Sexuality Gods Gift For Adolescents Christian Sex Education:

Sexuality, God's Gift for Adolescents Ann Cannon,1993 *Sexuality: God's Gift* Anne Krabill Hershberger,2010-06-17

Big business makes big money selling a phony notion of what we want and need as sexual people Ads insist that certain products will make us more sexually appealing But what we really want and need is true intimacy the knowledge that we matter to another person and are loved for who we are We all are sexual beings all of our lives and relate to each other sexually all the time God marvelously made us this way Using the metaphor of sexuality as a good gift from God this book offers Christian resources for living a sexually healthy and fulfilling life Extraordinarily comprehensive nuanced and sensitive even richer than its predecessor It is a splendid resource for all Christians who wish to live more deeply in gratitude to God for their own sexuality James B Nelson professor emeritus of Christian ethics United Theological Seminary of the Twin Cities An important contribution to Christians seeking to celebrate their sexuality with holiness and integrity The Rev Debra W Haffner executive director Religious Institute Westport Connecticut **Insuring Marriage** Michael Mcmanus,Michael J. McManus,1996 You can be a marriage savor for your own marriage or for the marriage of someone else There are answers in this book for Seriously dating couples Engaged couples Married couples Someone in a troubled marriage Couples with stale or boring marriages Unmarried couples living together Parents of teenagers Mentor couples Pastors and church staff Church lay leaders **Women, Sexuality and the Political Power of Pleasure** Susie Jolly,Andrea Cornwall,Kate Hawkins,2013-06-13 This pioneering collection explores the ways in which positive pleasure focused approaches to sexuality can empower women Gender and development has tended to engage with sexuality only in relation to violence and ill health Although this has been hugely important in challenging violence against women over emphasizing these negative aspects has dovetailed with conservative ideologies that associate women s sexualities with danger and fear On the other hand the media the pharmaceutical industry and pornography more broadly celebrate the pleasures of sex in ways that can be just as oppressive often implying that only certain types of people young heterosexual able bodied HIV negative are eligible for sexual pleasure Women Sexuality and the Political Power of Pleasure brings together challenges to these strictures and exclusions from both the South and North of the globe with examples of activism advocacy and programming which use pleasure as an entry point It shows how positive approaches to pleasure and sexuality can enhance equality and empowerment for all God's Gift to the World: Preservation of Virginity for Singles Airreia Faith Pierce,2013-02-01 Airreia uniquely combines research statistics personal experiences interviews of individuals poetry and scriptures to emphasize the importance of preserving virginity in a sex saturated society These are the strategies that Airreia used to help her find deliverance from premarital sex and experience restoration of purity through a personal relationship with Jesus Christ **Understanding Teenage Sexuality** Steven Emery-Wright,2009 **Boys and Girls - Alike and Different** Ellen Chambers,John Chambers, MD,1993-07 With help from their parents Jonathan and Kimberly discover the differences

between boys and girls **The Sex Education Debates** Nancy Kendall, 2024-05-31 Educating children and adolescents in public schools about sex is a deeply inflammatory act in the United States Since the 1980s intense political and cultural battles have been waged between believers in abstinence until marriage and advocates for comprehensive sex education In *The Sex Education Debates* Nancy Kendall upends conventional thinking about these battles by bringing the school and community realities of sex education to life through the diverse voices of students teachers administrators and activists Drawing on ethnographic research in five states Kendall reveals important differences and surprising commonalities shared by purported antagonists in the sex education wars and she illuminates the unintended consequences these protracted battles have especially on teachers and students Showing that the lessons that most students teachers and parents take away from these battles are antithetical to the long term health of American democracy she argues for shifting the measure of sex education success away from pregnancy and sexually transmitted infection rates Instead she argues the debates should focus on a broader set of social and democratic consequences such as what students learn about themselves as sexual beings and civic actors and how sex education programming affects school community relations *Catholic Sexual Theology and Adolescent Girls* Doris M. Kieser, 2015-06-08 This book explores the intersection in contemporary Western culture of Catholic sexual theology and adolescent female developmental and sexual experiences The voices of adolescent females so long silent in sexual theologies are given privilege here in the articulation of a normative theology Applying a feminist natural law framework the book engages both theoretical scholarship and practical evidence from psychological and other social sciences to inform sexual theology in the Catholic tradition Attending to gendered developmental and social contexts Doris Kieser explores adolescent females experiences of puberty menarche various sexual activities communities of support sexual desire and the pleasure and danger these realities reap She critically explores historical and traditional sexual theologies and prevailing social patriarchal and androcentric sexual attitudes through a feminist lens The author's attention to the voices of girls and women and her aim to see their sexual flourishing in particular and diverse social contexts yields a theology mindful of the rich complexities of female sexual desire pleasure and well being The result is an integrated sexual theology that grapples with the Catholic theological tradition feminist theory and theology and the embodied experiences of females For anyone who is invested in the lives and well being of adolescent females this work uncovers both barriers and boons to their sexual flourishing **Christian Ethics, Volume 2** Karl-Heinz Peschke, 2012-08-21 This edition is once again a new thoroughly revised version of *Christian Ethics II* In some portions the subject matter has been reorganized more organically and recent theological developments and documents of the magisterium have been integrated New themes have been added others further developed such as deepening the concept and content of mission as well as ecumenical participation Also questions in bioethics have been supplemented such as the duty to preserve life topics of prenatal medicine reproductive and therapeutic cloning genetic alteration and euthanasia Other issues raised concern the discrimination against women civil

marriage of homosexuals compassion in prison care the right of asylum humanitarian interventions the fostering of peace after conflicts empowerment of the poor in development projects and the treatment of animals The author hopes that this new edition will be a contribution to the ongoing aggiornamento of moral theology and that it will continue to meet the expectations of its readers

Christian Higher Education in Canada Stanley E. Porter, Bruce G. Fawcett, 2020-11-17 The Toronto 2018 Symposium on Christian Higher Education provided an opportunity for leaders in the Canadian Christian higher education movement to reflect deeply on its development current reality and future possibilities The Canadian Christian higher education scene comprises a wide range of institutions including Christian universities Bible colleges and seminaries and graduate schools Each type has its own distinctive history and likewise represents both challenges and opportunities Even though they are intertwined in their common purpose these higher educational institutions express this purpose in various ways This volume is a collection of the papers and plenary talks designed to share the content of the symposium with a wider audience The papers are all written by active scholars and researchers who are connected to the member institutions of Christian Higher Education Canada CHEC They not only illustrate the quality of the scholarship at these institutions but they make their own critical contribution to an ongoing discussion regarding the role and place of Christian higher education within the wider society This volume is intended to be helpful to students faculty staff board members and supporters of Canadian and other Christian higher education institutions as well as interested individuals and scholars

Outside of Eden: Part One Fannie M. Buchanan-Featherstone, 2006-08

Narnian Virtues Thomas Lickona, Mark A. Pike, 2021-11-25 In this engaging and practical book Mark Pike and Thomas Lickona show how C S Lewis' wisdom for nurturing good character and his much loved Chronicles of Narnia inspire us to virtue Drawing upon the Judeo-Christian virtues of faith hope and love and Narnian virtues such as courage integrity and wisdom they present an approach to contemporary character education validated by recent

research An introduction to C S Lewis thought on character and faith is followed by practical examples of how to use well known passages from the Narnia novels as a stimulus for rich character development at home and in the classroom

Practical Theology for Aging Derrell R. Watkins, 2013-01-11 Learn new approaches for strengthening the religious bonds of our aging population Through Scripture studies and the personal experiences of religious leaders and congregants Practical Theology for Aging offers new concepts for ministering to our older population Each chapter looks at a different concern for the elderly and addresses it with the assurance that aging is part of God s great work From scientific models and case studies to passages from both the Old and New Testaments this volume illuminates the power of faith in keeping the elderly whole and well Practical Theology for Aging reveals several barriers to the spiritual wellness of our elders These include society s stereotypical views of frailty and incompetence in older people the lack of common support by communities of faith and the dissatisfaction of the elderly with outdated traditional answers to their concerns of aging suffering and death Each barrier can be overcome by utilizing the practical theology you will find in this book Restated throughout the volume is the message that the journey into old age does not have to be filled with dread and fear but can be seen as a path to spiritual maturity This book has practical suggestions that address God s purpose for aging why do we have to grow old sexual health for senior citizens the suffering and physical debilitation that sometimes accompany aging afflictions like dementia and Alzheimer s disease and how to minister to the unresponsive the inclusion of spirituality in rehabilitation to heal the whole person after catastrophic illness or injury preaching to senior citizens as opposed to preaching to a younger congregation so much more Practical Theology for Aging presents tips and strategies for spiritual advisement as well as traditional quotes and references reminding us to respect and honor our aging men and women Whether you are a religious leader caretaker family member or esteemed elder this book is vital for strengthening spirituality in the elderly and promoting their inclusion into the religious community

The Book of Discipline of The United Methodist Church 2012 Marvin W. Cropsey, 2013-01-01 The Book of Discipline sets forth the plan by which we United Methodists govern ourselves It reflects our understanding of the Church and of what is expected of its laity and clergy as they seek to be effective witnesses in the world as a part of the whole body of Christ The Discipline includes our church Constitution our history our doctrinal standards and our mission to make disciples of Jesus Christ as well as practical processes through which our congregations connect and support each other to reach the world

A House Divided Geoffrey W. Sutton, 2016-03-29 A House Divided helps answer the question how do Christians form moral judgments about sex linked issues After analyzing key differences between conservative and progressive Christians on such divisive issues as abortion sex education and same sex marriage readers will learn how a combination of four factors can lead to

principled Christian morality First a review of diverse interpretive comments on relevant Scriptures can help identify a foundation for agreement as well as sharpen differences Second a review of psychological factors can help identify prejudices personality traits and powerful emotions that intensify and color public debate Third new research on moral psychology will add six dimensions of analysis to appreciating the reasons conservatives and progressives draw upon when forming moral judgments And finally knowledge about sexual attraction sexual orientation conception and sexual health is vital to thinking ethically about the specific issues addressed in this book **Teaching Moral Sex** Kristy L. Slominski,2021 Teaching Moral Sex is the first comprehensive study of the role of religion in the history of public sex education in the United States from the late nineteenth century to the early twenty first Far from being a barrier to sex education Kristy Slominski demonstrates religion has been deeply embedded in the history of sex education and its legacy has shaped the terms of current debates
