C. Lopes,2005-01-13 The Volcano

Adventure Guide is the first book of its type. It contains vital information for anyone wishing to visit, explore and photograph active volcanoes safely and enjoyably. Following an introduction that discusses eruption styles of different types of volcanoes, how to prepare for a volcano trip and how to avoid volcanic dangers, the book presents guides to visiting 42 different volcanoes around the world. This section is packed full of practical information including tour itineraries, maps, transportation details and warnings of possible non-volcanic dangers. Three appendices at the end of the book direct the reader to a wealth of further volcano resources. Aimed at non-specialist readers who wish to explore volcanoes without being foolhardy, it will fascinate amateur enthusiasts and professional volcanologists alike. The stunning colour photographs throughout the book will delight armchair travellers as well as inspire the adventurous to get out and explore volcanoes for themselves.
