Our Faith:

Never Work Harder Than Your Students and Other Principles of Great Teaching Robyn R. Jackson, 2010-08-13 Is great teaching a gift that only a few of us are born with or is it a skill that can be learned In Never Work Harder Than Your Students Robyn Jackson makes a radical assertion Any teacher can become a master teacher by developing a master teacher mindset The master teacher mindset can be achieved by rigorously applying seven principles to your teaching until they become your automatic response to students in the classroom The more you practice these seven principles the more you begin to think like a master teacher 1 Start where your students are 2 Know where your students are going 3 Expect to get your students to their goal 4 Support your students along the way 5 Use feedback to help you and your students get better 6 Focus on quality rather than quantity 7 Never work harder than your students Using these principles Jackson shows you how to become a master teacher no matter where you are in your practice Each chapter provides a detailed explanation of one of the mastery principles the steps you need to take to apply them to your own practice and suggestions for how you can begin practicing the principle in your classroom right away Jackson offers stories from her own teaching practice as well as from other teachers she has helped to show you how each principle works Teaching is a hard job but using Jackson's principles will help you and your students reap the rich rewards of that hard work

Theunion Joan H. Richardson, 2011 The Union is a prophetic message that confronts deceptive and divisive strongholds of the last days churches Let the Holy Spirit our Teacher untangle the confusion that has divided us by blinding us to the pure Word of God The uniqueness of The Union lies in its goal of perfect unity among Jewish and gentile believers through the singular nature of Truth To that end revelations of deep formerly hidden passages bring mysteries to light in this eye opening Biblical exposition Search and find hidden manna that brings us into the fullness of life in Christ Discover how God's covenants clarify a single gospel to us all Examine the Jewish roots of the Christian faith to appreciate the unity of the Scriptures and let the Word of God lead us into The Union at last The integrity of the Word advances through The Union to purify and prepare the elect Today it is urgent that those who profess faith in the Savior receive the Word of God in preference to the words of men With nearly three thousand verses Repent and believe all the Scriptures is the charge of The Union to the churches in these extraordinary times The Messiah will return for a blameless and spotless Bride holy in faith and conduct Be prepared to meet Him is the resonant call of The Union Former co host of the internationally syndicated radio program Man Alive Joan Richardson is anointed with the gift of prophecy as a motivational speaker evangelist and
