The Science of Religion: A Defence Donald Wiebe, 2018-10-16 Donald Wiebe Professor of Philosophy of Religion at Trinity College University of Toronto has spent much of his academic career arguing for a clear demarcation between Theology and Religious Studies The Science of Religion A Defence offers a brilliant overview of Professor Wiebe's contributions on methodology in the academic study of religion of the development of his thinking over time and of his intellectual commitment to a science of religion The work is divided into three parts The first part identifies pertinent connections between religion religious studies and science and why reductionism in the academic study of religion when properly applied can bridge the explanatory gap between the sceptic and the devotee The second part treats conceptual debates in the academic study of religion with particular reference to the place of belief understanding and meaning in the modern study of religion The third part addresses the theological resistance to the scientific study of religion and how that

resistance can be overcome Finally two new essays are included a critique on The Preconceptions of a Science of Religion by Anthony J Palma and an accompanying reply by Donald Wiebe The Science of Religion A Defence is an essential resource for both scholarly and non scholarly audiences alike and will be of particular interest to both defenders and critics of a scientific study of religion

The Literature of Theology David R. Stewart, 2003-01-01 This updated reference guide directs students to over five hundred significant theological resources across a wide area of theological research It details bibliographic sources for encyclopedias dictionaries and electronic resources in biblical studies historical studies theology and practical theology

Nag Hammadi Bibliography 1995-2006 David Scholer, Susan Wood, 2009-01-31 This is the third volume of the immensely useful Nag Hammadi Bibliography the first volume of which covered 1948 1969 and was the first publication in the Nag Hammadi Studies series The second volume covered 1970 1994 This third volume provides a complete integration of Supplements II 1 II 8 to the Bibliography as published in Novum Testamentum 1998 2008 with additions and corrections This latest update contains 3 063 entries with the set of three volumes containing 11 580 entries Nag Hammadi and Gnostic studies continue to be of critical importance for the study of ancient religions in the Graeco Roman world and for the study of the world of early Christianity and the present bibliography provides an indispensable reference tool for work in these fields

Challenging Religion James A. Beckford, James T. Richardson, 2003-09-02 Leading scholars examine the growth of new religious movements or cults in the US and Europe over the last 50 years and state attempts to monitor and control them debating the political practical and ethical issues which arise
