**Very Collected Poems** Ron Padgett,2025-11-18 Over sixty years of poems celebrating one of the most dynamic careers in twentieth and twenty first century American poetry Gathering a lifetime of poetry Ron Padgett s

Very Collected Poems is the ultimate record of the Pulitzer Prize finalist's oeuvre newly updated since the sold out first edition of 2013. Padgett's poems reverberate with his love of poetry, his musings on artists and musicians from Andrew Marvell to Woody Guthrie to his personal friendships with Kenneth Koch and Joe Brainard alongside his poems involving family and the magic of just being alive. By turns imaginative and witty and then simple and direct, Padgett's mercurial work offers readers the pleasure of his surprising curiosity and generous spirit.

**Poems of Massachusetts** Jeffrey Lant, 2018-10-19. This is an epic ode to the Bay State from pilgrims to Poe in thirty multi-stanzaed installments. Some of those within these verses are celebrated while others are skewered with stiletto worldly wit. For those who savor this saucy synopsis, any other history of Massachusetts will be a spiceless ordeal.

**Poems with No Glass Shield in Twenty Fifteen** Jemel Williams, 2024-05-28. *Poems With No Glass Shield In Twenty Fifteen* features upbeat tempo literature that one's thoughts afloat. The style Jemel Williams emanates is from his educational background and his love for music. Poetry is not written to offend any sort of reader who wants to pick up the book, but it is written to show the reader there are more ways to write using the combination of fiction, non-fiction, literature, auto biography, and biography, etc.

About the Author: After his registry by the Library of Congress for his second book of poems, *Poems with No Glass Shield*, He began the first draft of the book in November 2014 and completed the book in July 2015. In *Poems with No Glass Shield*, Williams demonstrated a complex style of poetry that allows readers to derive their own conclusions from a variety of translations. For one poem is moderate in size, it shares common interest in today's times and current events. Throughout his life, he was raised and influenced by a variety of different ethnic groups. He witnessed himself growing up as a little intelligent scholar stepping on stage to steal every honor awarded to him. Williams' self-motivation made him work twice as hard when there was not one single choir to complete. That attitude kept him complacent and installing the drive that education will be the secret to his success.

*The Kagero Diary*, 2020-08-06. Japan is the only country in the world where women writers laid the foundations of classical literature. The Kagero Diary commands our attention as the first extant work of that rich and brilliant tradition. The author, known to posterity as Michitsuna's Mother, a member of the middle-ranking aristocracy of the Heian period (794-1185), wrote an account of 20 years of her life from 954-74, and this autobiographical text now gives readers access to a woman's experience of a thousand years ago. The diary centers on the author's relationship with her husband, Fujiwara Kaneie, her kinsman from a more powerful and prestigious branch of the family than her own. Their marriage ended in divorce, and one of the author's intentions seems to have been to write an anti-romance, one that could be subtitled *I married the prince but we did not live happily ever after*. Yet particularly in the first part of the diary, Michitsuna's Mother is

drawn to record those events and moments when the marriage did live up to a romantic ideal fostered by the Japanese tradition of love poetry At the same time she also seems to seek the freedom to live and write outside the romance myth and without a husband Since the author was by inclination and talent a poet and lived in a time when poetry was a part of everyday social intercourse her account of her life is shaped by a lyrical consciousness The poems she records are crystalline moments of awareness that vividly recall the past This new translation of the Kager Diary conveys the long fluid sentences the complex polyphony of voices and the floating temporality of the original It also pays careful attention to the poems of the text rendering as much as possible their complex imagery and open ended quality The translation is accompanied by running notes on facing pages and an introduction that places the work within the context of contemporary discussions regarding feminist literature and the genre of autobiography and provides detailed historical information and a description of the stylistic qualities of the text
