

Look Around Whales

**Brian Skerry, Stephanie Warren
Drimmer**

Look Around Whales:

Never Look Back Marilyn Parman, 2010-04-01 NEVER LOOK BACK is the author's first book. It is a fictionalized memoir most of which is based on actual events in her life and which has been riddled with tragedies, abuse, and crime against her family as well as extreme crime against two of her daughters and against her mother who was murdered. Her husband dies in the end, the crowning blow to her character Marion Whitehead. However, Marion restructures her life and enters the music business again as a virtuoso soloist and chamber ensemble musician primarily after thirty years in retirement due to her latent guilt relative to her daughter's being kidnapped while Marion was on her concert tour. *The Ocean's Gift* Celeste Mayfield, 2014-09-30 Olivia Duncan lives a boring ordinary life. She is home schooled along with her best friend Conner. Her social activities are limited to Conner and his grandmother Gerdie who just happens to be their teacher. Her father died before she even got to know him. Her single mother Ann Marie is the local doctor and has no desire to have a life outside of the clinic. Her worst fears come to light when she hears screams and wails that wake her from her sleep. When she goes to investigate the noises, she comes across a fishing boat at the source of the sounds. Poachers are thick in this area of the bay and she doesn't have to guess what these men are up to. Out here in the middle of the night, Olivia and her best friend Conner come across a bloody scene the next day while out for a walk. She knows where the blood came from and as she describes the scene to him, a fear bubbles up inside of her. Olivia doesn't ask the question that's been burning in her mind. Conner and his family have been in the fishing business for over three generations. They supply fresh sea food to the local restaurants in town but they also kill larger game for profit. When an abandoned beluga appears while Olivia is sitting on the dock, they both find a friendship worth fighting for. The friendship that they share over the next three years is filled with laughter, fun, amazement, and danger. When Olivia is forced to move, she must leave all hope behind of ever seeing the beluga again. Never in her wildest dreams did she think that the beluga could find her once more. When the beluga appears with her new pod, Olivia realizes that this is her second chance. She calls in a specialist to help her as she fights to keep them all safe and alive. Olivia Duncan is an ordinary girl who lives an ordinary life but finds the chance to save an extraordinary gift. **The Museum of Whales You Will Never See** A. Kendra Greene, 2020-05-12 Filled with charming illustrations, this delightful book about Iceland's 265 museums is as quirky and mesmerizing as the country's dreamscape itself. Forbes. Mythic creatures, natural wonders, and the mysterious human impulse to collect are on beguiling display in this poetic tribute to the museums of an otherworldly island nation for readers of *Atlas Obscura* and fans of the Mutter Museum, the Morbid Anatomy Museum, and the Museum of Jurassic Technology. Iceland is home to only 330,000 people, roughly the population of Lexington, Kentucky, but more than 265 museums and public collections. They range from the intensely physical like the Icelandic Phallological Museum, which collects the penises of every mammal known to exist in Iceland, to the vaporously metaphysical like the Museum of Icelandic Sorcery and Witchcraft, which poses a particularly Icelandic problem: How to display what can't

be seen In *The Museum of Whales You Will Never See* A Kendra Greene is our wise and whimsical guide through this cabinet of curiosities showing us in dreamlike anecdotes and more than thirty charming illustrations how a seemingly random assortment of objects a stuffed whooper swan a rubber boot a shard of obsidian a chastity belt for rams can map a people's past and future their fears and obsessions The world is chockablock with untold wonders she writes there for the taking ready to be uncovered at any moment if only we keep our eyes open

Love and Whales Dawn Anderson,2013-08-13 A love story set in the early to mid 1800s in historic Sandwich MA The story evolves around the whaling industry of the time
