Conner, 2012-06-11 Nearly twenty percent of adolescents have developmental disabilities, yet far too often they are marginalized within churches. Amplifying Our Witness challenges congregations to adopt a new practice-centered approach to congregational ministry, one that includes and amplifies the witness of adolescents with developmental disabilities. Replete with stories taken from Benjamin Conner's own extensive experience with befriending and discipling adolescents with developmental disabilities, Amplifying Our Witness shows how churches exclude the mentally disabled in various structural and even theological ways. Stresses the intrinsic value of kids with developmental disabilities. Reconceptualizes evangelism to adolescents with developmental disabilities, emphasizing hospitality and friendship. **Federal Register**, 1973-02 *Code of Federal Regulations*, 1975 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries. *The Code of Federal Regulations of the United States of America*, 1973 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government. **Cumulative Supplement to the Code of Federal Regulations of the United States of America**, 1943 *Toddlers & Adhd* Donna Mac LCPC, 2014-03-10 Is your toddler going through the whacky one's terrible two's, troublesome three's or fudgesicle four's/fives?
