Seeking A New Canadian Partnership Asymmetrical And Confederal Options

Ruth Hubbard, Gilles Paquet

Seeking A New Canadian Partnership Asymmetrical And Confederal Options:

Seeking a New Canadian Partnership F. Leslie Seidle, Institute for Research on Public Policy, 1994 This document presents asymmetrical and confederal options regarding a new partnership Topics covered are brinkmanship and renewal of Canadian federalism toward a multinational federalism flexibility within the present constitutional framework and the challenge of diversity

Canada Donald G. Lenihan, Gordon Robertson, Roger Tassé, Institute for Research on Public Policy, 1994 The clearest lesson of the debate over the 1992 Charlottetown Accord is that Canadians are divided in their vision of the country This book looks at the issue and examines how the political philosophy of liberalism especially as incorporated into pan Canadianism under former Prime Minister Pierre Trudeau contrasts and conflicts with the more federalist aspirations of moderate Quebec nationalists western regionalists and Aboriginal peoples

The Canadian Social Union Without Quebec Institute for Research on Public Policy, 2000 Also published in French under title L union sociale canadienne sans le Quebec

The Case for Centralized Federalism Gordon DiGiacomo, Maryantonett Flumian, 2010-08-21 The Case for Centralized Federalism and its sister volume The Case for Decentralized Federalism are the outcome of the Federalism Redux Project created to stimulate a serious and useful conversation on federalism in Canada They provide the vocabulary and arguments needed to articulate the case for a centralized or a decentralized Canadian federalism In The Case for Centralized Federalism an array of experts condemns the federal government s submissiveness in its dealings with the provinces and calls for a renewed federal assertiveness They argue that the federal government is best placed to create effective policy support democracy and respond to issues of national importance Published in English

The Case for Decentralized Federalism Ruth Hubbard, Gilles Paquet, 2011-01-17 The Case for Decentralized Federalism and its sister volume The Case for Centralized Federalism are the outcome of the Federalism Redux Project created to stimulate a serious and useful conversation on federalism in Canada They provide the vocabulary and arguments needed to articulate the case for a centralized or a decentralized Canadian federalism The Case for Decentralized Federalism brings together experts who believe decentralized federalism is the optimal arrangement for governing the contextual diversity and cultural pluralism in Canada Using different approaches they argue that by dividing the work of public governance among different levels of government it is easier to address the needs and aspirations of the diverse groups that make up Canada Published in English

Constitutional Politics in Canada after the Charter Patrick James, 2011-01-01 The Charter of Rights and Freedoms was introduced in 1982 Since then Canada has experienced more than twenty five years of constitutional politics and countless debates about whether the Canadian federation is integrating or disintegrating There has however been no systematic attempt to identify general theories about Canada s constitutional evolution Patrick James corrects this oversight by using systemism a concept drawn from the philosophy of science to identify and assess five theories that fall into the liberal or communitarian paradigms These theories are examined in the context of major issues such as the role of the courts or the

status of Aboriginal peoples and debates among advocates and critics of each theory are used to work toward a greater understanding of constitutional wrangling in Canada By adding clarity to familiar debates this succinct assessment of major writings on constitutional politics sharpens our vision of the past and the future of the Canadian federation *Equal Recognition* Alan Patten, 2016-11-08 Conflicting claims about culture are a familiar refrain of political life in the contemporary world On one side majorities seek to fashion the state in their own image while on the other cultural minorities press for greater recognition and accommodation Theories of liberal democracy are at odds about the merits of these competing claims Multicultural liberals hold that particular minority rights are a requirement of justice conceived of in a broadly liberal fashion Critics in turn have questioned the motivations coherence and normative validity of such defenses of multiculturalism In *Equal Recognition* Alan Patten reasserts the case in favor of liberal multiculturalism by developing a new ethical defense of minority rights Patten seeks to restate the case for liberal multiculturalism in a form that is responsive to the major concerns of critics He describes a new nonessentialist account of culture and he rehabilitates and reconceptualizes the idea of liberal neutrality and uses this idea to develop a distinctive normative argument for minority rights The book elaborates and applies its core theoretical framework by exploring several important contexts in which minority rights have been considered including debates about language rights secession and immigrant integration Demonstrating that traditional nonmulticultural versions of liberalism are unsatisfactory *Equal Recognition* will engage readers interested in connections among liberal democracy nationalism and current multicultural issues **Contemporary Canadian Federalism** Alain-G. Gagnon, 2009-06-06 First published in French in 2006 *Le fédéralisme canadien contemporain* was immediately recognised as the most comprehensive collection of reflections on Canadian federalism by leading Quebecois scholars This remarkable translation of a range of Quebecois voices makes their insightful and underrepresented perspectives available to English language audiences Offering alternative views of the Canadian federal model's realities by covering its foundations traditions and institutions *Contemporary Canadian Federalism* considers the ways in which federalism relates to issues such as regionalism multiculturalism rights and freedoms financial distribution and public policy Filled with stimulating work that bridges the gap between distinctive traditions in English and French Canadian scholarship on federalism this important volume is required reading for understanding provincial federal relations and Canadian governance **Fiscal Federalism in Multinational States** François Boucher, Alain Noël, 2021-07-21 Substate nationalism is often studied as a question of political identity and cultural recognition The same applies to the study of multinational federalism it is mainly conceived as a tool for the accommodation of minority cultures and identities Few works in political philosophy and political science pay attention to the fiscal and redistributive dimensions of substate nationalism and multinational federalism Yet nationalist movements in Western countries make crucial claims about fiscal autonomy and the fair distribution of resources between national groups within the same state In recent years Scottish nationalists have demanded greater tax autonomy Catalan and

Flemish nationalists have viewed themselves as unfairly disadvantaged by centralized fiscal arrangements and equalization payments and social transfers in Canada have exacerbated tensions within the federation In Fiscal Federalism in Multinational States contributors from political philosophy and political science disciplines explore the fiscal side of substate nationalism in Canada Belgium the United Kingdom Spain and Australia Chapters examine the connection between secessionist claims and interregional redistributive arrangements power relations in federations where taxing and spending responsibilities are shared between orders of government the relationship between substate nationalism and fiscal autonomy and the role of federal governments in redistributing resources among substate national groups Fiscal Federalism in Multinational States brings together scholars of nationalism and federalism in a groundbreaking analysis of the connections between nationalist claims and fiscal debates within plurinational states

Theories of Federalism D. Karmis, W. Norman, 2016-04-30 This project pulls together classic and modern readings and essays that explore theories of federalism Spanning the Seventeenth through Twenty first centuries of European U S and Canadian thinkers this attempts to be a comprehensive reader for students in political theory The emphasis throughout is on the normative argument the advantages or disadvantages of federal and confederal arrangements compared to unitary states and on the relative merits of various proposals to improve particular federations or confederations These also draw on the full range of political science subfields from political sociology political economy and constitutional studies to comparative politics and international relations There are also readings both contemporary and historical that attempt to clarify conceptual issues

Seeking A New Canadian Partnership Asymmetrical And Confederal Options: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
