New Jewish Identities:

New Jewish Identities Zvi Y. Gitelman, Barry Alexander Kosmin, András Kovács, 2003-07-30 A unique collection of essays that deal with the intriguing and complex problems connected to the question of Jewish identity in the contemporary world Based on a conference held in Budapest Hungary in July 2001 it analyzes and compares how Jews conceive of their Jewishness Do they see it in mostly religious cultural or ethnic terms What are the policy implications of these views and how have they been evolving What do they portend for the future of world Jewry The authors present new data from west European and post Communist countries Hungary Moldova Poland Russia Ukraine and re interpret data from other European countries as well as from Israel and the United States making this a truly comprehensive comparative and contemporary work

New Jews Caryn S. Aviv, David Shneer, 2005-12-01 For many contemporary Jews Israel no longer serves as the Promised Land the center of the Jewish universe and the place of final destination In *New Jews* Caryn Aviv and David Shneer provocatively argue that there is a new generation of Jews who don't consider themselves to be eternally wandering forever outsiders within their communities and seeking to one day find their homeland Instead these New Jews are at home whether it be in Buenos Aires San Francisco or Berlin and are rooted within communities of their own choosing Aviv and Shneer argue that Jews have come to the end of their diaspora wandering no more today's Jews are settled In this wide ranging book the authors take us around the world to Moscow Jerusalem New York and Los Angeles among other places and find vibrant dynamic Jewish communities where Jewish identity is increasingly flexible and inclusive *New Jews* offers a compelling portrait of Jewish life today

The New Jewish Identity in America Stuart E. Rosenberg, 1985 A survey of the influence of American life on the Jewish community from colonial times to the present Part 3 pp 89 117 *Jews and Their Host Nations* discusses the origins of antisemitism and whether America can succeed in transcending it where other nations have failed

Mapping Jewish Identities Laurence J. Silberstein, 2000-07 Is Jewish identity flourishing or in decline Community leaders and scholarly researchers continually seek to determine the attitudes beliefs and activities that best measure Jewish identity At issue according to these studies is the very survival of the Jewish community itself But such studies rarely ask what actually is being examined when we attempt to assess Jewish identity or any identity Most tend to assume that identity is a preexisting relatively fixed frame of reference reflecting shared cultural and historical experiences Drawing on recent work in such fields as cultural studies poststructuralist theory postmodern philosophy and feminist theory *Mapping Jewish Identities* challenges this premise Contesting conventional approaches to Jewish identity contributors argue that Jewish identity should be conceptualized as an ongoing dynamic process of becoming in response to changing cultural and social conditions rather than as a stable defining body of traits Contributors including Daniel Boyarin Laura Levitt Adi Ophir and Gordon Bearn examine such topics as American Jews' desires to connect with a lost immigrant past through photography the complicated function of the Holocaust in the identity formation of contemporary Jews the impact of the struggle with the

Palestinians on Israeli group identity construction and the ways in which repressed voices such as those of women Mizrahim and Israeli Arabs have changed our ways of thinking about Jewish and Israeli identity *Ambiguous Selves* Melanie Fogell, 2006 **Jewish Identities in the American West** Ellen Eisenberg, 2022-11-24 With essays that cover the period from the mid nineteenth century to the present this volume presents a collective portrait of change over time that allows us to view the shifting nature of Jewish identity in the U S West as well as the evolving frameworks for racial construction

Jewish Identities: Fifty Intellectuals Answer Ben-Gurion Eliezer Ben-Rafael, 2002-07-01 Who and what is a Jew Is there any common denominator between an ultra Orthodox rabbi of an Israeli North African community and a Berkeley academic of the Movement for a Secular and Humanistic Judaism Do Jews the world over converge and emphasize their unity or do they share contrasting concepts of collective identity Part I of this book presents a systematic discussion of Jewish identities in this era of post modernity The opportunity is offered by a set of invaluable texts which appear in Part II These texts about Jewish identity were invited in 1958 by Ben Gurion from 50 intellectuals rabbis writers scientists and lawyers from the Diaspora and Israel representative of the principal streams of contemporary Jewish thought **Beyond Jewish Identity** Jon A. Levisohn, Ari Y. Kelman, 2019-12-31 There is something deeply problematic about the ways that Jews particularly in America talk about Jewish identity as a desired outcome of Jewish education For many the idea that the purpose of Jewish education is to strengthen Jewish identity is so obvious that it hardly seems worth disputing and the only important question is which kinds of Jewish education do that work more effectively or more efficiently But what does it mean to strengthen Jewish identity Why do Jewish educators policy makers and philanthropists talk that way What do they assume about Jewish education or about Jewish identity when they use formulations like strengthen Jewish identity And what are the costs of doing so This volume the first collection to examine critically the relationship between Jewish education and Jewish identity makes two important interventions First it offers a critical assessment of the relationship between education and identity arguing that the reification of identity has hampered much educational creativity in the pursuit of this goal and that the nearly ubiquitous employment of the term obscures significant questions about what Jewish education is and ought to be Second this volume offers thoughtful responses that are not merely synonymous replacements for identity suggesting new possibilities for how to think about the purposes and desired outcomes of Jewish education potentially contributing to any number of new conversations about the relationship between Jewish education and Jewish life *Jewish Identities in Contemporary Europe* Andrea Reiter, Lucille Cairns, 2017-10-02 Providing an assessment of Jewish identity this volume presents critical engagements with a number of Jewish writers and filmmakers from a variety of European countries including Austria France Germany Poland and the UK The novels and films discussed explore the meaning of being Jewish in Europe today and investigate the extent to which this experience is shaped by factors that lie outside the national context notably by the relationship to Israel As the recent attacks on Charlie Hebdo and the targeting of a Jewish supermarket in

Paris demonstrate these questions are more pressing than ever and will challenge Jews as well as Jewish writers and intellectuals as they explore the answers This book was originally published as a special issue of Jewish Culture and History

New Jews David L. Reznik, 2015-12-03 *New Jews* is the first comprehensive study of American Jewish identity in Hollywood movies of the new millennium Despite the argument that we live in a post racial society with supposedly new Jewish characters emerging on the big screen this book details how traditional racial stereotypes of American Jews persist in popular films from the first decade of this century In clear and readable prose the book offers an innovative and penetrating look at dozens of American Jewish meddling matriarchs neurotic nebbishes pampered princesses and scheming scumbags from 21st century film whether Hollywood blockbusters like *Meet the Fockers* and *Sex and the City* or indie favorites like *Garden State* and *Kissing Jessica Stein* Throughout the book famous American Jewish characters played by the likes of Jim Carrey Tom Cruise Anne Hathaway Kate Hudson Scarlett Johansson Sarah Jessica Parker Adam Sandler and Ben Stiller are discussed with the ultimate conclusion that movies today are marked less by the emergence of new Jews than by the continued but dynamic and transformed presence of the same old stereotypes
