Old Stories & Forgotten Lessons Dr. R.W. Stallings, 2021-08-19 The message the world hears from the church in America is confusing Many of us have drifted so far from biblical teaching that those seeking our help cannot find it in the church The picture of God we present is so removed from biblical truth that even our own children are without foundation and are leaving in great numbers I do not accept the premise that the non church world has rejected God many have never heard the compelling unfiltered Gospel truth preached with love When we discard the biblical text and do not teach it to our people we give away the power to help those really needing the church The church must make her own peace with God before the world can hear the voice of God from the church Old Stories they will often feel isolate because of their belief They need to know how the heroes of our faith lived and led successful lives
