Our Faith Basic Christian Belief:

Our Faith, Basic Christian Belief Max Thurian, 1982 Christianity 101 Gilbert Bilezikian, 2009-07-13 You Mean to Say You Don't Know the Meaning of Monophysitism Hypostatic Union Infralapsarian Traducianism Chiliastic Pneumatomachian Cheer up You don't have to have thousand dollar vocabulary in order to grasp the priceless basics of Christianity Christianity 101 bridges the gap between biblical scholarship and people who want to understand the Christian faith This book presents eight basic doctrines of Christianity The Bible God Christ Holy Spirit Human Beings Redemption The Church and The Last Things in clear simple language that gives seasoned Christians a fresh understanding of the Bible and its teachings and puts new Christians on familiar terms with Christian doctrine Gilbert Bilezikian does not shape his analysis of these doctrines in the worn out rationalistic categories of older systematic theologies but in vibrant dynamic language designed to communicate biblical truths to contemporary believers *Fundamentals of Our Faith* Herschel H. Hobbs, 1960-01-13 An introduction to the fundamental doctrines of the Christian faith Written for anyone and everyone who wants a better understanding of their beliefs or a reference guide to check back when you have questions What Every Christian Should Know Dr. Robert Jeffress, 2023-01-03 We live in a time when believing in anything or nothing is considered equally truthful Many people don't identify with a specific religion preferring to think of themselves as spiritual to avoid seeming intolerant of other beliefs This has led to some squishy ideas about right and wrong as well as false teachings infiltrating our churches More than ever we must stand firm on the clear teaching of God's Word In What Every Christian Should Know Dr Robert Jeffress equips you to understand ten core doctrines of Christianity so you can be confident that your faith is built on solid ground and stand strong against false teaching Each chapter illuminates a core belief of the Christian faith such as God's Word the Trinity angels and demons sin salvation future things and more Nothing is more hopeful and beneficial in our trying times than good theology With vivid illustrations clear explanations and practical applications for believers today this book will help you ground your faith in capital T truth **Christianity 101: An Introduction to Faith, Leader's Guide** The Foundry Publishing, 2021-04 This study explores topics such as who God is where the Bible came from what purpose the Holy Spirit serves what role the church plays in our lives and more **Beliefs that Count** Georgia Elma Harkness, 1961 In the opening lines of this inspiring and stimulating work Dr Harkness says The purpose of this small book is to state the timeless truths of the Christian faith in terms relevant to the perplexities and confusions the aspirations joys and sorrows of modern man in a troubled world In short we shall try to see not only what Christians are entitled to believe but also how these beliefs count in the business of living Writing with her usual clarity and appeal to the layman Dr Harkness gives stirring affirmations of faith which present an illuminating picture of Christianity what stands behind it what makes it vital and what makes it so applicable to every generation Included in the twelve brief chapters are discussions of Christian belief in God Christ the Holy Spirit the Bible the church and other aspects of our faith Here is a book which will provoke

honest inquiry and provide a foundation for forthright discussion among all who read it Publisher *The Fundamental Doctrines of the Christian Faith* Reuben Archer Torrey, 1918 The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination He put his theory into practice last winter in his own church and these sermons are the result We were having a great many accessions to our church In the two years of the church s history we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord s Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work and also that it may be used widely by pastors and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form **Basic Christian Beliefs**
