

SEEING IN THE DARK

A COMPENDIUM OF CINEMAGOING

edited by ian breakwell and paul hammond

Seeing In The Dark A Compendium Of Cinemagoing

Christian Keathley

Seeing In The Dark A Compendium Of Cinemagoing:

Seeing in the Dark Ian Breakwell, Paul Hammond, 1990 Contributors who share a deep passion for the cinema recount their personal recollections of cinema going in this anthology which describes open air film shows in Baghdad or Australia childhood memories of the cinema in London fashionable art cinemas in New York and dingy flea pits elsewhere

Cinephilia and History, or The Wind in the Trees Christian Keathley, 2005-11-24 Cinephilia and History or The Wind in the Trees is in part a history of cinephilia in part an attempt to recapture the spirit of cinephilia for the discipline of film studies and in part an experiment in cinephilic writing Cinephiles have regularly fetishized contingent marginal details in the motion picture image the gesture of a hand the wind in the trees Christian Keathley demonstrates that the spectatorial tendency that produces such cinematic encounters a viewing practice marked by a drift in visual attention away from the primary visual elements on display in fact has clear links to the origins of film as defined by Andr Bazin Roland Barthes and others Keathley explores the implications of this ontology and proposes the cinephiliac anecdote as a new type of criticism a method of historical writing that both imitates and extends the experience of these fugitive moments **British Film Institute Film Classics**

Rob White, Edward Buscombe, 2003 **Consuming Passions** Sian Griffiths, Jennifer Wallace, 1998 What people ate used to be considered marginal and insignificant CONSUMING PASSIONS shows how that picture is changing This collection of essays reveals that historians sociologists psychiatrists philosophers along with ordinary people are seriously studying the relationship between what we eat and how we live behave and think 20 illustrations **Seeing in the Dark** Ian

Breakwell, Paul Hammond, 1990 Contributors who share a deep passion for the cinema recount their personal recollections of cinema going in this anthology which describes open air film shows in Baghdad or Australia childhood memories of the cinema in London fashionable art cinemas in New York and dingy flea pits elsewhere Cinema Memories Melvyn

Stokes, Matthew Jones, Emma Pett, 2022-03-10 Cinema Memories brings together and analyses the memories of almost a thousand people of going to the cinema in Britain during the 1960s It offers a fresh perspective on the social cultural and film history of what has come to be seen as an iconic decade with the release of films such as A Taste of Honey The Sound of Music Darling Blow Up Alfie The Graduate and Bonnie and Clyde Drawing on first hand accounts authors Melvyn Stokes Matthew Jones and Emma Pett explore how cinema goes constructed meanings from the films they watched through a complex process of negotiation between the films concerned their own social and cultural identities and their awareness of changes in British society Their analysis helps the reader see what light the cultural memory of 1960s cinema going sheds on how the Sixties in Britain is remembered and interpreted Positioning their study within debates about memory 1960s cinema and the seemingly transformative nature of this decade of British history the authors reflect on the methodologies deployed the use of memories as historical sources and the various ways in which cinema and cinema going came to mean something to their audiences **British Cinema in the Fifties** Christine Geraghty, 2002-01-04 In the fifties British cinema won large

audiences with popular war films and comedies creating stars such as Dirk Bogarde and Kay Kendall and introducing the stereotypes of war hero boffin and comic bureaucrat which still help to define images of British national identity In *British Cinema in the Fifties* Christine Geraghty examines some of the most popular films of this period exploring the ways in which they approached contemporary social issues such as national identity the end of empire new gender roles and the care of children Through a series of case studies on films as diverse as *It Always Rains on Sunday* and *Genevieve* Simba and *The Wrong Arm of the Law* Geraghty explores some of the key debates about British cinema and film theory contesting current emphases on contradiction subversion and excess and exploring the curious mix of rebellion and conformity which marked British cinema in the post war era *Comprehending Cinema* Scott MacDonald,2024-10-22 *Comprehending Cinema* is a collection of in depth interviews and panoramic essays that model a generalist approach to modern audiovisual media prioritizing remarkable cinematic accomplishments that can get lost within our overwhelming modern mediascape It offers a reading adventure dedicated to opening the door to exciting new kinds of film experience *Cosmopolitan Cinema* Felicia Chan,2017-03-20 Films are produced reviewed and watched worldwide often circulating between cultural contexts The book explores cosmopolitanism and its debates through the lens of East Asian cinemas from Hong Kong China Malaysia and Singapore throwing doubt on the validity of national cinemas or definitive cultural boundaries Case studies illuminate the ambiguously gendered star persona of Taiwanese Hong Kong actress Brigitte Lin the fictional realism of director Jia Zhangke the arcane process of selection for the Best Foreign Film Oscar and the intimate connection between cinema and identity in Hirokazu Koreeda s *Afterlife* 1998 Considering films their audiences and tastemaking institutions the book argues that cosmopolitan cinema does not smooth over difference but rather puts it on display *Viewing Positions* Linda Williams,1995 On visual perception in film and human subjectivity

Unveiling the Magic of Words: A Report on "**Seeing In The Dark A Compendium Of Cinemagoing**"
