# Our Fathers War

**Marilyn Jeffers Walton**

## **Our Fathers War:**

**Our Fathers' War** Tom Mathews, 2005-05-10 A powerful and unique portrait of generational strife and changing styles of masculinity as seen through the stories of ten World War II veterans and their baby boomer sons It is fair to say that Tom Mathews's relations with his father a veteran of World War II's famed 10th Mountain Division were terrible He came back from the war to a young son he'd barely met and proceeded to bully and browbeat him for his own good he thought In the course of puzzling out almost fifty years of intermittent conflict Mathews came to understand that their problems were not simply personal they were generational and widely shared by millions of other baby boomer sons And so to write this powerful book which traces the kinetic effect of the war on the men who fought it their sons and their grandsons Mathews has uncovered nine other dramatic and telling father son tales of veterans in some ways missing in action and how internal war wounds shaped their lives as fathers These include a combat infantryman whose life was saved by the famed Audie Murphy and a black member of the storied Tuskegee Army Corps In a moving final chapter he and his father return together to Italy to revisit scenes from the war and attempt at long last to forge their own separate peace In a very real sense Our Fathers War tells the secret history of World War II and its echoes down the years and generations In the course of doing so it offers a portrait of evolving styles of American manhood that many many fathers and sons have been needing and awaiting

Our Fathers' War James Bacque, 2006      **Because Our Fathers Lied** Craig McNamara, 2022-05-10 This unforgettable father and son story confronts the legacy of the Vietnam War across two generations an important book that should be read by every American Ron Kovic Vietnam Veteran and author of *Born on the Fourth of July* Craig McNamara came of age in the political tumult and upheaval of the late 60s While Craig McNamara would grow up to take part in anti war demonstrations his father Robert McNamara served as John F Kennedy's Secretary of Defense and the architect of the Vietnam War This searching and revealing memoir offers an intimate picture of one father and son at pivotal periods in American history *Because Our Fathers Lied* is more than a family story it is a story about America Before Robert McNamara joined Kennedy's cabinet he was an executive who helped turn around Ford Motor Company Known for his tremendous competence and professionalism McNamara came to symbolize the best and the brightest Craig his youngest child and only son struggled in his father's shadow When he ultimately fails his draft board physical Craig decides to travel by motorcycle across Central and South America learning more about the art of agriculture and making what he defines as an honest living By the book's conclusion Craig McNamara is farming walnuts in Northern California and coming to terms with his father's legacy *Because Our Fathers Lied* tells the story of the war from the perspective of a single unforgettable American family

**The New York Times Current History of the European War**, 1915      **The Mourning After** John Ibson, 2018-11-01 On the battlefields of World War II with their fellow soldiers as the only shield between life and death a generation of American men found themselves connecting with each other in new and profound ways Back home after the war however

these intimacies faced both scorn and vicious homophobia The Mourning After makes sense of this cruel irony telling the story of the unmeasured toll exacted upon generations of male friendships John Ibson draws evidence from the contrasting views of male closeness depicted in WWII era fiction by Gore Vidal and John Horne Burns as well as from such wide ranging sources as psychiatry texts child development books the memoirs of veterans children and a slew of vernacular snapshots of happy male couples In this sweeping reinterpretation of the postwar years Ibson argues that a prolonged mourning for tenderness lost lay at the core of midcentury American masculinity leaving far too many men with an unspoken ache that continued long after the fighting stopped forever damaging their relationships with their wives their children and each other

**The Father of All Things** Tom Bissell, 2007 The author describes his journey to Vietnam with his war veteran father offering a glimpse of a land that had shaped both of their lives while reflecting on his father's war experience and the war's continuing political cultural and personal influence *Thucydides* Thucydides, 1881 *Journeys to the Heart of Baltimore* Michael Olesker, 2015-08-01 In *Journeys to the Heart of Baltimore* veteran journalist Michael Olesker writes of Baltimore's melting pot in all its rollicking sentimental good natured and chaotic essence The stories come from neighborhood street corners and front stoops playgrounds and school rooms churches and synagogues and families gathered around late night kitchen tables The D'Alessandro political dynasty comes to life here and so do Lenny Moore and Artie Donovan of the legendary Baltimore Colts The old East Baltimore ethnic enclaves nurture youngsters named Barbara Mikulski and Ted Venetoulis and out of West Baltimore comes the future Afro American newspaper publisher Jake Oliver *Journeys to the Heart of Baltimore* is a delightful reminder of the nation's ethnic and racial mosaic home to a future governor named Martin O'Malley and a future U.S. Representative named Dutch Ruppersberger Boys from Baltimore's Little Italy like John Pica go off to fight a war in Italy when they know their allegiance is being tested And a city struggles through racial convulsions remembered by those such as John Steadman and Father Constantine Sitaris **As Far As the Eye Can See** David Brill, 2023-09-29 When David Brill's now classic account of his 1979 thru hike of the 2,190 mile Appalachian Trail was released in 1990 it immediately struck a chord with veterans and aspirants of one of the world's longest continuously marked footpaths Over the years the book has continued to sell through multiple printings *As Far as the Eye Can See* Reflections of an Appalachian Trail Hiker now in its fifth thirtieth anniversary edition and eighth printing was recently released by the University of Tennessee Press The new edition features a new preface on Brill's 2019 40th anniversary reunion in Maine with his AT buddies as well as prefaces to earlier editions and three bonus chapters that bring Brill's continuing connection with the trail to near the present In the years following release of *As Far as the Eye Can See* first person accounts of hiking the trail burgeoned into a literary genre but Brill's book was among the first to capture the physical and spiritual aspects of the long journey across fourteen states Brill and his fellow hikers who are all portrayed in the book were relatively early devotees on a pilgrimage that within a few decades would become a popular rite of passage Indeed by the end of 1979 a mere 837

people had reported finishing the entire AT route over the trail's then 42 year history. The total now easily exceeds 20 000. Brill credits his trail experiences with inspiring his career as a magazine journalist and book author and providing the theme for much of his subsequent writing on nature and adventure travel. The trail also did much to shape his enduring values and beliefs. Though it took me a while to realize it, the trail had shaped me, had given me a philosophy, had toughened me in some ways, had softened me in others, and taught me lessons I will never forget: lessons on survival, kindness, strength, friendship, courage, perseverance, and the ways of nature. Brill writes in the book's final chapter, "Coming Home": Those lessons have affected everything I've done since. Readers find that Brill's experiences and observations on the healing power of nature from forty years ago are equally relevant in today's world. The book's first edition received widespread critical acclaim. The San Francisco Book Review wrote: "Evocatively written gems of observation full of native wisdom brimming over with thoughts and exploits. You read and read again; this book is that rich." Many other reviewers have commended the book on its honest portrayal of the trail experience and the literary quality of its prose. In its review, The Roanoke Times effused: "Thoreau lives."

*Illinois in the World War: The war-time organization of Illinois*, by Marguerite Edith Jenison Theodore Calvin Pease, 1923

Dismantling Glory Lorrie Goldensohn, 2006-04-18 Dismantling Glory presents the most personal and powerful words ever written about the horrors of battle by the very soldiers who put their lives on the line. Focusing on American and English poetry from World War I, World War II, and the Vietnam War, Lorrie Goldensohn, a poet and pacifist, affirms that by and large twentieth century war poetry is fundamentally antiwar. She examines the changing nature of the war lyric and takes on the literary thinking of two countries separated by their common language. World War I poets such as Wilfred Owen emphasized the role of soldier as victim. By World War II, however, English and American poets influenced by the leftist politics of W. H. Auden tended to indict the whole of society, not just its leaders, for militarism. During the Vietnam War, soldier poets accepted themselves as both victims and perpetrators of war's misdeeds, writing a nontraditional, more personally candid war poetry. The book not only discusses the poetry of trench warfare but also shows how the lives of civilians, women, and children in particular entered a global war poetry dominated by air power, invasion, and occupation. Goldensohn argues that World War II blurred the boundaries between battleground and home front, thus bringing women and civilians into war discourse as never before. She discusses the interplay of fascination and disapproval in the texts of twentieth century war and notes the way in which homage to war hero and victim contends with revulsion at war's horror and waste. In addition to placing the war lyric in literary and historical context, the book discusses in detail individual poets such as Wilfred Owen, W. H. Auden, Keith Douglas, Randall Jarrell, and a group of poets from the Vietnam War including W. D. Ehrhart, Bruce Weigl, Yusef Komunyakaa, David Huddle, and Doug Anderson. Dismantling Glory is an original and compelling look at the way twentieth century war poetry posited new relations between masculinity and war, changed and complicated the representation of war, and expanded the scope of antiwar thinking. *Fighting Shadows in Vietnam* Michael P. Moynihan, Jr., 2014-02-10 In this memoir, set as deeply

in his mind as in the Southeast Asian jungle a young American soldier embarks on a journey to a war that for him will never be over The world was a playground for Mickey a naive Irish American kid bored with his life His father served in World War II his brother was a Marine in Vietnam now it was his turn His 365 days in the hell that was Vietnam builds in torment until an attack on a bunker complex in Cambodia Wounded his friend captured he becomes a tormented survivor knowing he is always just a heartbeat from death His adventure turned nightmare brings a visceral understanding of the words penned by Thoreau the very same words Mickey s father spoke throughout Mickey s youth The mass of men lead lives of quiet desperation especially those at war This memoir chronicles the key perspective shaping experiences of a U S Army grunt fighting in Vietnam

**Soldiers Once** Catherine Whitney,2009-05-12 From a bestselling author the poignant story of her Vietnam veteran brother whose circumstances in death echo the dismal condition of countless veterans *Paths of Dissent* Andrew Bacevich,Daniel A. Sjursen,2022-08-02 American veterans who fought in Iraq and Afghanistan offer invaluable firsthand perspectives on what made America s post 9 11 wars so costly and disastrous Twenty years of America s Global War on Terror produced little tangible success while exacting enormous harm In Iraq and Afghanistan the United States sustained tens of thousands of casualties expended trillions of dollars and inflicted massive suffering on the very populations that we sought to liberate Now the inclination to forget it all and move on is palpable But there is much to be learned from the immense debacle And those who served and fought in these wars are best positioned to teach us *Paths of Dissent* collects fifteen original essays from American veterans of Iraq and Afghanistan hailing from a wide range of services ranks and walks of life who have come out in opposition to these conflicts Selected for their candor and eloquence by fellow veterans Andrew Bacevich and Daniel Sjursen these soldiers vividly describe both their motivations for serving and the disillusionment that made them speak out against the system Their testimony is crucial for understanding just how the world s self proclaimed greatest military power went so badly astray Contributors Gil Barndollar Dan Berschinski Joy Damiani Daniel L Davis Jason Dempsey Erik Edstrom Vincent Emanuele Gian Gentile Matthew P Hoh Jonathan W Hutto Sr Buddhika Jayamaha Roy Scranton Kevin Tillman Elliott Woods Paul Yingling *Arn's War* Edward C. Arn,2006 Arn writes in a straightforward and engaging manner that avoids false sentimentality or romanticism Instead he gives readers keen insights into the daily life of soldiers locked in gruesome events far beyond their experience and describes how it feels to be under fire to suffer a wound to agonize over the deaths of friends to endure true suffering to sacrifice and to survive Edited and annotated by Jerome Mushkat this memoir is an account of a citizen soldier who survived his baptism by fire during World War II **BOOK JACKET**

*Annual Encampment of the United Spanish War Veterans and Auxiliary* United Spanish War Veterans. Dept. of Michigan,1925 *Navy Medicine* ,2007 **Thucydides Translated Into English. With Introduction, Marginal Analysis, Note, and Indices** B. Jowett,2024-05-05 Reprint of the original first published in 1881 **Rhapsody in Junk** Marilyn Jeffers Walton,2007-05 This book is the culmination of three year s of research in four countries By meticulously

combing the archive records in England Germany Poland and the United States Marilyn Jeffers Walton has reconstructed the final mission of her father and his crew and located the German cemetery where one crewmate killed the day the plane was shot down was buried She searched for and found the remaining men of the crew of Rhapsody in Junk and reunited them after sixty years Interviews with the crew and fellow prisoners of war contributed puzzle pieces put together bit by bit that enabled her to find where they were captured and interrogated By searching old records letters diaries and mission records she was finally able to return to Germany and find the crash site of her father s B 24 where pieces of the plane still remained To her astonishment she met the woman who watched her father bail out and saw the very field where he landed During her return to Germany she connected emotionally with the people of the peaceful farm community of Wagersrott where her father was taken prisoner over six decades before In her quest to reconstruct the mission and her father s prisoner of war experiences Walton presents not only his story but the stories of the British and German people who both suffered greatly all caught up in the dictates of a mad man Revealed within the pages is a first hand account of the bombing of Dresden from a German couple who survived it Walton s odyssey through Europe allowed her to discover the rich fabric of the people who endured and survived the war and to weave their stories into a multi faceted mosaic that reflects the personal experiences of World War II

Jefferson Davis, Constitutionalist Jefferson Davis, 1923 The true story of the Southern Confederacy lies in the letters speeches and State papers of its leaders and its best justification will come after such historical materials have been made accessible to the truth loving historian of the future The private and public papers of such Southern leaders as Calhoun Davis and Lee will reveal as nothing else can the principles for which they contended and give to posterity the true estimate of their lives and deeds Introduction

## **Our Fathers War** Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Our Fathers War**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

### **Our Fathers War Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Our Fathers War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Our Fathers War has opened up a world of possibilities. Downloading Our Fathers War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Our Fathers War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Our Fathers War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Our Fathers War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Our Fathers War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Our Fathers War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Our Fathers War Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Our Fathers War is one of the best book in our library for free trial. We provide copy of Our Fathers War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Our Fathers War. Where to download Our Fathers War online for free? Are you looking for Our Fathers War PDF? This is definitely going to save you time and cash in something you should think about.
