Our Methodist Standards and Heritage David M. Battle,2023-04-16 Our Methodist Standards and Heritage calls all Methodist back the roots of Methodist teaching as shown in the General Rules of the Methodist Societies and in the Articles of Religion that John Wesley sent to America The book can be divided into three parts The first two parts are for all Methodists regardless of denomination They cover the General Rules that governed the behavior of Methodists before the establishment of any Methodist church These rules were actually an evangelistic tool that demonstrated our need for the grace of God The second part explains how the Articles of Religion are an expression of basic Protestant Christian beliefs and how they still apply today The last section begins by describing distinctive Methodist doctrines found in the Other Beliefs Finally Southern Methodist particulars are articulated and discussed

Our Humanist Heritage George Frater,2010-07 This fast paced and well documented analysis of the government s steady march away from God will either thrill or anger you depending on your worldview For those of us who acknowledge the Creator of the Universe as our God Savior and Lord this document tends to stir up both the sadness at the exponential slippage from our foundations as a Country and a challenge to stand strongly and openly against the growing intensity of those who would remove religion from America The nations rage sometimes and imagine a vain thing but he who sits in the heavens shall laugh Mr Frater has done a wonderful job of tracing the Humanist movement from its early inception and its subtle and damaging impact on our nation over the decades All serious students of history and those of Kingdom concern should avail themselves of his work Henry M Morris III Chief Executive Officer Institute for Creation Research George Frater B S M S M A Ed S retired Quality Assurance Quality Control Coordinator Air Monitoring Department Environmental Protection Commission Hillsborough County Florida Education Wisconsin State B S Agriculture Biology and Chemistry minors Iowa State M S Poultry Nutrition and Vanderbilt M A and Ed S Biology Taught science in Brandon High School in Hillsborough County and in Pillsbury Baptist Bible College Minnesota Ran the Cancer Research Center Tissue Culture Lab at Vanderbilt Hospital Nashville Served Bible Science Association on the National Board of Directors B SA Middle Tennessee Chapter as President Floridians for the Accurate Complete Teaching of Science as President Current membership Creation Research Society an organization of scientists Creation Studies Institute contributing writer Frater became alarmed at the number of Christian students lured into believing the Humanistic teaching in public schools and decided to arm them with facts from the past that would help them remain steadfast in their faith

Magazine and Quarterly Review ,1925 Methodist Worship R. Matthew Sigler,2018-07-04 What makes Methodist worship Methodist or Wesleyan How do Methodists evaluate emerging forms of worship in light of their own liturgical heritage This book considers these questions by bringing to light the work and significance of three Methodist liturgists who have until now received precious little scholarly focus Thomas O Summers 1812 1882 Nolan B Harmon 1892 1993 and James F White 1932 2004 Exploring each one s contribution to the Methodist movement it evaluates their continuing legacies as scholars and practitioners of Methodist worship Importantly the work of all these men occurred during times of cultural change which gave rise to new ways of worship within the landscape of American Methodism Addressing them in chronological order this study shows how each figure enacted liturgical reform and renewal by drawing from the liturgical textual tradition inherited directly from John Wesley s Sunday Service of the Methodist in North America as well as the hymnody of Charles Wesley It also demonstrates how they sought to inculturate the Wesleyan liturgical tradition in the midst of these significant changes Evaluating historic and emerging trends in Methodist liturgical praxis this is a book that will be of great interest to scholars of Methodism the History of Religion Liturgical Studies and Theology *Philadelphia Methodist* ,1906 **The Wesleyan Missionary Notices, Relating Principally to the Foreign Missions First Established by the Rev. John Wesley, M.A. the Rev. Dr. Coke and Others, and Now Carried on Under the Direction of the Methodist Conference** ,1878
