The Gift Kirk Douglas,2009-11-29 Patricia Dennison s life is a chain of melodramatic events on the disastrous scale of the Titanic Terrorists have executed her father on a passenger plane She has inherited a multibillion dollar empire that she doesn t want whose directors are plotting against her The philanthropic doctor to whom she is engaged turns out to be gay So she falls instead for a Portuguese bullfighter who has just killed the husband of his last unfaithful lover And so with grandiose implausibility the successive episodes crash one upon the next

The Ultimate Book of Horse Bits Emily Esterson,2019-02-05 As even a quick glance around a saddler shop or through a tack store catalog will show the world of horse bits is both enormous and mystifying The primary means of communicating with and controlling a horse Western and English bits come in a bewildering assortment of materials sizes and shapes Their descriptions full cheek snaffle hackamore high port French link Tom Thumb spade KK Ultra are no less puzzling and with new bits and refinements being produced every year even the most experienced horseman must struggle to keep up with the state of the art The Ultimate Book of Horse Bits will answer all your questions on the subject and then some Not only does the author and horsewoman Emily Esterson go into detail about all kinds of equine mouthware and how each is constructed but she also explains how and why each works in the context of what the rider wants the horse to accomplish Does your horse have difficulty bending or flexing Suggestions and solutions to these and myriad other horse and rider problems will be found throughout these authoritative yet user friendly pages Whether a novice or expert horseman every rider trainer or owner in any equestrian discipline will benefit from this book s wide ranging and practical information for years to come

Positive Horses Patti Dammier PhD,2019-09-25 Horse training isn t a mystical procedure In fact there isn t mystery in the methods necessary to teach any skill To learn any skill there is a logical sequence that if adhered to allows a behavior to be taught and learned Creating a Positive Horse consists of using positive methods which in turn creates a positive attitude Positive Horses explains those positive methods necessary to create horses that perform on taught learned cues both on the ground and in the saddle that are systematically rewarded but also have an extremely positive attitude to their trainer companion The system uses the method Behavior Modification This book is about Explanation of basic educational methods using systematic sequences that support training horses Creating the goals and objectives for each individual horse rather than a one size fits all approach Training using positive reinforcement how food rewards creates useable cues instead of the trainer performing meaningless behavior that the horse doesn t understand Horses learning basic cues come stand walk on

and halt which provides safety on the ground and assists in the next work in the saddle Applying basic training to other equestrian disciplines Addressing training method failure because the trainer doesn't assess the correct behavior to reward and doesn't understand the methods Horse case studies exemplifying the use of behavioral methods

Deciphering Dressage Karen L. Davis, 2007-07-30 The definitive guide to dressage the art science and secrets of graceful horsemanship for riders who want to exude natural elegance in the saddle Dressage has been described as a beautiful ballet on horseback It embodies an innate grace a seemingly effortless flow and an easy harmony between horse and rider Dressage elevates riding from a sport to an art form One of the fastest growing equestrian sports in America it appeals to competitive riders as well as those who simply want to improve their mounts and their skills Because the principles of dressage encompass the art and science of horsemanship and every aspect of the horse rider relationship dressage training enhances other equestrian disciplines The exercises and patterns help improve the horse's overall balance and athleticism and make the mount more responsive Ideal for beginning enthusiasts or people who simply want to appreciate the elegance and finesse of classical riding Deciphering Dressage unlocks the secrets of classical precision riding It covers Choosing and caring for a suitable dressage horse Buying tack and riding apparel Sitting the horse correctly and using aids or subtle signals to cue the horse Preparing for competitions Riding a dressage test Competition and scoring Recognized shows schooling shows ride a tests and eventing Complete with over fifty photographs and drawings as well as step by step explanations of exercises and maneuvers this guide helps riders master the basics of this exceptionally demanding and rewarding discipline

Dressage in the Fourth Dimension Sherry Ackerman, 2010-09-07 Dressage is often seen as the most formal and controlled of the equine sports following an ancient standardized training progression For philosopher and dressage instructor Dr Sherry Ackerman dressage is much more It along with riding in general can be a transformational art and an avenue for reflection exploration and self knowledge through which a rider can experience liberation from the individual egoistic self This second revised edition of Dressage in the Fourth Dimension is a pioneer work in awakening dressage consciousness Drawing on such diverse sources as sacred geometry ancient Western and Eastern philosophies and esoteric spirituality Ackerman seeks to heal humanity's alienation from nature through riding She points us toward the liberation from societal conditioning and normative thinking and ultimately from our own egos Her concept of the fourth dimension requires us to leave the analytic objective mind behind and enter into the mystery of inspiration A short unique thought provoking work that has enjoyed a word of mouth reputation among horse people for years Dressage in the Fourth Dimension will challenge riders assumptions about their horses and themselves

Domestic Animals and Leisure Neil Carr, 2016-04-29 This volume offers both an insight into the current state of research on domestic animals in leisure and a lens through which to begin to chart the future of research in this field All of the contributions to the collection are underpinned by ongoing debates about human animal relationships and the rights and welfare of the latter
