White Elbridge Streeter Brooks,1899 **History of the Battle of Blue Licks** Bennett Henderson Young,1897 **Book Review Index Cumulation** Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year **Proceedings of the ... Annual Encampment, Department of the Potomac, Grand Army of the Republic ...** Grand Army of the Republic. Dept. of the Potomac,1912 **Z Magazine** ,2008 The Blue Fairy Book Andrew Lang,1905 **Boys in Blue from the Adirondack Foothills** Howard Thomas,1960 **Victor, the Blue-stocking** Firmin Bernicat,1887 **Book of the Royal Blue, Monthly** ,1901 **The Blue Book of the State of Wisconsin for ...** ,1895

As recognized, adventure as capably as experience roughly lesson, amusement, as capably as concord can be gotten by just checking out a books **Our Enemies In Blue** with it is not directly done, you could take on even more on the order of this life, with reference to the world.

We manage to pay for you this proper as skillfully as simple pretension to get those all. We find the money for Our Enemies In Blue and numerous books collections from fictions to scientific research in any way. along with them is this Our Enemies In Blue that can be your partner.
