Secrets Of The Haggadah:

Secrets of the Haggadah, 1989 The Secrets of the Haggadah Matityahu Glazerson, 1996-04 Rabbi Matityahu Glazerson has used his unique approach to uncover the exalted ideas that the words and letters of the holy language Hebrew convey This approach is especially suited to the study of Haggadah for the holiday of Passover does not only symbolize our redemption but is also symbolic of the holy language Pharaoh's underlying motive was to break down the barriers that separated the Jew from the Egyptian thus effecting our spiritual downfall through assimilation The sages teach that one of the reasons why the Jews in Egypt deserved to be redeemed was that they continued to speak Hebrew In this way they guaranteed their distinctiveness and their sanctity **Haggadah** Matityahu Glazerson, 1989 *The Secret of Redemption* Jeffrey Gale, 2023-09-22 It is November 2013 nearly thirty years after Rabbi Levin taught and comforted refusenik families in the former Soviet Union and presided over the twinning of his bat mitzvah student Simone Da Costa with Sanna Tsivkin of Leningrad Rabbi Levin is currently serving a synagogue in northern Manhattan which consists of a substantial number of Holocaust survivors As his congregation observes the seventy fifth anniversary of Kristallnacht he is acutely aware of hatred of the other in America Inequality discrimination segregation violence against racial minorities anti Semitic incidents and anti immigrant bias were in full force ICE was bearing down hard upon illegal immigrants Many have taken refuge in religious institutions to avoid deportation and family separation The ghosts of 1938 have reappeared on the synagogue's doorstep Both Kristallnacht and its aftermath and the plight of Soviet Jewry seem as if they had only happened yesterday Thousands of miles away Rabbi Levin's daughter Bracha engages in graduate work at Hebrew University in Jerusalem and works for a human rights organization She is on the front lines of the ongoing Israel Palestinian conflict As a lover of Zion who is saddened by acts of terrorism perpetrated against her own people she witnesses prejudice and violations of human rights and becomes disillusioned A famous saying attributed to the Baal Shem Tov states that forgetfulness leads to exile but remembrance is the secret of redemption The upcoming observance of Kristallnacht sets off a chain of events which would lead to communal challenges and would move Rabbi Levin's community work in an unpredictable direction Bracha's experiences would lead to serious questioning that would shape her career path As both father and daughter embark upon a journey of remembrance face the challenges of the present and envision a brighter future for humanity they discover the real secret of redemption *Hidden Inheritance* Heidi B. Neumark, 2021-11-29 Heidi Neumark's life changed when a few computer keystrokes exposed generations of family secrets raising questions she could not answer How did she never know of her grandfather's murder Or that her grandmother was a death camp survivor Why had the family history and faith been hidden What did this mean for her work as a pastor community organizer and advocate with marginalized and oppressed communities Seeking answers to these questions Heidi traveled across the ocean and into the depths of her soul to encounter a family and spiritual heritage she never knew she had For any who have had secrets closeted identities and silence shape

their lives Heidi's journey is more than a spellbinding memoir It's also a courageous call to discover what can happen when all that has been hidden is finally brought to life

A Book of the Beginnings

Gerald Massey, 2007-09-01 After enjoying years as a popular journalist and poet intellectual and freethinker Gerald Massey turned his vast studies in the field of Egyptology into *A Book of the Beginnings* a bold statement that the origin of all civilization lays in ancient Egypt His assertions radical at the time indeed almost a century before the discovery of three million year old human remains in Africa resonate loudly today when molecular biology is making corresponding discoveries alongside the still raging creation versus evolution controversy In Volume II Massey intelligently argues an Egyptian origin for Biblical symbology lexicography and mythology Here he not only asks if the oldest Jewish and Christian axioms were really born on

the banks of the Nile he offers a stalwart and profound Yes British author GERALD MASSEY 1828 1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including The Natural Genesis and Ancient Egypt The Light of the World **The Last Kabbalist of Lisbon** Richard Zimler, 2000-03-15 International Bestseller A moody tightly constructed historical thriller a good mystery story and an effective evocation of a faraway time and place The New York Times After Jews living in sixteenth century Portugal are dragged to the baptismal font and forced to convert to Christianity many of these New Christians persevere in their Jewish prayers and rituals in secret and at great risk the hidden arcane practices of the kabbalists a mystical sect of Jews continue as well One such secret Jew is Berekiah Zarco an intelligent young manuscript illuminator Inflamed by love and revenge he searches in the crucible of the raging pogrom for the killer of his beloved uncle Abraham a renowned kabbalist discovered murdered in a hidden synagogue along with a young girl in dishabille Risking his life in streets seething with mayhem Berekiah tracks down answers among Christians New Christians Jews and the fellow kabbalists of his uncle whose secret language and codes by turns light and obscure the way to the truth he seeks A marvelous story a challenging mystery and a telling tale of the evils of intolerance The Last Kabbalist of Lisbon both compels and entertains The story moves quickly a literary and historical treat Library Journal Remarkable The fever pitch of intensity Zimler maintains is at times overwhelming but never less than appropriate to the Hieronymous Bosch like landscape he describes Simultaneously though he is able to capture within the bedlam quiet moments of tenderness and love Booklist starred review **A Book of the Beginnings** Gerald Massey, 1881
