Our Christian Worship:

Christ-Centered Worship Bryan Chapell, 2009-10 The bestselling author of Christ Centered Preaching provides a useful and accessible resource that traces the history of Christian worship and calls contemporary congregations to gospel faithfulness

Called to Worship Vernon Whaley, 2013-04-08 What is worship Biblically speaking worship might mean a lot of things a celebration of God and his glory a display of reverence and awe an act of humility or prostration before our Creator But what does this look like today And do churches of today of any tradition or denomination really worship in a way that s biblical Called to Worship is a deep dive into what worship means in the Bible Vernon Whaley Dean of the school of music at Liberty University investigates each individual book of Scripture to uncover the tapestry of instruction and insight into God s idea of worship With this book you ll learn How to see through the comfort zones of the modern church s worship rituals and routines The biblical principles of worship and why understanding these principles is essential in our discipleship and important to our creator How the life of Christ serves as a living guide to worship throughout the entire Bible and the history of Christianity The Bible describes a rich history of Yahweh worship offered first by the hosts of heaven in eternity past and then by mankind from Creation to present day This book is a call to understand and participate in that richness

With One Voice Reggie M. Kidd, 2005-10 What do the Blues Brothers have in common with Bach and Christian worship Explore the connection in this explanation of why the church sings

Introduction to Christian Worship James F. White, 2023-11-21 James White s classic Christian worship text revised and updated The book students of worship have read and re read is now revised and updated for the first time in more than twenty years Author Ed Phillips one of White s graduate students is joined by practitioners and teachers from emerging generations who contribute timely and well researched material from their own areas of expertise This new content brings the original up to date filling significant gaps since the original publication on topics like technology arts embodiment in and of worship pluralism and multiculturalism denominational changes and changes in the spaces and forms of worship including worship in the age of pandemics This new edition will take its place on the shelf of every student pastor and leader of Christian worship

Christian Worship Worldwide Charles E. Farhadian, 2007-07-16 As Christianity has boomed in the non Western world several significant questions have emerged regarding how worship and culture relate Charles Farhadian here presents a timely investigation of the interaction between culture and worship Leading scholars experts in history mission culture and liturgy offer diverse essays addressing worship in the context of worldwide Christianity At the heart of Christian Worship Worldwide are several case studies from Africa Asia Latin America and the Pacific that explore the contours of particular nations cultures and liturgical actions These essays show how Christian plurality is most vividly exemplified in the context of worship where language song culture and indigenous theology come together Contributors M L Daneel Samuel Escobar Charles E Farhadian C Michael Hawn Seung Joong Joo Ogbu U Kalu Thomas A Kane Miguel A Palomino Robert J Priest Dana L Robert Lamin

Sanneh Bryan D Spinks Andrew F Walls Philip L Wickeri John D Witvliet **The 6 Marks of Progressive Christian Worship Music** Bryan J. Sirchio, 2012-08-30 Something about the lyrics of many of the hit contemporary Christian worship songs is at best problematic for many clergy persons in mainline denominations Sometimes the songs are downright offensive theologically to the pastor Often the problem is rooted in a theological nuance or doctrine that the pastor does not embrace Sometimes these contemporary worship songs use too many Christian buzz words or clichés or phrases that the pastor deliberately avoids in every other aspect of the liturgy Often the problem is that the new songs show no sensitivity at all to things like inclusive language or the theological challenges of doctrines like penal substitutionary atonement Sometimes the pastors feel that most of these new songs lack substance that they're too sugary too individualistic and too other worldly Sometimes there's an emotional tone to this contemporary worship music that might work well in another kind of church but which just doesn't feel authentic in a traditional or mainline congregation Now I would imagine that at least some of you began to glaze over a bit as you attempted to read those last few paragraphs Or maybe you didn't fully understand some of the terms I just used If so don't worry that's why I wrote this book If you have no idea what things like penal substitutionary atonement or inclusive language are about this book will help you understand what these terms mean and why it's important to your pastors for you to know your way around these issues and concepts a bit as you seek new songs to bring into the worship life of your congregation And I promise I'll do my best to use down to earth language that you'll be able to easily understand without a seminary education Perspectives on Christian Worship J. Matthew Pinson, 2009-03-01 For laypersons and church leaders Perspectives on Christian Worship presents five differing views about worship styles hoping to determine which is most faithful to Scripture **Pleasing God in Our Worship** Robert Godfrey, 1999-03 This articulate booklet discusses biblical worship and instructs Christians on restoring God to His proper place as the center of worship Part of the Today's Issues series *Ritual and Christian Worship* Jeffrey A. Truscott, 2023-01-05 What exactly is ritual and why is it inherently a part of Christian public worship Could we worship without ritual Does the Christian tradition offer us any perspectives on ritual These are the questions explored in this book whose purpose is to serve as a user's guide to ritual for leaders and planners of Christian worship With the help of various perspectives the life sciences the Bible and Reformation theologians it seeks to explain ritual objectively winsomely and sympathetically Written by a scholar with many years of experience in teaching liturgics this book will help readers to appreciate ritual and become comfortable with themselves as participants in ritual **Imagining the Kingdom (Cultural Liturgies)** James K. A. Smith, 2013-02-15 2013 Word Guild Award Academic How does worship work How exactly does liturgical formation shape us What are the dynamics of such transformation In the second of James K A Smith's three volume theology of culture the author expands and deepens the analysis of cultural liturgies and Christian worship he developed in his well received *Desiring the Kingdom* He helps us understand and appreciate the bodily basis of habit formation and how liturgical formation both secular and Christian affects

our fundamental orientation to the world Worship works by leveraging our bodies to transform our imagination and it does this through stories we understand on a register that is closer to body than mind This has critical implications for how we think about Christian formation Professors and students will welcome this work as will pastors worship leaders and Christian educators The book includes analyses of popular films novels and other cultural phenomena such as The King s Speech Rise of the Planet of the Apes David Foster Wallace s Infinite Jest and Facebook

The Ten Commandments and the Beatitudes Yiu Sing Lúcas Chan, 2012-09-14 The Ten Commandments and the Beatitudes are often considered significant texts for the Christian moral life However most interpretations of these passages either focus on the original meaning of the text or how the texts should impact ordinary living today In *The Ten Commandments and the Beatitudes* Yiu Sing L c s Chan brings together biblical studies and Christian ethics to look at these foundational texts in a new way For each passage Chan asks both what the texts meant and what they mean today He helps readers to carefully study the text s original meaning then interpret the text within a sound ethical framework *The Ten Commandments and the Beatitudes* is an excellent introduction to key concepts in biblical studies and Christian ethics that combines sound study with warmth and wisdom

Systematic Theology, Volume 2, Second Edition James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

In Our Own Tongues Peter C. Phan, 2015-02-19 Who is to be the primary evangelizer of Asia What Asian forms of worship and prayer are both authentically Christian and culturally appropriate In *Our Own Tongues* is reading

Crucifying Religion Donavon Riley,2019-08-01 Jesus is the end of all religion All the sacrifices of priests and people are rendered null and void by Jesus one time for all time sacrifice for all people everywhere past present and future tense Jesus death and resurrection save us from our own religiosity From Memory to Imagination C. Randall Bradley,2012-09-21 The relatively recent worship wars over styles of worship traditional contemporary or blended have calmed down and many churches have now reached decisions about which worship style defines them At a more fundamental level however change has yet to begin In *From Memory to Imagination* Randall Bradley argues that fallout from the worship wars needs to be cleaned up and that fundamental cultural changes namely the effects of postmodernism call for new approaches to worship Outlining imaginative ways for the church to move forward this book is a must read for church leaders and anyone interested in worship music

The Gospel Way Catechism Trevin Wax,Thomas West,2025-07-22 Reclaiming an Ancient Tool of Faith Formation for Our Secular Age In a world overflowing with competing ideas about meaning and purpose it s more important than ever to embrace the gospel story as the ultimate lens through which we understand life For centuries Christians have relied on catechisms question and answer summaries of faith to teach the faith and disciple new believers *The Gospel Way Catechism* reclaims this powerful practice explaining 50 essential Christian beliefs in a clear Q A format But it doesn t stop there Each answer not only clarifies the core tenets of faith but also equips you to identify and challenge today s common yet powerful cultural narratives As you are formed by biblical answers to essential questions about God life and faith you will also be counter formed so you can identify the shortcomings of secular scripts and subvert them with the gospel Suitable for individual group and church wide study this discipleship tool provides an effective antidote to Western culture s inherent self centeredness Let this guide strengthen your faith and empower you to be salt and light in a culture desperate for meaning

Putting the Trinity Back in the Church Karl Shadley,2009-07-04 *Transactions of the Aberdeen Ecclesiological Society* ,1889 The Jewish herald and record of Christian effort for the spiritual good of God's ancient people [afterw.] The Jewish missionary herald and record of the British society for the propagation of the gospel among the Jews [afterw.] The Herald International society for the evangelization of the Jews,1846 *Through the Tempest* Langdon Gilkey,2005-01-26 Western society continues to be faced with numerous consequences of pluralism ecological concerns global imbalances racial injustices and gender discrimination Christianity at the same time is confronting its own lack of superiority or cultural dominance How can Christian theology face these issues to construct a theology for the twenty first century In this book Gilkey articulates constructive proposals for addressing such issues Rather than steering around the multiple challenges of pluralism he offers insights to help shape a viable theology
