Dream Brian Paone, 2022-06-14 War broke his spirit Can a young marine find healing in a world he ll never see the same way again The South Atlantic Ocean 1982 Royal Marine Fletcher Layne never expected to see combat when he enlisted despite his father s vehement protests Yet when he is deployed to the tiny Falklands Islands he figures Argentina wouldn t dare challenge the islands mighty British sovereignty But all hell breaks loose over the territorial dispute and he s devastated when a bullet misses him and kills a young comrade Returning home with a heavy heart plagued by guilt Fletcher resents any celebration of his heroism and his parent s disapproval And as the traumatized survivor wrestles with two imagined voices of nagging conscience he fears not even the gentle touch of a kind nurse will get him through to a peaceful tomorrow Can he gain ground over his anguish before the darkness drags him down forever **Take Up Thy Bed and Walk** Lois Keith, 2001

Heidi The Secret Garden and Pollyanna are all classic girls books featuring a miracle cure of an invalid character who literally gets up and walks away from illness or paralysis Such stories were common in Victorian novels and they implicitly conveyed the idea that disability and physical suffering were punishment for wrongdoing unruly girls could not enter womanhood unless they were tamed and an accident was the perfect plot device for this transformation Other characters like Helen Burns in *Jane Eyre* or Beth in *Little Women* were just too good to live and died so that another character could be redeemed by their example Lois Keith points out in this study that the temptation to either cure or kill off disabled characters has surprising tenacity The widespread belief that a disabled life isn t a full life and that patients can cure themselves through force of will endures to the present day In *Take Up Thy Bed Walk* Lois Keith brings her lively and observant eye to

the classic books of childhood from Jane Eyre Heidi and Pollyanna to modern American classics such as Laura Ingalls Wilder's Little House on the Prairie and Judy Blume's Deenie Keith explores the recurring images of impairment and ill health in literature and asks the reader to reconsider the messages they send to a devoted young audience This book is also a testament to the singular passion with which these books are read by younger readers and reminds us of the intensity of our own reading experience as children

Flight Path David Hill, 2017-04-03 A gripping novel for young adults that captures both the daring and the everyday realities of serving in the Air Force during the Second World War Pete and Paul yelled together Bandit Nine o'clock Bandit Jack spun to stare There was the Messerschmitt on their left streaking straight at them Eighteen year old Jack wanted to escape boring little New Zealand But he soon finds that flying in a Lancaster bomber to attack Hitler's forces brings terror as well as excitement With every dangerous mission he becomes more afraid that he'll never get back alive He wants to help win the war but will he lose his own life My Brother's War there are stories that need to be told over and over again to introduce a new generation of readers to important ideas and to critical times in their country's history Hill's descriptions of trench warfare are unforgettable from the Judges Report of the New Zealand Post Book Awards for Children and Young Adults 2013

Below David Hill, 2023-02-28 Caught in a tunnel collapse Liam and Imogen have to use all their wits to survive in this gripping novel for readers eight years and up Wright Family Foundation Esther Glen Award for Junior Fiction 2023 When you stood deep inside the tunnel you could hear the mountain groaning overhead That's what Liam Geary's father had told him anyway It sounded stupid till you stood inside a big tunnel felt those billions of tonnes pressing in from above and the sides heard water dripping from ceilings or even trickling like something's blood behind the concrete walls sensed the blackness that lay beyond the TBM's blazing lights as it ground its slow way through the stone ahead Then you knew that a major tunnel like the Puketapu was a place of power somehow that darkness and danger lurked all around When Liam dares his classmate Imogen to come on a forbidden tour of the railway tunnel being drilled through a nearby mountain he hopes she'll quit protesting about it damaging the environment his dad is an engineer working on the tunnel after all Just as they reach the huge tunnelling machine everything goes horribly wrong When the rocks stop falling and the dust settles they are trapped kilometres below ground in the dark Water is trickling in and beginning to rise And nobody knows where they are Can they stop arguing and start working together to escape before time runs out
