American Kompromat Craig Unger, 2021-01-26 THE INSTANT NEW YORK TIMES BESTSELLER Kompromat n Russian for compromising information This is a story about the dirty secrets of the most powerful people in the world including Donald Trump It is based on exclusive interviews with dozens of high level sources intelligence officers in the CIA FBI and the KGB thousands of pages of FBI investigations police investigations and news articles in English Russian and Ukrainian American Kompromat shows that from Trump to Jeffrey Epstein kompromat was used in operations far more sinister than the public could ever imagine Among them the book addresses what may be the single most important unanswered question of the entire Trump era Is Donald Trump a Russian asset The answer American Kompromat says is yes and it supports that conclusion backs with the first richly detailed narrative on how the KGB allegedly first spotted Trump as a potential asset how they cultivated him as an asset arranged his first trip to Moscow and pumped him full of KGB talking points that were published in three of America's most prestigious newspapers Among its many revelations American Kompromat reports for the first time that According to Yuri Shvets a former major in the KGB Trump first did business over forty years ago with a Manhattan electronics store co owned by a Soviet migr who Shvets believes was working with the KGB Trump's decision to do business there triggered protocols through which the Soviet spy agency began efforts to cultivate Trump as an asset thus launching a decades long relationship of mutual benefit to Russia and Trump from real estate to real power Trump's invitation to Moscow in 1987 was billed as a preliminary scouting trip for a hotel but according to Shvets was actually initiated by a high level KGB official General Ivan Gromakov These sorts of trips were usually arranged for deep development recruitment or for a meeting with the KGB handlers even if the potential asset was unaware of it Before Trump's first trip to Moscow he met with Natalia Dubinina who worked at the United Nations library in a vital position usually reserved as a cover for KGB operatives And many more

The Power of Israel in the United States

James Petras,2011-02-07 This book is a chapter by chapter analysis and documentation of the power of Israel via the Israeli Jewish or Pro Zionist Lobby on US Middle East policy It raises serious questions as to the primary beneficiary of US policy and its destructive results for the United States The extraordinary extent of US political economic military and diplomatic support for the state of Israel is explored along with the means whereby such support is generated and consolidated Contending that Zionist power in America ensured unconditional US backing for Israeli colonization of Palestine and its massive uprooting of Palestinians it views the interests of Israel rather than those of Big Oil as the primary cause of the disastrous US wars against Iraq and threats of war against Iran and Syria It demonstrates and condemns US imitation of Israeli practice as it relates to conduct of the war on terrorism and torture It sheds light on the AIPAC spying scandal and other Israeli espionage against America the fraudulent and complicit role of America s academic terrorist experts in furthering criminal government policies and the orchestration of the Danish cartoons to foment antipathy between Muslims and the West It questions the inability in America to sustain or even formulate a discourse related to the subject of Israeli influence on the United States It calls for a review of American Mid East policy with a view to reclaiming US independence of action based upon enlightened self interest and progressive principles **Maggie's Hammer** Geoffrey Gilson,2015-08-28

Charles Sterin,Tameka Winston,2017-11-22 Now in its Third Edition Mass Media Revolution remains a dynamic guide to the world of mass media enhancing its readers development as critical consumers It features a wealth of expanded content with particular attention to diversity in the media industry reality TV ethics and social media and the evolution of online journalism Chapter content is aligned to the ACEJMC national academic standards **Human Intelligence** Robert David Steele,2010 The author explores the centrality of Human Intelligence HUMINT in meeting the needs of the U S Army the Department of Defense and the whole of government Such intelligence is essential to create a national security strategy to define whole of government policies to acquire the right capabilities at the right price in time to be useful and to conduct local and global operations He outlines 15 distinct types of HUMINT four of which are classified defensive and offensive counterintelligence clandestine operations and covert action with the other 11 being predominantly unclassified The author offers the U S Army an orientation to a world in which thinkers displace shooters as the center of gravity for planning programming and budgeting as well as the proper structuring of mission mandates force structures and tactics and techniques to be used in any given mission area Harry Alan Towers Dave Mann,2014-11-03 Harry Alan Towers reputation rests upon a corpus of 95 low budget productions shot post haste in every corner of the globe He took an integral part however in the development of the protocols that now underpin much transnational film production and he must be regarded as a pioneer Towers slash and burn strategy focused on parasitic back to back productions funded by rights bundles that were pre sold globally This strategy was substantially derived from his early days in broadcasting wherein he acted as a go between in the American and the British Commonwealth markets Though he became adept at procuring funds from pariah regimes and black market economies primarily he continued to act as a broker bringing together American equity investment and European finance under the auspices of EC co production agreements He was also quick to exploit the burgeoning niche markets becoming available in the wake of technological developments and government initiatives *House of Trump, House of Putin* Craig Unger,2019-09-03 THE NEW YORK TIMES BESTSELLER The story Unger weaves with those earlier accounts and his original reporting is fresh illuminating and more alarming than the intelligence channel described in the Steele dossier The Washington Post House of Trump House of Putin offers the first comprehensive investigation into the decades long relationship among Donald Trump Vladimir Putin and the Russian Mafia that ultimately helped win Trump the White House It is a chilling story that begins in the 1970s when Trump made his first splash in the booming money drenched world of New York real estate and ends with Trump s inauguration as president of the United States That moment was the culmination of Vladimir Putin s long mission to undermine Western democracy a mission that he and his hand selected group of oligarchs and Mafia kingpins had ensnared

Trump in starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City This book confirms the most incredible American paranoias about Russian malevolence To most it will be a hair raising revelation that the Cold War did not end in 1991 that it merely evolved with Trump s apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union In House of Trump House of Putin Craig Unger methodically traces the deep rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia He traces Donald Trump s sordid ascent from foundering real estate tycoon to leader of the free world He traces Russia s phoenix like rise from the ashes of the post Cold War Soviet Union as well as its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower Without Trump Russia would have lacked a key component in its attempts to return to imperial greatness Without Russia Trump would not be president This essential book is crucial to understanding the real powers at play in the shadows of today s world The appearance of key figures in this book Paul Manafort Michael Cohen and Felix Sater to name a few ring with haunting significance in the wake of Robert Mueller s report and as others continue to close in on the truth

Christianity and Rabbinic Judaism Jonas E. Alexis, 2011-12 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and

provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications for Western culture intellectual history and theological exegesis **The Publishers Weekly** ,2003 **Dynamic Fair Dealing** Rosemary Coombe,Darren Wershler,Martin Zeilinger,2014-05-27 Dynamic Fair Dealing argues that only a dynamic flexible and equitable approach to cultural ownership can accommodate the astonishing range of ways that we create circulate manage attribute and make use of digital cultural objects The Canadian legal tradition strives to balance the rights of copyright holders with public needs to engage with copyright protected material but there is now a substantial gap between what people actually do with cultural forms and how the law understands those practices Digital technologies continue to shape new forms of cultural production circulation and distribution that challenge both the practicality and the desirability of Canada s fair dealing provisions Dynamic Fair Dealing presents a range of insightful and provocative essays that rethink our relationship to Canadian fair dealing policy With contributions from scholars activists and artists from across disciplines professions and creative practices this book explores the extent to which copyright has expanded into every facet of society and reveals how our capacities to actually deal fairly with cultural goods has suffered in the process In order to drive conversations about the cultural worlds Canadians imagine and the policy reforms we need to realize these visions we need Dynamic Fair Dealing **The Barnes Review** ,2003 **Contemporary Authors New Revision Series** Tracey Watson,2005-06 In response to the escalating need for up to date information on writers Contemporary Authors R New Revision Series brings researchers the most recent data on the worlds most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors R entries For your convenience a soft cover cumulative index is sent biannually *Human intelligence* Jack Fincher,1976 [The Washington Post Index](#) ,1989
