Looking Back Anna Fischer,2013-05 Anna Fischer grew up in Stalinist Ukraine during World War II She recalls the gut wrenching struggles of starvation and the deportation of thousands of her fellow German Russian villagers In 1951 she immigrated with her family to Alberta Canada *The Retrospect of Medicine* ,1867 *Look Back, She's No Longer There* Chun LeiPao,2020-04-13 From the time he had saved her when she was young she had regarded him as everything To become the best sword in his hands to pacify these mountains and rivers for him He had overturned the world ascended the throne and given her the promise of a lifetime As for her she had been gifted to the vassal lord and would never again be reunited with him Years later he suddenly missed the woman who had fought for him in the world and made him more tea Looking at each other from afar she was already a mother When she saw him again in order to protect her husband s life she committed suicide in front of him and fell off the platform In this golden age there was no longer a smile on her face At that moment he had gone mad

On Looking Back Elizabeth Dumbleton,2014-03-28 By the law of averages I should not be around for the writing of this book nor the subsequent ones but it has to be said that in this life against all the odds there are the survivors which is obviously the category into which I fall On Looking Back is the first in a series of books that reveal the compelling life story of Elizabeth Dumbleton Each chapter takes the reader on a journey beginning with Elizabeth s younger years where she fondly recounts her friendships and adventures living with her five older brothers and their single mother in the East End She then experiences the early death of her mother and is forced to endure a life fraught with unhappiness and danger as she is ripped from her brothers with a sudden evacuation to the country during the war Elizabeth lays bare her emotions recalling each memory honestly and unashamedly One moment the reader could be chuckling along with an amusing anecdote before sinking into sadness as she battles the twists and turns of a war torn life Full of compassion On Looking Back is an emotional read from start to finish Fans of biographies and memoirs will find this book difficult to put down once they pick it up
