American Studies: The Basics Andrew Dix, 2021-11-02 American Studies The Basics is an accessible and concise introduction that aims to unpack what American studies does and why it matters From Moby Dick to baseball Hollywood westerns to BlackLivesMatter and Disneyland to the U S Supreme Court American studies engages with a myriad of topics in its efforts to understand what the French sociologist Jean Baudrillard called social and cultural America The book begins by considering how America was studied before American studies emergence as a recognized discipline in the mid twentieth century Successive chapters then explore the rise of American studies its varied subjects its distinctive methods of research its geographical framing and its politics Throughout the book explanatory examples are drawn from across American history and culture Photographs are examined alongside novels and historical monuments discussed next to films The text offers an ideal way into an exciting academic subject of continuing growth and relevance This book is a must read for those studying and with an interest in American studies **Black and African-American Studies** Gunnar Myrdal, 1995 **The SAGE**

Encyclopedia of Filipina/x/o American Studies Kevin Leo Yabut Nadal, Allyson Tintiangco-Cubales, E.J.R. David, 2022-11-03 Filipino Americans are one of the three largest Asian American groups in the United States and the second largest immigrant population in the country Yet within the field of Asian American Studies Filipino American history and culture have received comparatively less attention than have other ethnic groups Over the past twenty years however Filipino American scholars across various disciplines have published numerous books and research articles as a way of addressing their unique concerns and experiences as an ethnic group The SAGE Encyclopedia of Filipina x o American Studies the first on the topic of Filipino American Studies offers a comprehensive survey of an emerging field focusing on the

Filipino diaspora in the United States as well as highlighting issues facing immigrant groups in general It covers a broad range of topics and disciplines including activism and education arts and humanities health history and historical figures immigration psychology regional trends and sociology and social issues **American Cultural Studies** Neil Campbell, Alasdair Kean, 1997 A interdisciplinary introduction to American culture American Cultural Studies examines the tensions that exist within the multifaceted and multicultural mix of American life Exploring the changing debates throughout the century specific consideration is given to issues such as race and religion gender and sexuality and youth The volume draws on literature art film theatre architecture and music employing techniques and arguments both from traditional analysis and cultural studies Through examining forms of cultural expression in relation to their contexts this book highlights American distinctiveness and is sure to challenge orthodox paradigms of American Studies Theories of American Culture, Theories of American Studies Winfried Fluck, 2003 *Keywords for Asian American Studies* Cathy J. Schlund-Vials, K. Scott Wong, Linda Trinh Võ, 2015-05-08 Introduces key terms research frameworks debates and histories for Asian American Studies Born out of the Civil Rights and Third World Liberation movements of the 1960s and 1970s Asian American Studies has grown significantly over the past four decades both as a distinct field of inquiry and as a potent site of critique Characterized by transnational trans Pacific and trans hemispheric considerations of race ethnicity migration immigration gender sexuality and class this multidisciplinary field engages with a set of concepts profoundly shaped by past and present histories of racialization and social formation The keywords included in this collection are central to social sciences humanities and cultural studies and reflect the ways in which Asian American Studies has transformed scholarly discourses research agendas and pedagogical frameworks Spanning multiple histories numerous migrations and diverse populations *Keywords for Asian American Studies* reconsiders and recalibrates the ever shifting borders of Asian American studies as a distinctly interdisciplinary field Visit keywords.nyupress.org for online essays teaching resources and more **American Indian Autobiography**, 2008-05-01 American Indian Autobiography is a kind of cultural kaleidoscope whose narratives come to us from a wide range of American Indians warriors farmers Christian converts rebels and assimilationists peyotists shamans hunters Sun Dancers artists and Hollywood Indians spiritualists visionaries mothers fathers and English professors Many of these narratives are as told to autobiographies and those who labored to set them down in writing are nearly as diverse as their subjects Black Elk had a poet for his amanuensis Maxidiwiac a Hidatsa farmer who worked her fields with a bone blade hoe had an anthropologist Two Leggings the man who led the last Crow war party speaks to us through a merchant from Bismarck North Dakota White Horse Eagle an aged Osage told his story to a Nazi historian By discussing these remarkable narratives from a historical perspective H David Brumble III reveals how the various editors assumptions and methods influenced the autobiographies as well as the autobiographers Brumble also and perhaps most importantly describes the various oral autobiographical traditions of the Indians themselves including those of N Scott Momaday and
