The Strong's Constance Kinney, 2011-04-14 At one time or another as creatures of creation we will all face a storm The storm may be rocky or it may be smooth It is up to us as beings of existence to recognize when a storm is approaching We all deal with our storms in our own personal manners of difference The Strong's is a story of a family who faced many storms No matter how great their faith remarkably carried them through each and every storm Walking into a storm blindsided indubitably causes destruction pain and even death As with any other challenge preparation is the key in overcoming unbearable situations We must ask ourselves if a mighty and great storm came into our lives today would we be able to weather it
