M'Ghee** Robert James M'Ghee, 1837 A Catholic Commentary on Holy Scripture Bernard Orchard, 1953 The Catechism Explained Francis Spirago, 1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord s teaching and may be called a guide book for the Christian on the road to

Fundamental Theology Gerald O'Collins,2001-06-26 This book is an updated investigation of the central themes of fundamental theology revelation hermeneutics faith and its formulations and the role of authoritative teaching in the Church

In a clear and balanced manner Gerald O Collins sums up the best of Roman Catholic teaching since Vatican II. Students and others who are reflecting on the nature of their Christian belief will find this book invaluable. The unique quality of this work however is its foundation in human experience. Before he probes the theological issues O Collins lays down a groundwork for understanding experience. It is not an attempt to turn fundamental theology into a subjective science but it is a recognition that the reality of God always intersects with self-conscious human beings. While it does not touch all of the themes of fundamental theology the book does provide in depth treatment of revelation, tradition, and inspiration.
