Look Back To Earth:

2012...The Year Jesus (Yeshua) Finally Came Back to Earth Dante P. Chelossi Jr,2012-09-13 This controversial subject matter about the return of Jesus Yeshua to earth in modern times to come face to face with humanity once again after almost twenty centuries has been something thought about and anticipated by millions of people since the time of his physical departure There is also the human curiosity about what would happen if and when he did actually return to earth There have been many times when this event was predicted over the centuries about when he would arrive and every time it did not happen Patience and faith still continued afterwards after much disappointment of the believers This hope of his return is embedded within the souls of millions of people on our planet Even though this story in this book is fiction it will still make the reader wonder about how he or she would react if someone were to show up one day in the near future on a world stage and declare that he is indeed the very same man that modern day people call Jesus Yeshua who was crucified on a wooden cross almost two thousand years ago by the Romans Certainly unarguable proof from this man claiming to be Jesus Yeshua would need to be so utterly convincing that even nonbelievers who are not necessarily religious would be convinced without argument The author will be able to show an event that he has created in this book and prove to anyone that if this event were to actually happen before their eyes it would be hard for them to deny that this person is in fact who he claims to be

This event is so extraordinary and unbelievable that denial that this person is Jesus Yeshua would be impossible **Spinoff**

Cracked Earth J.L. Villarreal, 2013-02-14 An earthquake and nuclear meltdown in Japan has forced the world's governments to inoculate earth's population against a new form of radiation being used at the Fukushima nuclear plant in Japan Those inoculated the majority of the world's population had a reaction which turned them into violent primitive humans With all of the governments gone a group of survivors must scavenge the abandoned world for supplies and fight off the primitive monsters to keep our civilization and our race from disappearing With the world's population dwindling they find out that these primitive beings are not their worst enemies but rather man himself

Glimpses into the heavens Samuel Fellows, 1901 *Between Heaven and Earth* Steve Berger, 2014-03-04 Be Transformed by a Glimpse of Paradise What will heaven be like What will we do Who will we see How can I become more excited about heaven as my true home Is it possible that knowing more about heaven will result in greater joy and purpose in

my daily life It's not easy separating fact from fiction when it comes to heaven nor is it always easy to see how the afterlife can affect our lives today After a car accident caused his nineteen year old son to unexpectedly enter heaven Pastor Steve Berger chose to reject despair and commit himself to carefully studying his son's new eternal home He had no idea how much there was to learn and his life hasn't been the same since This biblical and deeply personal study of heaven will give you hope for the future But more than that it will show you what it means to live today in light of the reality of heaven If your view of heaven isn't life changing it needs to be adjusted Let Pastor Berger's exploration of eternity fill you with overflowing hope courage and purpose Sometimes we feel stuck stuck between the hope of heaven and the pain of this world In *Between Heaven and Earth* my friend Steve Berger shows us how to not only live in that tension but how and why we should embrace it Dave Ramsey New York Times bestselling author and nationally syndicated radio show host I grew up hearing people say Some Christians are so heavenly minded they are of no earthly good Nowadays it seems like the church has become so earthly minded we're of no heavenly good In *Between Heaven and Earth* my friend Pastor Steve Berger shows us the absolute necessity of having a heavenly mind set Colossians 3:1-2 in order to make a real difference in people's lives while we remain on earth Embrace the truths of this book learn how to have your heart in heaven and your hand in the harvest It's one decision you'll never regret Jeremy Camp When my friend Steve Berger talks about heaven I sit up and listen I've walked with Steve as he's faced the trials of this life and I've observed how he has emerged with a deeper faith and love for the Father and the people around him What he has taught me makes me long for heaven It also makes me want to spend my time on earth making a difference and finishing well Michael W Smith A beloved pastor and teacher Steve Berger taught for years on the reality of heaven even as we serve Christ on earth never knowing that one tragic event would bring both realities irrevocably into sharp focus in a moment Some of God's greatest mysteries are wrapped up in tragedy but the tear stained wisdom mined in that darkness is a gift to us all In this marvelous book heaven will become a greater reality even as we are invited to live our lives on earth with greater passion Sheila Walsh author of *The Storm Inside* Steve has a rich compelling perspective on Glory that will give you fresh grace to lean into the perfect love of Jesus today Therefore I encourage readers not to stop at just one instead buy a whole case of these puppies and pass them out to all your friends and family Lisa Harper author Bible teacher and Women of Faith speaker In stark contrast to the Bible and the whole of Christian history today's believers think little about heaven and much about the comforts challenges and distractions of this life In this much needed corrective Pastor Steve Berger challenges and equips us to be more heavenly minded so we can in fact be more earthly good Michael Hyatt New York Times bestselling author *The Earth and All It Holds* V. J. Banis, 2012-09-26 The Brussacs were rich powerful blessed and envied Yet through their lives ran a thread of tragedy and heartbreak that could not be broken forever linking them in a hellish alliance This epic tale soars from Nob Hill to the Barbary Coast to the Los Angeles oil fields in a stunning story of the tangled lives of an extraordinary family V J Banis outdoes himself all stops out historical romance

Habel,Vicky Balabanski,2002-10-01 The Earth Bible is an international project including volumes on ecojustice readings of major sections of the Bible The basic aims of the Earth Bible project are to develop ecojustice principles appropriate to an Earth hermeneutic for interpreting the Bible and for promoting justice and healing for Earth to publish these interpretations as contributions to the current debate on ecology ecoethics and ecotheology to provide a responsible forum within which the suppressed voice of Earth may be heard and

impulses for healing Earth may be generated The project explores text and tradition from the perspective of Earth employing a set of ecojustice principles developed in consultation with ecologists suspecting that the text and or its interpreters may be anthropocentric and not geocentric but searching to retrieve alternative traditions that hear the voice of Earth and value Earth as more than a human instrument The lead article in Volume V is a reflection in responses to the ecojustice principles employed in the hermeneutic of the project Several articles offer insights into New Testament texts that seem to devalue Earth in favour of heaven The final article by Barbara Rossing challenges the popular apocalyptic notion that in the new age Earth will be terminated A feature of this volume is a dialogue between Norman Habel who argues that John One seems to devalue Earth and two respondents Elaine Wainwright and Vicky Balabanski who is coeditor of this volume with Norman Habel 1 *The Living Age* ,1905 **The Second Jewel of Earth** James W. Greenhalge,2003-12-11 So much collected wisdom and still no answers observed a very familiar male voice behind him The hair on the back of his neck rose No it couldn't be That was yesterday in another reality He shivered involuntarily hoping he was wrong about the voice The traveling begins again The Second Jewel of Earth follows the continuing story of a solitary man swept up in a fantastic battle to save his world But is it really his world Centaurs trolls and animal headed human compromises inhabit this strange new reality with malevolent enemies bent on his destruction And the pendant about his neck glows with the presence of the First Jewel a blood red reminder that the King he serves is more fearsome than his enemies Sequel to his popular novel The First Jewel of Earth the author takes you on yet another journey to the distant past as the Traveler searches for the second jewel to his incredible pendant This series surveys Biblical prophesy and ancient history revealing the origins of a supernatural war whose decisive battle is being fought today As you join in this adventure you will never travel alone Come enjoy your journey The Third Jewel of Earth is expected in late 2004 **The First Jewel of Earth** James W. Greenhalge,2023-03-14 He's waiting for you With this enigmatic invitation the Traveler finds himself swept into a world that is completely alien yet strangely familiar He is told that he will be returning home yet this new world is inhabited by elves trolls and centaurs Everything has changed Magic mysticism and superstition seem to hold more power here than logic and rationality And a disturbing truth emerges human history is being deliberately rewritten to disguise an invasion by rebels from another dimension intent upon harnessing humanity to their will Opposing them is the sovereign government from this same dimension whose leadership will not become directly involved in the struggle on Earth Humans must be recruited then trained to resist this ominous distortion of history Given the assistance of two extraordinary companions and a magical pendant the Traveler is told to recover an item lost in the conflict since antiquity an integral part of a much more powerful mechanism the First Jewel of Earth You will find yourself challenged to place this book within conventional categories Is this fiction fantasy or prophecy Is this story set in the distant past or the emerging future Is it possible that two alien forces have been struggling for control of human history since the beginning of time Join the Traveler in pursuing this quest Like him

your reality will be forever changed
