**Our Heavenly Mother and Daughter** Delbert Burhans, 2018-03-22 The female members of the Godhead are revealed and taught in this book Here you may discover the truth about the hidden Mother and her Daughter Wisdom In the God family you may find the Father Mother Son and Daughter who make up the Godhead We were made in their image and likeness True family values are promoted within the God family above We are soon to become reunited with our Family from above due to the coming climax of probationary time on planet earth We can now make our calling and election sure by faith in Jesus Christ for the salvation of our souls and by becoming acquainted with his royal Bride She is called New Jerusalem and the marriage supper of the Lamb is described in the Song of Solomon Please join me as we study together the Holy Bible and put the pieces of the puzzle together in knowing the deep things of God God is now preparing a people to become ready for translation up to paradise even as this earth is entering a darkness of death and destruction from which there will be no survivors As earth will be desolated without people for one thousand years the saved and chosen people will be with their Creators the God family We will rejoice to meet our heavenly family along with the angels and saved people from times past There we will attend the royal wedding ceremony where Jesus will marry his beautiful Bride She is a divine person who has many names such as New Jerusalem Wisdom Shekinah Glory and Daughter of Zion As ransomed human beings from sin and death we are adopted into the royal family by faith and will be reunited in the proper time of Gods providence After the marriage festivities we will understand why God allowed sin and suffering as a temporary probationary training time for angels and humanity After this one thousand years expire we with the holy city New Jerusalem will come back to planet earth All the wicked dead will be raised up Satan will deceive them one last time and gather them to surround the holy city New Jerusalem Then the final Judgement takes place The sinners realize why they are lost and cannot enter Gods paradise due to their continued rebellion against Gods righteous law of love Eventually they will all bow down and confess Jesus Christ as Lord to the glory of God They die the second death to sin They are born again as new creations in Christ and old things are passed away The saints will possess them and rule over them in the cities in the earth made new The lake of fire and brimstone does its job of bringing sinners to repentance and death to sin The fire of Gods love and truth torments their consciences day and night until they give up the struggle of holding onto sin Then death and sin will be destroyed and cease to exist The earth is re created new again and the universe is finally in harmony This book goes into much detail explaining from the Bible about the God family with scripture support It will truly be a happy reunion and ending after all We will be immortalized in Gods never ending kingdom of love and rejoicing Join me in this book for the wonderful details of knowing our heavenly Mother above God is love Praise God *Cherish 2* McArthur Krishna, Ashli Carnicelli, Trina Caudle, 2024-04-02 *Cherish 2* explores people s relationship to Mother in Heaven via art poetry testimony and experiences according to the LDS Church s Gospel topics Essay The heart of The Church of Jesus Christ of Latter day Saints is that all human souls are the

literal spirit children of God Heavenly Father and Heavenly Mother The testimony of the Savior Jesus Christ is central to this doctrine as He is the way the truth and the life for all people to return to our Heavenly Parents after our earthly lives The doctrine of unified Heavenly Parents has been taught since the Latter day Saints organized as a church in the early 1800s There is no official statement from Joseph Smith teaching that God is a married male female couple but there are many teachings by other Church leaders referring to this concept Eliza R Snow and W W Phelps two prominent writers when the Latter day Saints immigrated to Utah further spread this knowledge through their poetry essays and speeches Recent generations however have not been directly taught the doctrine of Heavenly Mother working in conjunction with the Father for the benefit of Their children A myth in the culture of membership arose in the 1960s that out of respect people should not discuss the belief that Heavenly Mother exists let alone teach it in public settings and elaborate upon what that could mean for relationships in marriage and generally between men and women This sacred silence has been erroneously taught as doctrine for decades In 2010 a team of researchers at Brigham Young University embarked on a search in historical records to find as many quotes as they could from Latter day Saint leaders about Mother in Heaven They did not find an injunction from a prophet or apostle that people must not speak of Her Instead they found hundreds of references to Heavenly Parents and our Eternal Mother God by prophets apostles and other church leaders over the entire history of the Church Their report served as the base for a Gospel Topics essay doctrinal statements approved by the First Presidency to summarize historical teachings of the Church that may have become confused over time The Gospel Topics essay titled Mother in Heaven was released to the public on October 23 2015 Cherish the Joy of Our Mother in Heaven and Cherish 2 The Love of Our Mother in Heaven have been guided by this Gospel Topics essay In those few paragraphs we find many statements of belief and doctrine about the nature of God and the eternal destiny of all people Many individuals have shared their joy love and faith in our Mother in Heaven within these books and we hope their testimonies will strengthen you as well

**Cherish** Ashli Carnicelli,Trina Caudle,McArthur Krishna,2023-04-24 People always wonder how a book like this comes to be McArthur I have spoken of Heavenly Mother to thousands of women Every single time I see the Spirit move women with such power Women get lit on fire I was thinking about what Mother in Heaven means to every single person and I wanted to hear their voices Ashli I had a project on my heart I felt inspired to create a book of poetry about Heavenly Mother that included the stunning artwork of Latter day Saints who are inspired by this doctrine a sort of Grown Up Girl s Guide to Heavenly Mother For months the Spirit prompted me to reach out to McArthur and I finally sent her a message We spoke on the phone and gave ourselves twenty four hours to pray about it I fasted and went to the temple As I entered the Celestial room and sat down to pray the revelation came yes Ashli This joyful doctrine is true This is our work Write the book Just make sure you are still pointing people to Christ I called McArthur from the car and shared this revelation She went quiet for a few moments then replied Wow I got the same revelation Let s get to work Trina I saw a social media post from McArthur and Ashli asking for contributions for a new Heavenly Mother book and immediately wanted to be part of the project I m a writer and editor so that s a typical reaction to seeing book proposals But this time felt different It was a prompting I ve had before the Spirit points and says There Go Right now And I am restless until I follow through I m not a poet or an artist but I can organize the heck out of manuscripts Within minutes I sent McArthur a message In a few more minutes my phone rang and that was that Joined together we asked What does Heavenly Mother mean to each of us What does Heavenly Mother mean to others This is not a book of doctrine This is

not a book of speculation This is not a book intended to answer all or any spiritual questions This is a book of musings of the soul Everyone was welcome to contribute Every person is a beloved child of Heavenly Mother and Father and that means something different to each of us The mediums of poetry and art are just two of many ways for us to communicate spiritually If our Heavenly Parents are infinite beings then there are infinite touch points to honor Them We organized the contributions around the Gospel Topics Essay Mother in Heaven to support study of that vital document We also included scriptures and quotes from prophets and other Church leaders to help guide us The Church is the scaffolding to our faith but we want to be clear that the vignettes are personal We hope the offerings within these pages bring joy to your soul You have a Mother in Heaven     Thoughts on Popery William Nevins,1836     McMaster Journal of Theology and Ministry: Volume 21, 2019-2020 David J.
