Longman History Project Modern Europe 1870 1945:

Case Studies on Modern European Economy Tibor Iván Berend, 2013 The last two centuries have been the scene of dramatic change throughout Europe And one of the main causes of these tremendous and spectacular changes was the economy These transformations were achieved by people scientists and political thinkers inventors and entrepreneurs educators skilled and educated workers Who not only invented machines and computers but were able to renew economic and political systems This volume therefore presents a new approach to the period by looking at case studies to understand how these changes came about and the impact they had on modern Europe Ivan Berend presents the spectacular history of modern European economy as a chain of small events actions and the ideas of individuals as the influence of institutions and bold entrepreneurs The essays are grouped into six chapters and discuss the power of entrepreneurship the power of institutions economic regimes and the permanent renewal of capitalism the power of ideas and inventions pioneering companies from the rise of industrial cities to post industrial suburbanization bubbles great depressions and economic cycles All of the single episodes and personal stories offer a cross section of the complex and interrelated history of modern Europe Case Studies on Modern European Economy will be essential reading for students of economic and modern European history

A Political History of National Citizenship and Identity in Italy, 1861–1950 Sabina Donati, 2013-06-26 This book examines the fascinating origins and the complex evolution of Italian national citizenship from the unification of Italy in 1861 until just after World War II It does so by exploring the civic history of Italians in the peninsula and of Italy's colonial and overseas native populations Using little known documentation Sabina Donati delves into the policies debates and formal notions of Italian national citizenship with a view to grasping the multi faceted evolving and often contested vision s of italianit In her study these disparate visions are brought into conversation with contemporary scholarship pertaining to alienhood racial thinking migration expansionism and gender As the first English language book on the modern history of Italian citizenship this work highlights often overlooked precedents continuities and discontinuities within and between liberal and fascist Italies It invites the reader to compare the Italian experiences with other European ones such as French British and German citizenship traditions

The Cambridge Economic History of the Modern World: Volume 2, 1870 to the Present Stephen Broadberry, Kyoji Fukao, 2021-06-24 The second volume of The Cambridge Economic History of the Modern World explores the development of modern economic growth from 1870 to the present Leading experts in economic history offer a series of regional studies from around the world as well as thematic analyses of key factors governing the differential outcomes in different parts of the global economy Topics covered include human capital capital and technology geography and institutions living standards and inequality trade and immigration international finance and warfare and empire What is Europe? The Open University, 1995-01-01 This 10 hour free course explored the different understandings of Europe that underlie the debates and disputes over the development of Europe *Arming the Western Front* Roger Lloyd-Jones, M.J.

Lewis,2016-06-10 The First World War was above all a war of logistics Whilst the conflict will forever be remembered for the mud and slaughter of the Western Front it was a war won on the factory floor as much as the battlefield Examining the war from an industrial perspective Arming the Western Front examines how the British between 1900 and 1920 set about mobilising economic and human resources to meet the challenge of industrial war Beginning with an assessment of the run up to war the book examines Edwardian business state relations in terms of armament supply It then outlines events during the first year of the war taking a critical view of competing constructs of the war and considering how these influenced decision makers in both the private and public domains This sets the framework for an examination of the response of business firms to the demand for shells more shells and their varying ability to innovate and manage changing methods of production and organisation The outcome a central theme of the book was a complex and evolving trade off between the quantity and quality of munitions supply an issue that became particularly acute during the Battle of the Somme in 1916 This deepened the economic and political tensions between the military the Ministry of Munitions and private engineering contractors as the pressure to increase output accelerated markedly in the search for victory on the western front The Great War created a dual army one in the field the other at home producing munitions and the final section of the book examines the tensions between the two as the country strove for final victory and faced the challenges of the transition to the peace time economy

Europe on the Path to Self-Destruction Jack L. Schwartzwald, 2022-07-19 Between the years 1815 and 1945 Europe achieved unrivaled global dominance only to see it shattered by two world wars This frenetic rise and fall was attended by immense societal change In 1815 Europe remained largely agricultural and dependent upon

horsepower By 1945 the power of the atom had been unleashed Two industrial revolutions occurred in the interim the first founded upon coal iron and steam the second upon oil steel electricity and internal combustion The implications for humanity were profound This concise yet comprehensive study is divided into three sections In section one the map of Europe emerges in its modern visage as unrestrained nationalist fervor gives rise to an assemblage of new nation states In section two the continent attains global hegemony as massive industrialization fuels a mad scramble for colonial markets and raw materials In section three a cauldron of national ethnic and class hatreds spawn the rise of totalitarianism and the overthrow of European hegemony in two calamitous world wars By tracing the events and undercurrents of this vital period in European history this book offers trenchant insights for the lay reader and the student of history alike A Comparative History of

Commerce and Industry, Volume II David E. McNabb, 2016-01-26 A Comparative History of Commerce and Industry Volume II offers a subjective review of how the cultural social and economic institutions of commerce and industry evolved in industrialized nations to produce the institution we now know as business enterprise **The British National**

Bibliography Arthur James Wells, 2006 **German Thought and International Relations** R. Shilliam, 2009-03-26 A fundamental question for IR is whether the value system of liberalism can be universalized or if in fact the illiberal reality of international politics systematically rules out such a universalisation The book addresses this issue by focusing on the rise and fall of a specific liberal project supported by influential German intellectuals **History**, 1975 Bulletin, 1995

Empires of Vice Diana S. Kim, 2021-08-10 A Shared Turn Opium and the Rise of Prohibition The Different Lives of Southeast Asia's Opium Monopolies Morally Wrecked in British Burma 1870s 1890s Fiscal Dependency in British Malaya 1890s 1920s Disastrous Abundance in French Indochina 1920s 1940s Colonial Legacies *Theatricality* Tracy C.

Davis, Thomas Postlewait, 2003 This collection of specially commissioned accessible essays explores that element of performance theory known as theatricality Six case studies use historically specific circumstances to illustrate how and why the concept of theatricality was and is used Topics discussed include early use of the term employment of theatricality by a number of other disciplines to describe events non Western interpretation of theatricality and its use when discussing and analyzing political and cultural events and philosophies The book provides a first step guide for those discovering the complex yet rewarding world of performance theory The Historian, 1986 *Foundations of Managing British Olympics*

Alex G. Gillett, Kevin D. Tennent, 2025-09-04 This interdisciplinary study examines the organisation administration and public benefits of Olympic Games in the United Kingdom In particular the study will examine the events of the twentieth century the 1908 and 1948 Olympic Games drawing upon archive materials *Diskurse und Praktiken der Schulbuchproduktion in der Bundesrepublik Deutschland und England am Beispiel von Afrikawissen* Lars Müller, 2021-11-15 Was ist aus Schulbuchern bei Afrika zu lernen und woher kommen diese Wissensbestände Schulbuchproduktion wird in diesem Band als Knotenpunkt gesellschaftlicher Diskurse und Praktiken verstanden und Schulbuchwissen im Kontext seiner Produktionsbedingungen

sowie der gesellschaftlichen Debatten analysiert Mit Blick auf die Schulbuchproduktion wird gezeigt dass die Vorstellung dass Schulbücher in einem Top down Modell produziert werden relativiert werden muss Zudem wird sichtbar wie viele unterschiedliche Akteurinnen und Akteure im Bildungsbereich um Afrikawissen rangen Lars Møller zeichnet das Spektrum des Sagbaren in Bezug auf Afrikawissen nach und zeigt wie sich manche Wissensbestände durchsetzten und andere randständig blieben What can we learn about Africa from textbooks and where does this knowledge originate This study locates textbook production at the intersection of societal discourse and practice and analyses textbook knowledge in the context of its production conditions as well as debates within society Focusing particularly on textbook production Møller's study critically questions the common assumption that textbooks are produced in a top down model and calls for this premise to be relativised It also shows how many different actors contend to define knowledge about Africa within the education sector Ultimately this book traces the spectrum of what is considered utterable in regard to knowledge about Africa and shows how certain knowledge corpora have become prominent and others marginalised *Austria, Prussia and Germany, 1806-1871* John Breuilly, 2002 In this survey of an important period in European history John Breuilly examines the influences and events that resulted in the formation of the German nation state under Prussian dominance

Longman History Project Modern Europe 1870 1945 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Longman History Project Modern Europe 1870 1945 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Longman History Project Modern Europe 1870 1945 has opened up a world of possibilities. Downloading Longman History Project Modern Europe 1870 1945 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Longman History Project Modern Europe 1870 1945 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Longman History Project Modern Europe 1870 1945. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Longman History Project Modern Europe 1870 1945. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal

distribution of content. When downloading Longman History Project Modern Europe 1870 1945, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Longman History Project Modern Europe 1870 1945 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
