A Second Look at the Second Coming T. L. Frazier,2005-05-25 Read a balanced well researched treatment of the end times interpreted from the Christian East by faithful Orthodox saints martyrs and Spirit filled Fathers of the Faith Historic Christian teaching on the rapture the millennium the state of Israel and the role of the Church in the last days **Looking Forward, Looking Back** Jana Pohl,2011 How is the life altering event of migration narrated for children especially if it was caused by Anti Semitism and poverty What of the country of origin is remembered and what is forgotten and what of the target country when the migration is imagined there a century later Looking Forward Looking Back examines today s representation of Jewish mass migration from Eastern Europe to America around the turn of the last century It explores the collective story that emerges when American authors look back at this exodus from an Eastern European home to a new one to be established in America Focusing on children s literature it investigates a wide range of texts including young adult literature as well as picture books and hence sheds light on the dynamics of the verbal and the visual in generating images of the self and other the familiar and the strange This book is of interest to scholars in the field of imagology children s literature cultural studies American studies Slavic studies and Jewish studies We Look Like the Enemy Rachel Shabi,2009-07-01 Rachel Shabi was born in Israel to Jewish Iraqi parents When she was a child her family emigrated to the United Kingdom in 1974 Their leaving reversed the spiritual trek of the Jewish Diaspora around the world whose members wistfully repeat at the Passover tables Next year in Jerusalem Years later in fact Shabi went back to visit and to live for an extended period but her attitude toward her former homeland is conflicted by the longstanding discrimination suffered by Arab Jews in Israel Shortly after its creation Israel accepted close to one million Jews from Arab lands from Yemen Egypt Morocco Syria Tunisia Algeria Iraq Iran and Turkey Mizrahi Middle Eastern Jews now make up around 50% of Israel s population Yet Ashkenazi Jews have traditionally disparaged the Mizrahi as backward and have systematically limited their opportunities in the classroom and the workplace There is a class split writes Shabi that runs on ethnic lines She traces the history of how the Jewish Disapora lived alongside Muslims and Christians for centuries and how the dream of Jewish solidarity within Israel in the mid 20th century was fractured by ethnic discrimination as pernicious as racism in the United States Great Britain and other parts of the world Shabi combines scholarly research with intimate oral history to shed light on ethnic injustice and her personal story and passion make *We Look Like the Enemy* a stunning unforgettable book

Begg,1996-09-01 The paper uses data from transition economies in Central and Eastern Europe to assess four questions i Did the standard blueprint for stabilization work and was it implemented ii To what extent was normal macroeconomics impeded by solvency problems in banks and how successful have been policies to improve incentives within banks iii Could financial markets and other infrastructure for monetary policy have been developed more quickly iv How should transition economies respond to the monetary inflows that typically accompany success The paper concludes by evaluating the changing advice offered by external agencies during the 1990s

Indira Files: A Critical Look At The Controversial Side of Indira Gandhi Vishnu Sharma,2023-12-21 Analyze the controversial side of Indira Gandhi s political legacy with Indira Files offering a critical examination of her leadership and policies I have always felt that Indira Gandhi is the exceptional and foremost example of the dynastic politics of independent India She is a perfect example of dynastic rule on one hand she is called the Iron Lady on the other hand people pay tribute to her dictatorship for imposing emergency in the country Where on one hand Indira Gandhi carved her name in golden letters in Indian history by dividing Pakistan into two on the contrary she has also endured the slogans like Sanjay ki mummy badi nikammi for blindly loving her son like Gandhari loved Duryodhana Nonetheless we cannot forget that it was Indira Gandhi who gave wings to India s strength and courage by conducting the Nuclear Test however she was also the Prime Minister for whom the High Court issued orders to be removed from her office In fact Indira Gandhi is merely a symbol of dynasty politics The point here is to remind the young people that they cannot strive for ideal politics by idolising those who have flourished through family inheritance of post or position In today s scenario there are numerous political parties that operate under a single family s control Although I hold great admiration for Indira Gandhi however her darker side is perhaps more prominent Hence I believe that young aspirants who are interested in politics can learn valuable lessons from this book on what not to do

October 7th: Searching for the Humanitarian Middle Marsha Lederman, 2025-08-19 In this emotional missive from the diaspora *Globe and Mail* columnist Marsha Lederman gathers her columns searching for the humanitarian middle of the Israel Palestine conflict Since 2023 the best selling and award winning author and journalist has been reflecting with deep empathy on the horrific October 7th attacks on Israeli citizens rising anti-Semitism and the brutal violence against civilians in Gaza in her column for the *Globe and Mail* As one of the leading Canadian voices on Jewish identity Lederman's impassioned work in the *Globe* has been a lifeline for readers since October 7th 2023 The work collected in this book captures the pain of so many Marsha's prose has a way of cutting through the noise and capturing the humanity behind the headlines She makes room for the reader to be conflicted grieving angry and unsure and is with them through that process as she like all of us grapples with a new reality As someone who is firmly against Netanyahu and firmly in favour of Palestinian rights believes in a two state solution and is a daughter of Holocaust survivors terrified by the rise in anti-Semitism Marsha's writing has captured the full complexity of the experience of reconciling an abhorrence of the violence against Israelis and Palestinians with the trauma and fear of rising prejudice around the world These columns are a contemporaneous look at the year that

followed Oct 7th 2023 reminding us of the pain and confusion This collection is a crucial archive capturing in real time a period of deep division with care empathy and grief Proposed United States-Israel Free Trade Area United States.
