Pro Sports in 1993 David Ostrowsky,2020-10-15 America and Canada both saw historic sports milestones in 1993 While the Dallas Cowboys and Chicago Bulls reigned supreme the Toronto Blue Jays won a second consecutive World Series on a walk off homer and the Montreal Canadiens emerged as the last Canadian team to win a Stanley Cup While stars like Michael Jordan Wayne Gretzky and Joe Montana overcame physical and emotional challenges to make history teams were performing unprecedented feats from the Buffalo Bills unrivaled comeback on Wild Card Weekend to the Baltimore Orioles unveiling of their transformative ballpark design during All Star Week Drawing on original interviews with dozens of former players and coaches this book revisits an exceptional sports year for fans across North America with memorable stories involving some of the most iconic sports figures of the 1990s *Baseball's Hall of Fame or Hall of Shame?* , This fascinating book covers every era of baseball position by position and answers the question Which players really belong in the Hall of Fame Using eight simple criteria to determine the level of dominance each player exhibited during his career baseball superexpert Robert Cohen defines the qualities a true Hall of Fame player should possess Cohen solves or fuels the debate on who belongs in the Hall of Fame and who doesn't He also discusses the careers of the best players not elected to the Hall of Fame and the circumstances surrounding the greatest injustices in the selection process very great player is examined not only in relation to the era in which he played but against all the Hall worthy stars who ever manned the position *Sports Stars* Michael A. Orioles don't respect history it's that from the very beginning Baltimore was intent on making its own history And to that end the franchise has been extraordinarily successful In St Louis the Browns had more 100 loss seasons than any team in baseball history in Baltimore it barely took Earl Weaver a decade to manage the Orioles to five 100 win seasons In St Louis the Browns backed into one Pennant in five decades In Baltimore the Orioles built a powerhouse that dominated the better part of two decades and won six Pennants There have been ups and downs obviously like every franchise and plenty of lean years to go with the championships but with its successes and the many legends its produced since 1954 the Orioles have achieved the same status if you will as its division rivals New York and Boston as being one of baseball's truly great franchises A virtual who's who of baseball royalty spent time playing in Baltimore from Brooks Robinson Frank Robinson and Jim Palmer to Cal Ripken Jr and Eddie Murray to today's superstars Chris Davis and Manny Machado You can't discuss the game's greatest moments without including the Orioles You can't tour the Hall of Fame in Cooperstown without seeing the influence of the Birds This is a book of trivia and history It's meant for diehard baseball fans but whether or not you count yourself part of Orioles fandom is irrelevant because the history of the Birds is inextricably linked with the history of baseball so sit back and reminisce with ten chapters of Baltimore Orioles history baseball stories and 200 brand new trivia questions that will wrack your brain and test your skills It's your Orioles IQ the ultimate test of true fandom
