Looking For Money Capitalism And Modernity In An Orang Asli Village:

Looking for Money Alberto G. Gomes,2004 Looking for money is about the entanglement of an indigenous people the Semai of Malaysia with modernity A key feature of this entanglement is the process of commoditisation that has resulted in what is emically known as looking for money work cover

Modernity and Malaysia Alberto Gomes,2007-05-16 Bringing together the results of over twenty five years of research on the indigenous peoples of Malaysia this fascinating book illustrates the experiences of modernity in indigenous communities through a detailed case study of the Rual Menraq of Malaysia

Resource Use and Sustainability of Orang Asli Mohd Tajuddin Abdullah,Candyrilla Vera Bartholomew,Aqilah Mohammad,2021-03-30 Comprising of 18 sub ethnic groups the indigenous communities or better known as the Orang Asli located in the Peninsular Malaysia is a unique community in terms of their culture lifestyle and heritage The life of the Orang Asli popularly referred to as the Forest People is highly intertwined with forest resources which makes the community a great source of information and traditional knowledge particularly in the use of medicinal plants This book covers three important issues to explain and gain insights into the sustainability of the Orang Asli Social and demographics Sustainability of resource use Governance administration and management The book presents research to help bridge the gaps and provides a baseline reference for further research regarding the sustainability of the Orang Asli This book is intended for researchers and graduate students to help gain an understanding of the Orang Asli By highlighting the plight of Orang Asli the authors hope that this community will be recognised and become a part of society More research is required to help the 178 197 Orang Asli achieve the sustainable development goals for their community in the Peninsular Malaysia

The Aboriginal People of Peninsular Malaysia Govindran Jegatesen,2019-12-06 To date most studies of Malaysia s aboriginal people the Orang Asli have studied the community in either the rural or forest settings This book however outlines the dynamics of Orang Asli migration to Kuala Lumpur Malaysia s most urbanised region and explores the lived experiences of these individuals in the urban space The book begins by charting the history of the Orang Asli under British colonial rule followed by the community s experiences under the Malaysian government in an attempt to provide a deeper understanding of the economic and social complexities facing the Orang Asli today Based on extensive original research the book goes on to discuss the interesting changes taking place among urban Orang Asli migrants with regards to gender dynamics while exploring the unique ways in which these urban indigenous migrants maintain close links with their home communities in the rural spaces of Peninsular Malaysia The book concludes by assessing how research on the urban Orang Asli fits into broader studies of urban and contemporary indigeneity in both Malaysia and abroad

Histories of Health in Southeast Asia Tim Harper,Sunil S. Amrith,2014-10-01 Health patterns in Southeast Asia have changed profoundly over the past century In that period epidemic and chronic diseases environmental transformations and international health institutions have created new connections within the region and the increased interdependence of Southeast Asia with China

and India In this volume leading scholars provide a new approach to the history of health in Southeast Asia Framed by a series of synoptic pieces on the Landscapes of Health in Southeast Asia in 1914 1950 and 2014 the essays interweave local national and regional perspectives They range from studies of long term processes such as changing epidemics mortality and aging and environmental history to detailed accounts of particular episodes the global cholera epidemic and the hajj the influenza epidemic of 1918 WWII and natural disasters The writers also examine state policy on healthcare and the influence of organizations from NGOs such as the China Medical Board and the Rockefeller Foundation to grassroots organizations in Thailand Indonesia and the Philippines *Ethnography & the Production of Anthropological Knowledge* Yasmine Musharbash, Marcus Barber, 2011-02-01 Professor Nicolas Peterson is a central figure in the anthropology of Aboriginal Australia This volume honours his anthropological body of work his commitment to ethnographic fieldwork as a source of knowledge his exemplary mentorship of generations of younger scholars and his generosity in facilitating the progress of others The diverse collection produced by former students current colleagues and long term peers provides reflections on his legacy as well as fresh anthropological insights from Australia and the wider Asia Pacific region Inspired by Nicolas Peterson's work in Aboriginal Australia and his broad ranging contributions to anthropology over several decades the contributors to this volume celebrate the variety of his ethnographic interests Individual chapters address revisit expand on and ethnographically re-examine his work about ritual material culture the moral domestic economy land and ecology The volume also pays homage to Nicolas Peterson's ability to provide focused research with long term impact exemplified by a series of papers engaging with his work on demand sharing and the applied policy domain *Malaysia's Original People* Kirk Endicott, 2015-11-27 The Malay language term for the indigenous minority peoples of Peninsular Malaysia Orang Asli covers at least 19 culturally and linguistically distinct subgroups This volume is a comprehensive survey of current understandings of Malaysia's Orang Asli communities including contributions from scholars within the Orang Asli community looking at language archaeology history religion and issues of education health and social change as well as questions of land rights and control of resources Until about 1960 most Orang Asli lived in small camps and villages in the coastal and interior forests or in isolated rural areas and made their living by various combinations of hunting gathering fishing agriculture and trading forest products By the end of the century logging economic development projects such as oil palm plantations and resettlement programmes have displaced many Orang Asli communities and disrupted long established social and cultural practices The chapters in the present volume show Orang Asli responses to the challenges posed by a rapidly changing world The authors also highlight the importance of Orang Asli studies for the anthropological understanding of small scale indigenous societies in general *International Migrants in Japan* Yoshitaka Ishikawa, 2015 Japan faces multiple challenges in an era of population decline Problems such as aging and a decreasing working age population are expected to increase in severity so tackling these challenges and examining the contributions that immigrants can make to society are vital for Japan

s future What contributions do foreign residents make to Japan especially in the labor market How do national and local government policies effect the settlement and permanent residence of foreign nationals Are issues such as social mobility and quality of life of foreigners the fertility of foreign women and long term trends in naturalization important What support does Japan offer to immigrants As a new country of immigration the need to examine such questions is growing This book takes a geographical perspective in examining the necessity of immigration and how foreign residents are helping to alleviate the problem of population decline in contemporary Japan Over the last thirty years Japan has become a country of immigration again While the literature on migration to Japan is growing reliable data on the issue is still scarce Yoshitaka Ishikawa s edited volume is a major contribution to filling this void Overall the papers compiled in the book are a good introduction to the complex and multifaceted realities of newcomer migrants and shed light on some understudied quantitative and qualitative aspects of migration to Japan Pacific Affairs Vol 89 No 4 December 2016 Series Japanese Society Subject Sociology Japanese Studies Asian Studies Migration Studies Labor Studies

Southeast Asia's Credit Revolution
Aditya Goenka, David Henley, 2013-09-05 Southeast Asia s Credit Revolution describes and explains the rise of microfinance the provision of credit and other financial services for the poor in Southeast Asia over the past four decades the most consistently successful region of the developing world In recent years microfinance has come to be seen as a key weapon in the battle against global poverty generating more enthusiasm and optimism than any other development strategy Southeast Asia has a special place in the history of microfinance Historically Southeast Asian societies and economies were perceived as almost uniquely debt ridden and credit constrained In the twentieth century however the region was in the forefront of the modern microfinance revolution This book asks what factors have made it possible for formal microfinance institutions to replace moneylenders and other traditional credit providers Bringing together economists sociologists anthropologists and historians the book covers seven Southeast Asian countries The topic is explored from cultural and institutional as well as economic perspectives and policy relevant lessons are offered for the design of successful microfinance institutions Focusing on recent developments while putting them in historical context this will be an important text for scholars and students of economic history finance institutional economics and Asian Studies

Creating Subaltern Counterpublics A-gwi Sö, 2017 This is a study of a political and social movement instigated by older Korean women in Japan beginning in the 1990s Koreans in Japan have occupied an unique position among ethnic minority groups Until recently they constituted the largest group of foreign nationals yet they have been marginalized politically socially economically and culturally Korean women are doubly disadvantaged treated as inferior to men by both Korean and Japanese society Furthermore the first generation of Korean women migrants were not educated as children rendering them functionally illiterate and thus triply marginalized Late in life when family and work responsibilities became less onerous local authorities created educational opportunities which the women took up in unexpected numbers overloading the facilities The authorities responses effectively re marginalized them

The elderly Korean women took a stance and in the process reconstituted themselves as social and political actors This book examines that self transformation process Series Japanese Society Series Subject Gender Studies Japanese Studies Korean Studies Migrant Studies Civilizing the Margins Christopher R. Duncan,2008 Discusses the programs policies and laws that affect ethnic minorities in eight countries Burma Cambodia Indonesia Laos Malaysia the Philippines Thailand and Viet Nam Once targeted for intervention people such as the Orang Asli of Malaysia and the hill tribes of Thailand often become the subject of programs aimed at radically changing their lifestyles which the government views as backward or primitive Several chapters highlight the tragic consequences of forced resettlement a common result of these programs

Globalizing Japan Ross E. Mouer,2015 The Japanese people are again struggling with their nation s insularity The Meiji Restoration and the end of the Asia Pacific War gave way to concerted efforts to connect the country with the outside world As the Japanese economy emerged from two decades of stagnant growth there was wide consensus that the society was increasingly grappling with the problems shared globally and that both its economy and internal policy debates would benefit from being more fully engaged in discourses and research activity occurring outside its borders This book considers the efforts of policy makers to reorient Japan to the outside world as the nation enters the second decade of the 21st century It discusses the strategies being pursued by Japan s policy makers enhancing the involvement of the Japanese in global networks improving English language skills hiring more foreign labor lifting the stature of tertiary education on internationally recognized league tables creating favorable images of a Japanese cultured society abroad The book considers the changing geopolitical landscape and the social backdrop against which such policies are being introduced while also assessing the prospects that the Japanese will experience a third opening any time soon Overall the volume provides insight into some of the critical choices likely to shape Japan s interface with the outside world and the direction in which Japanese society moves during the next decade Series Japanese Society Subject Politics Sociology Japanese Studies Asian Studies
