Looking Wayward:

See Through Deception Jermane J. Anyoha, 2017-08-09 Led to believe that unlocking its power was their only hope of ending a seemingly endless interplanetary race war five girls with extraordinary powers accepted a mission to find the Zeal Orb After two years they have nearly reached their destination Suddenly however they are ambushed and twelve year old Jadeleve is separated from the group Due to a hard blow to her head Jadeleve cannot recall what happened to her or her comrades or even what her enemy looked like After waking up alone in the middle of a jungle with no resources she is forced to use all her skills in order to claw her way back to civilization find her friends and uncover their attackers true motives With her physical abilities already tested to their limits Jadeleve must rely on her mental reserves not only to combat their elusive enemy but to overcome an internal struggle As she grows more doubtful that the Zeal Orb exists and starts to wonder if her efforts to end the war are futile Jadeleve has no choice but to consider the following implications that she was deceived and worse that she is powerless

Lucky Seed Justinian Huang, 2025-11-11 Succession meets Crazy Rich Asians in this chaotic darkly funny romp about the lengths a wealthy family will take to ensure the birth of a male heir from the gay black sheep of their clan An intergenerational family saga inspired by the author s own fatherhood journey as his real life family s mandatory suggestion The billionaire Sun Clan of Greater Los Angeles is your typical American family with power struggling aunties emasculated uncles scheming cousins scandalous secrets and a fortune teller on retainer But at the end of each combative day the Suns are chained together with golden handcuffs whether they like it or not Yet strange storms are brewing Their matriarch Roses Sun is grappling with an existential crisis she must produce a male heir that bears the clan s surname She fears that if her generation is the one in which their esteemed lineage ends they will be punished as hungry ghosts in the afterlife an ancient but very real Asian superstition Faced with this terrifying fate Roses summons her favorite nephew Wayward Believing him to possess the lucky seed Roses presents Wayward with a mandatory suggestion to father a baby boy who will inherit everything When the other members of the Sun Clan catch wind of Roses s plot all hells break loose Wayward s family will now clash like never before in

an epic war over the future of the Suns if there is a future at all Yet through the chaos Wayward sees opportunity What if he can leverage all the conflict into a solution for his problematic family What if he can reunite the Sun Clan by healing them And what if the tumultuous Suns can finally learn how to love each other for the first time **Grimoire** T A Newman,2015

My name is Jon Wayward and I was one of the most unremarkable guys you probably never met But then I was hired to find a mysterious pack of tarot cards and that changed my life forever Now I have inherited my grandfather s occult collectors shop his friends customers and ancestor s Book of Shadows called the Wayward Grimoire making me the newest member of the world s secret magical community hidden in plain sight People now tell me I am remarkable even famous as the heir to the Wayward Grimoire But the only thing I seem to be remarkable at is running from reptilian hit men running to a man that looks like mole and holding onto a rare and extremely important pack of tarot cards that have the power to control whom ever you want them to whenever you want them to They say you have to play the cards you re dealt I say it s not the cards you have it s how you play them But what do I know **Margarethe** Else Kobert Schmieden,1887 **Kenya National Assembly Official Record (Hansard)** ,2003-02-25 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya **Affectionately...In Jesus and Mary** Edward Makuta,2011-03-31 This collection of short stories examines the lives of five very different men as they study for the priesthood and experience seminary life Affectionately in Jesus and Mary presents a collection of related short stories about the lives of five very different men Each man is studying for the priesthood but they approach their seminary studies very differently The stories chronicle the day to day sacred secular holy sinful heroic and petty thoughts words and deeds of the five men as they journey through each of the stages of training and formation that culminate in ordination into the priesthood Vinnie Lauter tries to account for his need to always be the center of attention even in the seminary Eddie Moszka wonders if being a virgin is a blessing or a curse while JV Delancey constantly struggles with religious obedience and with the demands of community living in the seminary Jay Kenny increasingly feels that Thomism the official philosophy and theology of the Catholic Church has strapped him in an emotional and intellectual straightjacket The saintly and scholarly Sean Saint Jean although he has personally reconciled Christianity and evolution struggles with the ban on teaching and publishing on the topic These stories delve into a private world that is normally hidden from view exploring the lives of menwhether admirable or blameworthywho inhabit this world
