Our Jewish Heritage:

Our Jewish Heritage Donna Hobeika Morton, 2011-09-01 Is Our Jewish Heritage Worth Saving? Joint Cultural Appeal, 197? **Our Jewish Neighbors** , 1927 **Our Jewish Heritage** Joseph Gaer, Alfred Wolf, 1974 Exploring Our Hebraic Heritage Marvin R. Wilson, 2014-07-09 In this very readable sequel to his popular book *Our Father Abraham* which has sold more than 70 000 copies Marvin Wilson illuminates theological spiritual and ethical themes of the Hebrew scriptures that directly affect Christian understanding and experience *Exploring Our Hebraic Heritage* draws from both Christian and Jewish commentary in discussing such topics as thinking theologically about Abraham understanding the God of Israel and his reputation in the world and what it means for humans to be created in God's image Wilson calls for the church to restore renew and protect its foundations by studying and appreciating its origins in Judaism Designed to serve as an academic classroom text or for use in personal or group study the book includes hundreds of questions for review and discussion

Our Father Abraham Marvin R. Wilson, 2021-06-29 Although the roots of Christianity run deep into Hebrew soil many Christians remain regrettably uninformed about the rich Jewish heritage of the church *Our Father Abraham* delineates the vital link between Judaism and Christianity exemplified by the common ancestry of the two faiths traceable back to Abraham Marvin Wilson calls Christians to reexamine their Semitic heritage to regain a more authentically biblical understanding of what they believe and practice Wilson a trusted voice among both Jews and Christians speaks to both past and present first developing a historical perspective on the Jewish origins of the church and then discussing how the church can become more attuned to the Hebraic mindset of Scripture Drawing from his own extensive experience he also offers valuable practical guidance for salutary interaction between Christians and Jews Discussion questions at the end of each chapter make this book especially suitable for use in groups Christian Jewish or interfaith as readers strive to make sense of their own faith in connection with the other The second edition of *Our Father Abraham* features a new preface an expanded bibliography of recent relevant works and two new chapters one that discusses Jewish Christian relations after the Holocaust and another that reflects on Wilson's own fifty plus year career as an evangelical Christian deeply committed to interfaith dialogue As Christians and Jews feel a growing need for mutual support in an increasingly secular Western world Wilson's widely acclaimed book will offer encouragement and wise guidance toward this worthy end The Vanishing American Jew Alan M. Dershowitz, 1998-09-08 Explores the meaning of Jewishness in light of the increasing assimilation of America's Jews and suggests ways to preserve Jewish identity The Jewish Forum , 1928 *How I Am a Jew* Howard W. Polsky, 2002 *How I Am a Jew* documents the life long journey of author Howard Polsky as he struggles to maintain his cultural Jewish heritage in the context of his American homeland This experience of one particular individual is the story of many Americans Most people living in the U S were born abroad or have parents or grandparents who were born abroad and share the effort described in this book to make meaning of their roots on the road to integrate the different parts of their identities

Reclaiming Our Forgotten Heritage Curt Landry, 2019-01-15 A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God's kingdom There is no better time than now to learn about and become firmly grounded within your spiritual heritage from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus and the church's culture was rooted in Judaism and a Jewish understanding of God's relationship to His people Over time however Christianity became increasingly more Roman than Jewish and the church lost its identity Rabbi Curt Landry's personal story is remarkably similar Born to a Jewish mother and a Catholic father Landry was put up for adoption and for more than thirty years he had no understanding of his heritage his roots or who his parents were But when he discovered the truth of his story his life changed completely The key to a life of power and purpose is understanding who you are In this revelatory book Curt Landry helps Christians discover their roots in Judaism empowering them to walk in the revelation of who they really are and who they are born to be *Reclaiming Our Forgotten Heritage* reveals the mysteries of the church letting Christians grasp the power that comes from connecting with their true identity

Bookmarked Wendy W. Fairey, 2015-03-10 Wendy Fairey grew up among books As the shy and studious daughter of famed Hollywood columnist Sheilah Graham F Scott Fitzgerald's lover during the last years of his life she began as a child reading her way through the library Fitzgerald had assembled for her mother and escaped into the landscape of classic English novels Their protagonists became her intimates starting with David Copperfield whose sensibility and aspirations seemed so akin to her own She felt as plain as Jane Eyre but craved the panache of Becky Sharp English novels squired her to adulthood and *Bookmarked* is a memoir of that journey In a series of

brilliant chapters that blend the genres of personal memoir and literary criticism we follow Fairey refracted through her reading as student wife professor mother grandmother and happily remarried writer E M Forster s *Howards End* helps her cope with a failing marriage Virginia Woolf s *Mrs Ramsay* teaches important lessons about love and memory Like Eliot s *Daniel Deronda* she learns only as an adult of her Jewish heritage and learns also the identity of her real father the British philosopher A J Ayer In this intimate and inspiring book Wendy Fairey shows that her love of reading has been both a source of deep personal pleasure and key to living a fulfilling and richly self examined life Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
