Wildflowers of the Midwest Michael Homoya, Scott Namestnik, 2022-06-21 The latest in our bestselling field guide series this is an extensive and practical guide to finding and identifying the wildflowers of the Midwest **How I Found Myself in the Midwest** Steve Grove, 2025-06-24 A passionate tribute to the power of moving forward by going back home a Minnesota native son shares an urgent invitation to rediscover the grounding power of community through his story of leaving a life in Silicon Valley to return to the Midwest Provided by publisher Proceedings Midwestern Regional Conference for Women's National Organizations on Efficient Highway Transportation and Reduction of Traffic Accidents, Chicago, Ill., February 16-17, 1965 United States. Bureau of Public Roads, 1965 **Finding a New Midwestern History** Jon K. Lauck, Gleaves Whitney, Joseph Hogan, 2018-11-01 In comparison to such regions as the South the far West and New England the Midwest and its culture have been neglected both by scholars and by the popular press Historians as well as literary and art critics tend not to examine the Midwest in depth in their academic work And in the popular imagination the Midwest has never really ascended to the level of the proud literary South the cultured democratic Northeast or the hip innovative West Coast Finding a New Midwestern History revives and identifies anew the Midwest as a field of study by promoting a diversity of viewpoints and lending legitimacy to a more in depth rigorous scholarly assessment of a large region of the United States that has largely been overlooked by scholars The essays discuss facets of midwestern life worth examining more deeply including history religion geography art race culture and politics and are written by well known scholars in the field such as Michael Allen Jon Butler and Nicole Etcheson **The Oxford Handbook of Midwestern History** Jon Lauck, 2025 The Midwest region holds a pivotal place in the tapestry of American history The Oxford Handbook of Midwestern History delves into this rich heritage with chapters on topics ranging from the early Native American and French Midwest to the impact of the Northwest Ordinance and the Great Lakes the emergence of Midwest regional consciousness after the Civil War and the role of the Midwest's natural resources in the region's economic success and later decline It presents the newest research on race ethnicity culture politics and economic development It also considers the role of religion organized labor the presence of a diverse population of Germans Irish Dutch and Latinos and the influence of sports nostalgia populism and isolationism This handbook moves beyond the examination of traditional topics in Midwestern history to provide significant attention to matters such as architecture literary realism visual culture and constitutionalism This treatment of Midwestern history marks a major turn towards the history of the American interior In many ways The Oxford Handbook of Midwestern History marks the coming of age of what scholars and commentators are calling the New Midwestern History Formulation of the 1995 Farm Bill: Dairy title United States.
