I Know Your Dog Is a Good Dog Linda Scroggins,2023-12-22 When a pet dog injures a human or another dog the owner is left in a state of fear and confusion If a dog wreaks havoc and destruction on a home the owner is left feeling helpless If an owner finds a dog uncontrollable or if a dog becomes aggressive and a threat to the community the dog becomes the one that is at risk for injury or death Families living with these behaviorally challenged dogs may

become isolated and wonder if there is help for their dog The reality is there are thousands of families facing these issues This book explains the process for helping dogs with behavior problems in plain language Calling on her years of experience as a certified canine behavior consultant the author highlights the journeys of past clients through a series of vignettes broken up by chapters that contain informative and researched guidance While it is not meant to be a how to training guide the book lets people with reactive or anxious dogs know they are not alone And for those that lose the battle it walks with them through that final journey
