

Secrets of Western Tantra

The Sexuality of the Middle Path

Christopher S. Hyatt, Ph.D.

Preface by James Wasserman

Introduction by Robert Anton Wilson

Secrets Of Western Tantra The Sexuality Of The Middle Path

Hugh B. Urban

Secrets Of Western Tantra The Sexuality Of The Middle Path:

Secrets of Western Tantra Christopher S Hyatt, 2008 So many books on Tantra are obscure obtuse and of little real use especially for the Western Practitioner Finally there is a book which provides a direct honest pragmatic no holds barred approach to the most powerful methods for personal growth and spiritual attainment Sex is one of the most powerful forces on the planet and until it is transformed the people and the planet will remain asleep This revised edition includes a new article by S Jason Black Tantra Hugh B. Urban, 2012 Bhadriraju Krishnamurti 1928 is Professor and Head of the department of Linguistics at Osmania University Hyderabad He received a B A Hons Degree 1948 in Telugu language and literature at Andhra University Waltair and an M A 1955 and Ph D 1957 in linguistics from the university of Pennsylvania U S A *Secrecy* Hugh B. Urban, 2021-01-12 The powers of political secrecy and social spectacle have been taken to surreal extremes recently Witness the twin terrors of a president who refuses to disclose dealings with foreign powers while the private data of ordinary citizens is stolen and marketed in order to manipulate consumer preferences and voting outcomes We have become accustomed to thinking about secrecy in political terms and personal privacy terms In this bracing new work Hugh Urban wants us to focus these same powers of observation on the role of secrecy in religion With *Secrecy* Urban investigates several revealing instances of the power of secrecy in religion including nineteenth century Scottish Rite Freemasonry the sexual magic of a Russian born Parisian mystic the white supremacist Br derSchweigen or Silent Brotherhood movement of the 1980s the Five Percenters and the Church of Scientology An electrifying read *Secrecy* is the culmination of decades of Urban s reflections on a vexed ever present subject *Religions of the East* Stephen Hunt, 2017-05-15 Under the rubric of *Religions of the East* which includes Buddhism Hinduism Sikhism Jainism and a myriad of Chinese religio philosophies are a vast range of views concerning human sexuality These contrasting attitudes are mapped through this volume on *Religions of the East* in The Library of Essays on Sexuality and Religion series Part 1 presents previously published articles that explore several Eastern Religions in the way they construct sexuality through expressions of their pertinent holy writings and belief systems as applied in differing historical and cultural contexts Part 2 takes sexual renunciation and asceticism as its focus through the traditions of Hinduism Jainism and the Chinese religious systems Part 3 explores the connection between sexuality gender and sexuality in Hindu and Buddhist customs in varied social settings The final part of the volume includes articles examining Eastern religions in their attitudes towards sexual variants including bi sexuality trans sexuality and contested sexual categories *Taboo* Christopher S. Hyatt, Lon Milo DuQuette, Diana Rose Hartmann, 2001 Be warned This book contains descriptions of practices which might be considered as horrid or shocking to most in the Western world The extensive case histories and rituals expose what is perhaps the most unspeakable and for its practitioners unspoken taboo of the Western psyche the union of sex and religion A must have for those interested in Sex Magick Chaos Magick Thelema and the Golden Dawn **Aleister Crowley's Illustrated Goetia** Aleister Crowley, Lon Milo

DuQuette, Christopher S. Hyatt, 1992 Goetia refers to all the operations of that Magick which deals with gross malignant or unenlightened forces Goetia is sometimes thought of as a wild card something that can get out of control something which expresses the operator's lower desires to control others and improve his own personal life And in fact this potential loss of control this danger the desire for self improvement and great power is exactly what attracts many people to Goetia while horrifying and repelling others Crowley's Goetia is brought to life with vivid illustrations of the demons Commentary by DuQuette and Hyatt bring the ancient arts into the modern day **The Psychopath's Bible** Christopher S. Hyatt, Jack Willis, 2003 Second Edition Expanded Revised cover **International Encyclopaedia of Buddhism**, 1997 **Sexuality, Religion, and Magic** Michael A. Kőszegi, 1994 **Forthcoming Books** Rose Arny, 1990
