Our Long National Daydream: A Political Pageant of the Reagan Era

Blumenthal, Sidney

Note: This is no the actual book cover

Our Long National Daydream

Kirsten Kozolanka

Our Long National Daydream:

Our Long National Daydream Sidney Blumenthal,1990

The Reagan Rhetoric Toby Glenn Bates,2011-05-17 The Reagan Rhetoric examines the extraordinary connections between President Ronald Reagan's conversations with the American people and the profound changes that swept the nation under those conversations influence Through the lens of history rhetoric and memory Bates work draws connections between the style manner and consistency of Reagan's oratory and the social and cultural settings in which it played so vital a role Specifically focusing on the 1980 Neshoba County Mississippi Campaign visit the popular culture memory of the Vietnam War and the controversy of Iran Contra this book illustrates Reagan's sweeping ability to change how Americans thought about themselves their past and their politics By concluding with an examination of media coverage of Reagan's 2004 death Bates reveals that certain interpretations Reagan rhetorically offered during his presidency had become an accepted collective memory for millions of Americans In death as in life Reagan had the last word Through extensive archival research the careful examination of well known and obscure 1980s print media and popular culture as well as new interviews Bates challenges the prevailing Reagan historiography and provides a thoughtful reality check on some of the traditional views of his eight years in the Oval Office The Reagan Rhetoric offers new and important contributions to Reagan studies that will appeal to scholars of the 40th president This look at the 1980s will be of great interest to the growing number of historians studying that decade

Democracy's Think Tank

Brian S. Mueller,2021-07-02 In Democracy's Think Tank Brian S Mueller places the Institute for Policy Studies IPS at the center of a network of activists involved in making the world safe for diversity Unlike defense intellectuals at the RAND Corporation and other think tanks responsible for formulating military strategy the peace intellectuals at IPS developed blueprints for an alternative to the U S led world order As the Iron Curtain fell across Eastern Europe a triumphalist Cold War narrative emerged proclaiming victory for freedom democracy and free enterprise over totalitarianism Yet for the peace intellectuals at IPS the occasion did not merit celebration Since its doors opened in 1963 IPS refused to embrace American exceptionalism and waged a battle against the Cold War and its liberal anti communist supporters As IPS founders Marcus Raskin and Richard Barnet saw it in the process of fighting communism and preserving the liberal capitalist order Cold War liberals had forsaken democracy Democracy's Think Tank tells the story of IPS's crusade to resurrect democracy at home and abroad Borrowing from populist progressive and New Left traditions IPS challenged elite expertise and sought to restore power to the people To this end IPS in the words of journalist I F Stone served as the institute for the rest of us Mueller tells the story of IPS's involvement in a broad range of grassroots campaigns aimed at ending the Cold War and increasing participatory democracy in the United States and across the globe Contemporary observers seeking an alternative to American empire in the twenty first century will find Democracy's Think Tank offers several possible paths toward a more democratic order

A Companion to Ronald Reagan Andrew L. Johns,2015-02-10 A Companion to Ronald Reagan

evaluates in unprecedented detail the events policies politics and people of Reagan s administration It assesses the scope and influence of his various careers within the context of the times providing wide ranging coverage of his administration and his legacy Assesses Reagan and his impact on the development of the United States based on new documentary evidence and engagement with the most recent secondary literature Offers a mix of historiographic chapters devoted to foreign and domestic policy with topics integrated thematically and chronologically Includes a section on key figures associated politically and personally with Reagan

Nostalgia and Political Theory Lawrence Quill,2024-01-31 In Nostalgia and Political Theory Lawrence Quill advocates the central importance of nostalgia as a theoretical response to the historic past and a vertiginous present He does so by offering detailed analyses of diverse theoretical approaches from the ancient world to the modern day in order to reassess the relation between nostalgia and politics Quill proposes nostalgia as an organizing concept silently and not so silently influencing theorists as they construct critiques of the present or visions of the political future Nostalgia and Political Theory surveys key contributions to nostalgic and antinostalgic thinking from across the political spectrum Assessing the influence of photography radio television and personal computing on changing conceptions of the past Quill also considers the relation between populism nationalism and nostalgia By challenging those who would dismiss nostalgia as irrational or a symptom of cultural malaise Quill concludes by advancing the case for a liberal theory of nostalgia Nostalgia and Political Theory will be of interest to scholars and students in the fields of political theory social theory sociology philosophy political science memory studies and nostalgia studies

Across the Great Divide Wayne Karol,2004-10-13 Praise for Wayne Karol s The Sixties as Science Fiction An Appreciation of Paul Kantner Easily the best thing I ve ever seen written on him and his music and what it all means Jeff Tamarkin author of Got A Revolution The Turbulent Flight of Jefferson Airplane One of the finest pieces of writing about music and society that it s been my pleasure to read Bill Parry co editor Holding Together The Sixties were such a long time ago why can t America seem to stop re fighting the battles we fought then Why are we still so bitterly divided Why does so much of what s happening now seem like weird repetitions of the past from the Monica Lewinsky scandal and Watergate to Iraq and Vietnam In Across the Great Divide Wayne Karol offers an original and insightful perspective on how we ended up in this mess and what we might be able to do about it It s his duty as a baby boomer to hope that it will change the world

Reporting from Washington Donald A. Ritchie,2005-03-15 Beginning with 1932 when a newly elected FDR energized the sleepy capital Ritchie highlights the dramatic changes in journalism that have occurred in the last seven decades We meet legendary columnists and investigative reporters as well as the pioneers of radio television cable television and internet news We also learn about the efforts of female and black reporters to break into what had long been a bastion of white maleness the press corps From Walter Winchell to Matt Drudge the people who cover Washington politics are among the most colorful and influential in American news Reporting from Washington offers an unforgettable portrait of these figures as well as of the dramatic changes in

American journalism in the twentieth century **Ronald Reagan and the Politics of Freedom** Andrew Busch, 2001 In Ronald Reagan and the Politics of Freedom Andrew E Busch goes beyond economic and foreign policies to examine Reagan's understanding of statesmanship Busch analyzes Reagan's conscious attempt to strengthen the separation of powers federalism and traditional rhetoric and his efforts to revive the notion of limited government in a Constitutional Republic In this important new study Busch concludes that Ronald Reagan's politics of freedom found in his discourse policy and coalition building achieved significant successes in the 1980s and beyond **Happy Days and Wonder Years** Daniel Marcus, 2004 In the 21st century why do we keep talking about the fifties and sixties In Happy Days and Wonder Years Daniel Marcus reveals how interpretations of these decades have figured in the cultural politics of the United States since 1970

The Transformation of American Politics David M. Ricci, Professor David M Ricci, 1993-01-01 Washington think tanks such as the Brookings Institution the American Enterprise Institute and the Heritage Foundation have become so large and influential in recent years that they now constitute virtually a new branch of the political system In this engrossing and lively book David M Ricci brilliantly explores the parallel and convergent social economic and political trends within America that have transformed government in Washington and led to the development and prestige of these public policy research centers Ricci argues that since the late 1960s Americans have lost sight of the familiar guidelines that used to help them assess issues and have become more hospitable to think tank research and advice He examines the flood of policy relevant information that has resulted from the growth of expertise and the advent of big government the confusion over national goals that comes from the decline of the Protestant ethic and the empowerment of minorities the growing influence of television and its focus on instant testimony from experts political changes such as the decline of parties the move to an open Congress and the growth of an independent presidency the pervasive power of modern marketing and much more According to Ricci policy ideas generated by think tank research and commentary are helpful in providing greater objectivity and political insight not only because of their general reliability but also because in their ideological variety think tanks generate a substantial range of policy proposals giving voice to a healthy factional pluralism and facilitating a constant testing of ideas In today's dissonant politics Ricci concludes think tanks contribute some order and occasionally wisdom in the ongoing battle in Washington over political ideas *Daschle vs. Thune* Jon K. Lauck, 2016-04-18 The story behind the unseating of a Senate majority leader the race between Tom Daschle and John Thune in South Dakota was widely acknowledged as the other big race of 2004 Second in prominence only to the presidential race the Daschle Thune contest pitted the rival political ideologies that have animated American politics since the 1960s In a sign of the ongoing strength of political conservatism Daschle became the first Senate leader in fifty years to lose a re-election bid Historian Jon K Lauck a South Dakotan who was an insider during that heated campaign now offers a multilayered examination of this hard fought and symbolically charged race Blending historical narrative political analysis and personal reflection he offers a close up view of the issues that divide

the nation a case study of the continuing clash between liberalism and conservatism that has played out for more than a generation in U S politics Daschle vs Thune moves beyond the nitty gritty of public policy to deftly show how the recent past continues to shape the ongoing political battles that animate pundits and bloggers It is a compelling story told by a writer who knows both his home ground and how it fits into the wider U S context **The Power of Persuasion** Kirsten

Kozolanka,2007 Explores the relationship between the politics of the New Right the media and democracy **Presidents Under the Knife** Per-Olof Hasselgren,2025-05-15 Numerous US presidents have undergone surgical procedures during their time in office that were not shared with the public The presidents highlighted in this work from George Washington to Ronald Reagan span centuries of American history and medical evolution Written in language easy to understand for non medical readers this book gives insight into these surgical operations which were often performed in secrecy or hazardous conditions It highlights the surgeries of nine presidents providing extensive details about the procedures and events surrounding them In order to contextualize each operation the author a surgeon bases his writing on an extensive review of medical and surgical documents often written by surgeons personally involved in the procedures With this information he illuminates the political and economic events that influenced surgical decisions over hundreds of years The historical ramifications of these surgeries are substantiated by peer reviewed publications original documents and newspaper articles

The Clinton Wars Sidney Blumenthal,2003-05-23 An invaluable history of an extraordinary presidency and the chronicle of a generation s political odyssey When in 1997 Bill Clinton appointed Sidney Blumenthal as a senior advisor the former writer was catapulted into the front lines of the Clinton wars From his first day in the White House until long after his appearance as the only presidential aide ever to testify in an impeachment trial Blumenthal acted in or witnessed nearly all the battles of the Clinton years This major book part history part memoir is the first inside account we have of the presidency of William Jefferson Clinton The Clinton Wars begins in 1987 when Blumenthal first met Bill and Hillary Clinton His chronicle of Clinton s first presidential campaign and first term draws on his experiences as confidant to both the President and the First Lady and is enriched with previously unpublished revelations about both This remarkable personal interpretation goes far in explaining the polarizing nature of Clinton s presence on the national scene The narrative of Clinton s second term is even more dramatic Blumenthal takes special note of the battle that was waged within the media between the President s detractors and defenders which he expands into a vivid picture of Washington society torn apart by warring factions But he does not neglect the wars fought on other fronts in Kosovo against Congress and for economic prosperity His remarkable book ends with the inside story of the fight to elect Al Gore in 2000 and extend the legacy of the Clinton Gore Administration Every page of this unrivaled authoritative book with its intimate insights into Clinton s personality and politics attests to Blumenthal s literary skill profound understanding of politics and unique perspective on crucial events of our recent past The Clinton Wars is a lasting contribution to American history *Report of the Secretary of the Senate from ... United States.*

Congress. Senate, 1989-04 Bound by War Christopher Capozzola, 2020-07-28 A sweeping history of America's long and fateful military relationship with the Philippines amid a century of Pacific warfare Ever since US troops occupied the Philippines in 1898 generations of Filipinos have served in and alongside the US armed forces In *Bound by War* historian Christopher Capozzola reveals this forgotten history showing how war and military service forged an enduring yet fraught alliance between Americans and Filipinos As the US military expanded in Asia American forces confronted their Pacific rivals from Philippine bases And from the colonial era Philippine Scouts to post 9 11 contractors in Iraq and Afghanistan Filipinos were crucial partners in the exercise of US power Their service reshaped Philippine society and politics and brought thousands of Filipinos to America Telling the epic story of a century of conflict and migration *Bound by War* is a fresh definitive portrait of this uneven partnership and the two nations it transformed **All Roads Lead to the American City** Peter Swirski, 2007-04-01 *All Roads Lead to the American City* provides an original view of the urban culture in America seen through its irrevocable ties with the cities and roads Examining the history cinema literature cultural myths and social geography of the United States the book puts some of the greatest as well as the baddest American cities under the microscope Taking the role of the roads that crisscross and connect the cities as their shared point of reference these essays explore ways to understand the people who live commute work create govern commit crime and conduct business in them Cities for the most part are America Their values and problems define not only what the United States is but what other nations perceive the United States to be Roads and transportation on the other hand and their impact on the American culture and lifestyle form not only the integral part of the historical rise and shine of the modern city but a physical release from and a cultural antidote to its pressure cooker stresses Tracing the boundless variety and complexity of these twin themes *All Roads Lead to the American City* is built around an interlinked series of essays on the urban culture in America Juxtaposing the city and the road it looks alternatively at cities as historical geographical social and cultural centres of life in the land and at roads as physical as well as metaphorical arteries that lead in and out of the city *The Age of Impeachment* David E. Kyvig, 2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use Reagan and the Iran-Contra Affair Robert Busby, 2016-07-27 The Iran Contra scandal rocked the Reagan presidency to its core in late 1986 and 1987 This text examines the efforts of the Reagan administration to recover its public credibility in the 12 months following the exposure of controversial covert operations Via comparative analysis it explores the impact of scandal upon the presidential office the problems which confronted President Reagan during Iran Contra and the centrality of damage control efforts to the well being of the modern presidency Ronald Reagan and Margaret Thatcher Nicholas Wapshott, 2007-11-08 New details of the remarkable relationship between two leaders who teamed up to change history It's well known that Ronald Reagan and Margaret Thatcher were close allies and kindred political spirits During their eight overlapping years as U S president

and UK prime minister they stood united for free markets low taxes and a strong defense against communism But just how close they really were will surprise you Nicholas Wapshott finds that the Reagan Thatcher relationship was much deeper than an alliance of mutual interests Drawing on extensive interviews and hundreds of recently declassified private letters and telephone calls he depicts a more complex intimate and occasionally combative relationship than has previously been revealed

Our Long National Daydream Book Review: Unveiling the Power of Words

While this might not be the Our Long National Daydream full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Our Long National Daydream eBooks, including some popular titles.

FAQs About Our Long National Daydream Books

What is a Our Long National Daydream PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Our Long National Daydream PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Our Long National Daydream PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Our Long National Daydream PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Our Long National Daydream PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
