transforming message and to share it with others **Basis of Preaching Biblical Message: Preach the Word** Rev Dr Koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book

UNSEEN THINGS Jean McBride, 2017-09-03 This is not an examination of the quality or quantity of your faith It is an examination of the existence of your faith There are only two responses to this examination of self Yes I am in the faith or no I am not in the faith If the answer is yes then you got there by seeking the Lord You did not pray for faith you sought God and faith came If the answer is no you will not get in the faith by praying for faith You will only get in the faith by seeking God We will never get more faith by seeking more faith When I began this Bible study my goal was simple I was in the faith but I really felt I needed more faith What I really needed was to learn more about the faith I had I learned that faith has the capacity to be in one accord with God If we seek God and His ways we will find that we have all the

faith we need The purpose of seeking God is so that we will know what we can be in accord with The chapters in this book are based on the great faith chapter in the Bible Hebrews 11
