Our Journey With Jesus Discipleship According To Mark:

Our Journey with Jesus Dennis M. Sweetland, 1987 **Our Journey with Jesus** Dennis M. Sweetland, 1990 We learn from Luke's perspective what it means to follow the call to discipleship and to live in community *New Views on Luke and Acts* Earl Richard, 1990 This volume is a product of the Luke Acts Task Force of the Catholic Biblical Association The intended readership of this collection of articles is threefold The introductory essays address the relative beginner in Biblical studies as well as those who do not specialize in Luke and Acts These are provided with an overview of Luke the early Christian writer The principal reader of this collection however is the Biblical student and teacher who requires a relatively comprehensive survey of Lukan studies in terms of content and methodology Both teacher and student will find in these essays an excellent companion to the actual text of Luke and Acts At the same time a number of these essays break new ground and offer a challenge to other New Testament scholars **Following the Master** Michael J. Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In *Following the Master* Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship *Following the Master* compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers *Following Jesus Christ* John K. Goodrich, Mark L. Strauss, 2019-11-19 A Comprehensive Guide to Discipleship in the New Testament and Today's World Although the concept of discipleship is an integral part of New Testament teaching it has largely faded from discussion in both the academy and the local church To revive and reclaim this teaching for believers in the twenty first century editors John Goodrich and Mark Strauss have assembled an expert team of scholars to uncover what every New Testament book teaches about discipleship providing a comprehensive biblical picture In addition other contributors explore discipleship in the context of the local church spiritual formation and the life of the mind Together these essays point the way forward for becoming more like Jesus Christ and helping others do the same in our personal and corporate lives An impressive roster of scholars who have addressed a vital but often neglected topic in both the church and in the academy Rich with insight *Following Jesus Christ* represents a major advance in this essential area of study Craig A Evans Houston Baptist University
