**Journeying Life with God / Encountering God's Love 2 , According to Jesus, God Will Save Biblical Jews, But Not Christians** Donald Werner, 2018-09-19 Jesus gave specific and succinct instructions on how to inherit eternal life yet the Church sets those teachings aside Amazing right I will show you exactly how Christian Church doctrine leads people away from Jesus teachings and God's instructions for receiving salvation and what to do about it You will also read here about the great apostasy the mark of the beast the seal of God what laws does God expect us to keep the means of saving grace true repentance the Church of Laodicea Jesus style of evangelism Jesus atonement the nature of God and much more If you are a Christian or Jew you salvation weights in the balance of knowing what is in this book

*Getting to Know God for Strangers* Deacon Gregory Harris, 2021-10-12 I was led by the spirit to write this book On my journey in life I have had my ups and downs I remember when I was a young man I was carefree did not have a worry in the world I had my strength and that was all I thought I need I was strong like a flower when the sun heats the morning dew I had the job and all that came with it I was doing good as a young man I had been raised in the church as a child and now I was of age and independent had my own place and no one could tell me what to do anymore I even had the nerve to tell God I was too young to come and serve Him I had everything a young man could ask for in the palms of my hand I would go to the parties stay out late all the things that young people do Little did I know what was lying ahead I started getting hit with the storms of life I was like a sheep caught in the dark in the forest It took me years to get back on the track my mom started me on when I was a little child I have been back on the trail for over thirty years I know what it is to be in darkness and believe everything is all right I kept stumbling along in this life in the dark I really thought I was seeing things clearly I have a high tolerance for pain so I stayed in darkness longer than I had anticipated Life pain was taking a toll on my life Those things I thought were fun took more pain to have the fun This life I loved did not love me anymore One day I saw some people getting out of their car and going up the steps to the church I said Lord if you would change my life to be like them church folks I will serve you the rest of my life You know it is said that the

deeper that you were in darkness the more loyal you would be to God Now I m in the light I see with insight not as much with eyesight over the years I come to see some things that require our immediate attention This can t wait We have been brought to the light so we can show others how to get to the light and there is a lot of work to do as a child of God It is our responsibility to carry out God s will We can t push it on the next person We have to step up and do it This book can help people to learn to treat people like they would like to be treated and it gets you to know about the Lord You can practice this in your daily life I m a new creature Old things I don t do any more I thought that my old behaviors would be with me all my life until I was shown the light Now I must share the light and show others how to get here

**Bible readings on the life of our Lord Jesus Christ** Lady Charlotte Murdoch Tait Wake,1855      Reflexivity in Love A Self-Reflexive Portrait of the

Little Flower of Jesus Fr. Emmanuel Javert Nnadozie OCD,2024-09-19 This book focuses particularly on the self reflexive elements of the divine and human transformation in the Christian life which we find in St Therese especially her ability to wonder and question herself about the mysteries of God as they relate to her spiritual life and growth It studies Therese s spirit of critical listening and profound spiritual reflection on the things of her experience and explores her self reflective and interrogative self understanding of her call to sanctity of life The author also discusses how the Saint appropriated God s Word and God s grace hidden in the events of her life The book shows how through self reflexivity and meditation on God s Word she discovered her vocation as love in the heart of the Church following which she desired to sing of the mercies of the Lord with her whole life by loving God and neighbor in ordinary things in an extraordinary way and by leading a legion of souls through this Little Way of love which has a general or universal application to all who desire to attain perfection by a straight and short route While it is recognized that God s grace works in individuals according to their personal vocations the author believes that spiritual self reflexivity helps the faithful to integrate meaningfully like St Therese the general principles of the spiritual life and the example of the Saints into each individual s spiritual life in the events of daily life irrespective of their individual vocations And this is why the Little Way as a spiritual path can be lived by all who commit themselves to following the example found in St Therese s simple humble and confident way of spiritual childhood and of loving God and neighbor in the ordinary life and events of every day with reflexivity in love as the key

**Embracing Soul Care** Stephen

W. Smith, Enables individuals to find a deeper sense of self by nurturing their souls focusing on relationships spiritual and personal growth healing and living out God's purpose for their lives Original      The Mindful Our Father Thomas G Casey, 2022-10-24 The Lord's Prayer is a simple prayer that goes back to Jesus But even though it has been around for a long time we no longer know how to pray it as it should be prayed We grow up saying this prayer in a hurried way we continue to recite it in a rush and we risk dying without ever waking up to its richness This book slows things down in order to help us recognize something of the richness of this great prayer There is a real need to reflect and meditate on each phrase of the Our Father to chew on the words as a cow would chew on the cud to find the marrow of meaning and so discover true nourishment It is like digging for hidden treasure Each chapter approaches a particular phrase of the Our Father from multiple perspectives in order to facilitate a deepening level of engagement with its richness By going through the Lord's Prayer phrase by phrase it is possible to taste something of the unique flavour of each line Every chapter includes moving stories which throw a new spotlight on the marvellous riches concealed in this familiar prayer Each chapter also includes short prayers based on the Lord's Prayer prayers that get us in touch with the depth and breadth of this foundational prayer Once we translate the spiritual wisdom of the Lord's Prayer into the personal language of our experience we shall be led to a unique encounter with the God who yearns for us more than we could ever yearn for him      **Friends' Review** Enoch Lewis, Samuel Rhoads, 1852      **The Wesleyan Sunday-Scholar's Hymn Book** Wesleyan Methodist Sunday school department, 1857      **The Ministry, Vol. 06, No. 01** Various Authors, 2002-01-01 This is a special combined issue January February of The Ministry It contains a complete record of the messages given in Anaheim California during the 2001 Winter Training on the Crystallization study of Ephesians These messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings held throughout the earth Because of the specific nature of this issue the usual section of reports concerning the Lord's move throughout the earth has been omitted The burden for the twelve messages given during the 2001 Winter Training on the Crystallization study of Ephesians may be summarized by four statements 1 the dispensing of Christ is for the gradual building up of His Body and the transmitting of Christ is for the sudden raising up of God's churches 2 God's eternal intention is to head up all things in Christ the universal Head through the church which is His Body 3 the oneness of the Spirit must be kept diligently by all the believers in Christ with the transformed human virtues strengthened and enriched by and with the divine attributes and 4 as the unlimited immeasurable Christ makes His home in our hearts we are filled unto all the fullness of God the ultimate corporate expression of the Triune God
